## **Item 1.01. Entry into a Material Definitive Agreement.**

### ***6.125% Senior Notes Due 2021***

On March 7, 2013, Acadia Healthcare Company, Inc., a Delaware corporation (the “Company”) entered into a Purchase Agreement pursuant to which it agreed to sell \$150,000,000 in aggregate principal amount of its 6.125% senior notes due 2021 (the “Notes”) to Merrill Lynch, Pierce, Fenner & Smith Incorporated and the other several initial purchasers named in Schedule 1 to the Purchase Agreement (the “Initial Purchasers”).

On March 12, 2013, the Company completed the sale of the Notes to the Initial Purchasers, and the Initial Purchasers resold the Notes to qualified institutional buyers pursuant to Rule 144A under the Securities Act of 1933, as amended (the “Securities Act”), and to persons outside of the United States pursuant to Regulation S under the Securities Act. The Company intends to use the net proceeds from the offering for general corporate purposes, which may include acquisitions.

The Notes were issued pursuant to an indenture, dated as of March 12, 2013 (the “Indenture”), among the Company, the subsidiary guarantors named therein (the “Guarantors”) and U.S. Bank National Association, as trustee. The Notes mature on March 15, 2021 and bear interest at a rate of 6.125% per annum, payable semi-annually in arrears on March 15 and September 15 of each year, beginning on September 15, 2013. The Notes are the Company’s senior unsecured obligations and are fully and unconditionally guaranteed, jointly and severally, on a senior unsecured basis by the Guarantors.

The Company may redeem the Notes at its option, in whole or part, at any time prior to March 15, 2016, at a price equal to 100% of the principal amount of the Notes redeemed, plus accrued and unpaid interest to the redemption date and plus an applicable premium. The Company may redeem the Notes, in whole or in part, on or after March 15, 2016, at the redemption prices set forth in the Indenture plus accrued and unpaid interest to the redemption date. At any time on or before March 15, 2016, the Company may elect to redeem up to 35% of the aggregate principal amount of the Notes at a redemption price equal to 106.125% of the principal amount thereof, plus accrued and unpaid interest to the redemption date, with the net proceeds of one or more equity offerings.

The Indenture contains covenants that limit the Company’s ability and the ability of its restricted subsidiaries to, among other things: (i) pay dividends, redeem stock or make other distributions or investments; (ii) incur additional debt or issue certain preferred stock; (iii) transfer or sell assets; (iv) engage in certain transactions with affiliates; (v) create restrictions on dividends or other payments by the restricted subsidiaries; (vi) merge, consolidate or sell substantially all of the Company’s assets and (vii) create liens on assets. If on any date following the issue date the Notes are rated investment grade (as more fully described in the Indenture), certain covenants, including with respect to asset sales, restricted payments and indebtedness, will be suspended (for so long as the Notes maintain such rating and no event of default has occurred). The Indenture also provides for customary events of default.

The descriptions of the Purchase Agreement, the Notes and the Indenture contained in this Current Report on Form 8-K are qualified in their entirety by reference to the complete text of the Purchase Agreement, the Notes and the Indenture, copies of which are filed as [Exhibits 10.1, 4.2 and 4.1](#) hereto and are incorporated herein by reference.

#### ***Registration Rights Agreement***

On March 12, 2013, in connection with the private placement of the Notes, the Company, the Guarantors and the Initial Purchasers entered into a registration rights agreement (the “Registration Rights Agreement”). The terms of the Registration Rights Agreement require the Company and the Guarantors to (i) file a registration statement no later than 360 days after the closing date of the offering with respect to an offer to exchange the Notes for a new issue of debt securities registered under the Securities Act, with terms substantially identical to those of the Notes (except for provisions relating to the transfer restrictions and payment of additional interest); (ii) use their commercially reasonable efforts to cause the exchange offer registration statement to be declared effective under the Securities Act no later than 450 days after the closing date of the offering; and (iii) in certain circumstances, file a shelf registration statement for the resale of the Notes. If the Company and the Guarantors fail to satisfy their registration obligations under the Registration Rights Agreement, then the annual interest on the Notes will increase by 0.25% per annum and by an additional 0.25% per annum for each subsequent 90-day period during which the registration default continues, up to a maximum additional interest rate of 1.0% per annum.

The foregoing is only a summary of the material terms of the Registration Rights Agreement and does not purport to be complete, and is qualified in its entirety by reference to the Registration Rights Agreement, a copy of which is attached to this Current Report on Form 8-K as [Exhibit 4.3](#) and incorporated herein by reference.

#### ***First Amendment to Amended and Restated Credit Agreement***

On March 11, 2013, the Company entered into a Consent and First Amendment (the “First Amendment”) to its Amended and Restated Credit Agreement, dated as of December 31, 2012. The First Amendment modified the definition of Consolidated EBITDA to permit the add-back for financial covenant purposes of certain fees and expenses related to the redemption of the Company’s 12.875% Senior Notes due 2018. In addition, the First Amendment amended such definition to permit the Company to test indebtedness on a basis net of cash or cash equivalents on hand for financial covenant purposes.

The foregoing is only a summary of the material terms of the First Amendment and does not purport to be complete, and is qualified in its entirety by reference to the First Amendment, a copy of which is attached to this Current Report on Form 8-K as [Exhibit 10.2](#) and incorporated herein by reference.

**Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant**

To the extent applicable, the information set forth in Item 1.01 above is incorporated by reference into this Item 2.03.

**Item 8.01. Other Events.**

On March 12, 2013, the Company redeemed \$52.5 million of its 12.875% Senior Notes due 2018 (“Senior Notes due 2018”) using a portion of the net proceeds of its December 2012 equity offering pursuant to the provision in the indenture permitting an optional redemption with equity proceeds of up to 35% of the principal amount of Senior Notes due 2018. The Senior Notes due 2018 were redeemed at a redemption price of 112.875% of the principal amount thereof plus accrued and unpaid interest to, but not including, the redemption date in accordance with the provisions of the indenture governing the Senior Notes due 2018.

On March 12, 2013, the Company issued a press release announcing the completion of its issuance and sale of the Notes in a private placement. A copy of the press release is attached as Exhibit 99 hereto.

“Fixed Charge Coverage Ratio” means with respect to any specified Person for any period, the ratio of the Consolidated EBITDA of such Person for such period to the Fixed Charges of such Person for such period. In the event that the specified Person or any of its Restricted Subsidiaries incurs, assumes, Guarantees, repays, repurchases, redeems, defeases or otherwise discharges any Indebtedness (other than in the case of revolving credit borrowings, in which case interest expense will be computed based upon the average daily balance of such Indebtedness during the applicable period) or issues, repurchases or redeems Preferred Stock subsequent to the commencement of the period for which the Fixed Charge Coverage Ratio is being calculated and on or prior to the date on which the event for which the calculation of the Fixed Charge Coverage Ratio is made (the “Calculation Date”), then the Fixed Charge Coverage Ratio will be calculated giving pro forma effect (as determined in good faith by the Company, as certified in an Officers’ Certificate delivered to the Trustee) to such incurrence, assumption, Guarantee, repayment, repurchase, redemption, defeasance or other discharge of Indebtedness, or such issuance, repurchase or redemption of Preferred Stock, and the use of the proceeds therefrom, as if the same had occurred at the beginning of the applicable four-quarter reference period.

For purposes of making the computations referred to above, if Investments, acquisitions, dispositions, mergers, consolidations and discontinued operations (as determined in accordance with GAAP) are made after the Issue Date and during the four-quarter reference period or subsequent to such reference period and on or prior to or simultaneously with the Calculation Date (each, for purposes of this definition, a “*pro forma event*”), then the Fixed Charge Coverage Ratio will be calculated on a pro forma basis assuming that all such Investments, acquisitions, dispositions, mergers, consolidations, discontinued operations and operational changes (and the change of any associated fixed charge obligations and the change in Consolidated EBITDA resulting therefrom) had occurred on the first day of the four-quarter reference period. If since the beginning of such period any Person that subsequently became a Restricted Subsidiary of the Company or was merged with or into the Company or any Restricted Subsidiary of the Company since the beginning of such period will have made or effected any Investment, acquisition, disposition, merger, consolidation or discontinued operation, then the Fixed Charge Coverage Ratio will be calculated giving pro forma effect thereto for such period as if such Investment, acquisition, disposition, merger, consolidation, discontinued operation, or operational change had occurred at the beginning of the applicable four-quarter period.

For purposes of this definition, whenever pro forma effect is to be given to any pro forma event, the pro forma calculations will be made in good faith by a responsible financial or accounting officer of the Company. If any Indebtedness bears a floating rate of interest and is being given pro forma effect, the interest on such Indebtedness will be calculated as if the rate in effect on the Calculation Date had been the applicable rate for the entire period (taking into account any Hedging Obligations applicable to such Indebtedness if such Hedging Obligations have a remaining term in excess of 12 months as of the Calculation Date). For purposes of this definition, interest on a Capital Lease Obligation will be deemed to accrue at an interest rate reasonably determined by a responsible financial or accounting officer of the Company to be the rate of interest implicit in such Capital Lease Obligation in accordance with GAAP. For purposes of making the computation referred to above, interest on any Indebtedness under a revolving credit facility computed on a pro forma basis will be computed based upon the average daily balance of such Indebtedness during the applicable period. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a eurocurrency interbank offered rate, or other rate, will be deemed to have been based upon the rate actually chosen, or, if none, then based upon such optional rate chosen as the Company may designate. Any pro forma calculations made pursuant to this definition may include adjustments appropriate, in the reasonable determination of the Company, as set forth in an Officers’ Certificate delivered to the Trustee, to reflect adjustments calculated to give effect to any Pro Forma Cost Savings.

(i) *General Provisions Relating to Transfers and Exchanges.*

(1) To permit registrations of transfers and exchanges, the Company will execute and the Trustee will authenticate Global Notes and Definitive Notes upon receipt of an Authentication Order in accordance with Section 2.02 hereof or at the Registrar's request.

(2) No service charge will be made to a Holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.10, 3.06, 3.09, 4.10, 4.14 and 9.05 hereof).

(3) [Reserved].

(4) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes will be the valid Obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(5) Neither the Registrar nor the Company will be required:

(A) to issue, to register the transfer of, or to exchange any Notes during a period beginning at the opening of business 15 days before the day of any selection of Notes for redemption under Section 3.02 hereof and ending at the close of business on the day of selection;

(B) to register the transfer of or to exchange any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part; or

(7) The Trustee will authenticate Global Notes and Definitive Notes in accordance with the provisions of Section 2.02 hereof.

(8) All certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted by facsimile.

*Section 2.07. Replacement Notes.*

If any mutilated Note is surrendered to the Trustee or the Company and the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any Note, the Company will issue and the Trustee, upon receipt of an Authentication Order, will authenticate a replacement Note if the Trustee's requirements are met. If required by the Trustee or the Company, an indemnity bond must be supplied by the Holder that is sufficient in the judgment of the Trustee and the Company to protect the Company, the Trustee, any Agent and any authenticating agent from any loss that any of them may suffer if a Note is replaced. The Company may charge for its expenses in replacing a Note.

In case any such mutilated, destroyed, lost, or stolen Note has become due and payable, the Company in its sole discretion may, instead of issuing a new Note, pay such Note.

Upon the issuance of any new Note under this Section 2.07, the Company may require the payment of a sum sufficient to cover any tax, assessment, fee or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Note issued pursuant to this Section 2.07 in exchange for any mutilated Note or in lieu of any destroyed, lost, or stolen Note will constitute an original additional contractual obligation of the Company, whether or not the mutilated, destroyed, lost, or stolen Note shall be at any time enforceable by anyone, and will be entitled to all the benefits of this Indenture equally and proportionately with any and all other Notes duly issued hereunder.

The provisions of this Section 2.07 are exclusive and will preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost, or stolen Notes.

*Section 2.08. Outstanding Notes.*

The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by it, those delivered to the Company for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof, and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09 hereof, a Note does not cease to be outstanding because the Company or an Affiliate of the Company holds the Note.

If a Note is replaced pursuant to Section 2.07 hereof, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a bona fide purchaser.

If the principal amount of any Note is considered paid under Section 4.01 hereof, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent (other than the Company, a Subsidiary or an Affiliate of any thereof) holds, on a redemption date or maturity date, money sufficient to pay Notes payable on that date, then on and after that date such Notes will be deemed to be no longer outstanding and will cease to accrue interest.

#### Section 2.09. *Treasury Notes.*

In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Company or any Guarantor, or by any Person directly or indirectly controlling or controlled by or under direct or indirect common control with the Company or any Guarantor, will be considered as though not outstanding, except that for the purposes of determining whether the Trustee will be protected in relying on any such direction, waiver or consent, only Notes that a Responsible Officer of the Trustee actually knows are so owned will be so disregarded.

#### Section 2.10. *Temporary Notes.*

Until certificates representing Notes are ready for delivery, the Company may prepare and the Trustee, upon receipt of an Authentication Order, will authenticate temporary Notes. Temporary Notes will be substantially in the form of certificated Notes but may have variations that the Company considers appropriate for temporary Notes and as may be reasonably acceptable to the Trustee. Without unreasonable delay, the Company will prepare and the Trustee will authenticate Definitive Notes in exchange for temporary Notes.

Holders of temporary Notes will be entitled to all of the benefits of this Indenture.

#### Section 2.11. *Cancellation.*

The Company at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent will forward to the Trustee for cancellation any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else will cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and will dispose of canceled Notes in accordance with its customary procedures (subject to the record retention requirements of the Exchange Act). Certification of the disposition of all canceled Notes will be delivered to the Company. The Company may not issue new Notes to replace Notes that it has paid or that have been delivered to the Trustee for cancellation.

Section 2.12. *Defaulted Interest.*

If the Company defaults in a payment of interest on the Notes, it will pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01 hereof; *provided* that if the Company pays the defaulted interest prior to the date that is 30 days after the date of default in payment of interest, payment shall be to the Holders as of the original record date. The Company will notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment. If such default in interest continues for 30 days, the Company will fix or cause to be fixed each such special record date and payment date; *provided* that no such special record date may be less than 10 days prior to the related payment date for such defaulted interest. At least 15 days before the special record date, the Company (or, upon the written request of the Company, the Trustee in the name and at the expense of the Company) will mail or cause to be mailed to Holders a notice that states the special record date, the related payment date and the amount of such interest to be paid.

Section 2.13. *CUSIP Numbers.*

The Company in issuing the Notes may use “CUSIP” numbers (if then generally in use) and, if so, the Trustee shall use “CUSIP” numbers in notices of redemption as a convenience to Holders; *provided*, that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. The Company will as promptly as practicable notify the Trustee in writing of any change in “CUSIP” numbers.

Section 2.14. *Additional Notes.*

The Company shall be entitled, subject to its compliance with Section 4.09 hereof, to issue Additional Notes, including Exchange Notes in respect thereof, under this Indenture in an unlimited aggregate principal amount, each of which shall have identical terms as the Initial Notes, other than with respect to the date of issuance and issue price and first payment of interest (and, if such Additional Notes shall be issued in the form of Restricted Global Notes or Restricted Definitive Notes, other than with respect to transfer restrictions, any registration rights agreement and additional interest with respect thereto).

With respect to any Additional Notes, the Company shall set forth in a resolution of its Board of Directors and an Officers’ Certificate, a copy of each which shall be delivered to the Trustee, the following information:

- (a) the aggregate principal amount of such Additional Notes to be authenticated and delivered pursuant to this Indenture; and

(b) the issue price, the issue date and the “CUSIP” number(s) of such Additional Notes; *provided, however*, that if such Additional Notes are not fungible with the Initial Notes for U.S. federal income tax purposes, such Additional Notes shall not have the same “CUSIP” number as the Initial Notes.

### ARTICLE 3 REDEMPTION AND PREPAYMENT

#### Section 3.01. *Notices to Trustee.*

If the Company elects to redeem Notes pursuant to the optional redemption provisions of Section 3.07 hereof, it must furnish to the Trustee, at least 45 days (or such shorter period acceptable to the Trustee) but not more than 60 days before a redemption date, an Officers’ Certificate setting forth:

- (1) the clause of this Indenture pursuant to which the redemption shall occur;
- (2) the redemption date;
- (3) the principal amount of Notes to be redeemed; and
- (4) the redemption price, if then ascertainable.

and stating that all conditions to such redemption have been complied with.

#### Section 3.02. *Selection of Notes to Be Redeemed or Purchased.*

If less than all of the Notes are to be redeemed or purchased in an offer to purchase at any time, the Trustee (subject to Section 4.10, as applicable) will select Notes for redemption or purchase on a *pro rata* basis, by lot or by such method as it shall deem fair and appropriate in accordance with DTC procedures or as may be required by applicable law.

In the event of partial redemption or purchase, the particular Notes to be redeemed or purchased will be selected, unless otherwise provided herein, not less than 30 nor more than 60 days prior to the redemption or purchase date by the Trustee from the outstanding Notes not previously called for redemption or purchase.

The Trustee will promptly notify the Company in writing of the Notes selected for redemption or purchase and, in the case of any Note selected for partial redemption or purchase, the principal amount thereof to be redeemed or purchased. Notes and portions of Notes selected will be in amounts of \$2,000 or whole multiples of \$1,000 in excess thereof; except that if all of the Notes of a Holder are to be redeemed or purchased, the entire outstanding amount of Notes held by such Holder shall be redeemed or purchased; *provided*, that the unredeemed or unpurchased portion of a Note must be in a minimum denomination of \$2,000. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption or purchase also apply to portions of Notes called for redemption or purchase.

Section 3.03. *Notice of Redemption.*

Subject to the provisions of Section 3.09 hereof, at least 30 days but not more than 60 days before a redemption date, the Company will mail or cause to be mailed, by first class mail, a notice of redemption to each Holder whose Notes are to be redeemed at its registered address, except that redemption notices may be mailed more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of this Indenture pursuant to Articles 8 or 11 hereof. Any notice of redemption may be subject to one or more conditions precedent.

The notice will identify the Notes to be redeemed and will state:

- (1) the redemption date;
- (2) the redemption price, or if not then ascertainable, the manner of calculation thereof;
- (3) if any Note is being redeemed in part, the portion of the principal amount of such Note to be redeemed and that, after the redemption date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note;
- (4) the name and address of the Paying Agent;
- (5) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;
- (6) that, unless the Company defaults in making such redemption payment, interest on Notes called for redemption ceases to accrue on and after the redemption date;
- (7) the paragraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed;
- (8) that no representation is made as to the correctness or accuracy of the CUSIP number, if any, listed in such notice or printed on the Notes; and
- (9) any condition to such redemption.

At the Company's request, the Trustee will give the notice of redemption in the Company's name and at its expense; *provided, however*, that the Company has delivered to the Trustee, at least 35 days prior to the redemption date (or such shorter period as is acceptable to the Trustee), an Officers' Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph.

*Section 3.04. Effect of Notice of Redemption.*

Once notice of redemption is mailed in accordance with Section 3.03 hereof, Notes called for redemption become irrevocably due and payable on the redemption date at the redemption price, subject to the satisfaction of any conditions precedent provided in such notice. The notice, if mailed in a manner herein provided shall be conclusively presumed to have been given, whether or not the Holder receives such notice. In any case, failure to give such notice by mail or any defect in the notice to the Holder of any Note designated for redemption in whole or in part shall not affect the validity of the proceedings for the redemption of any other Note. Subject to Section 3.05 hereof, on and after the redemption date, interest will cease to accrue on the Notes or portion thereof called for redemption.

*Section 3.05. Deposit of Redemption or Purchase Price.*

Prior to 10:00 a.m. Eastern Time on the redemption or purchase date, the Company will deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption or purchase price of, and accrued interest and Additional Interest, if any, on all Notes to be redeemed or purchased on that date. The Trustee or the Paying Agent will promptly return to the Company any money deposited with the Trustee or the Paying Agent by the Company in excess of the amounts necessary to pay the redemption or purchase price of, and accrued interest and Additional Interest, if any, on all Notes to be redeemed or purchased.

If the Company complies with the provisions of the preceding paragraph, on and after the redemption or purchase date, interest will cease to accrue on the Notes or the portions of Notes called for redemption or purchase. If any Note called for redemption or purchase is not so paid upon surrender for redemption or purchase because of the failure of the Company to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the redemption or purchase date until such principal is paid, and to the extent lawful on any interest not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01 hereof.

*Section 3.06. Notes Redeemed or Purchased in Part.*

Upon surrender of a Note that is redeemed or purchased in part, the Company will issue and, upon receipt of an Authentication Order, the Trustee will authenticate for the Holder at the expense of the Company a new Note equal in principal amount to the unredeemed or unpurchased portion of the Note surrendered.

*Section 3.07. Optional Redemption.*

(a) At any time prior to March 15, 2016, the Company may on any one or more occasions redeem up to 35% of the aggregate principal amount of Notes issued under this Indenture, upon not less than 30 nor more than 60 days' notice, at a redemption price equal to 106.125% of the principal amount of the Notes redeemed, plus accrued and unpaid interest and Additional Interest, if any, to the date of redemption (subject to the rights of Holders of Notes on a relevant record date to receive interest on an interest

payment date occurring on or prior to the redemption date) with the net cash proceeds of an Equity Offering by the Company or a contribution to the Company's common equity capital made with the net cash proceeds of a concurrent Equity Offering by any direct or indirect parent company of the Company; *provided that*:

(1) at least 65% of the aggregate principal amount of Notes originally issued under this Indenture (excluding Notes held by the Company, any direct or indirect parent of the Company and its Affiliates) remains outstanding immediately after the occurrence of such redemption; and

(2) the redemption occurs within 90 days of the date of the closing of such Equity Offering.

(b) At any time prior to March 15, 2016, the Company may on any one or more occasions redeem all or a part of the Notes, upon not less than 30 nor more than 60 days' notice, at a redemption price equal to 100% of the principal amount of the Notes redeemed, plus the Applicable Premium as of, and accrued and unpaid interest and Additional Interest, if any, to the applicable redemption date, subject to the rights of Holders on a relevant record date to receive interest due on an interest payment date occurring on or prior to the redemption date. Promptly after the calculation of the redemption price under this clause (b), the Company shall give the Trustee notice thereof and the Trustee shall have no responsibility for such calculation.

(c) Except pursuant to the preceding paragraphs (a) and (b), the Notes will not be redeemable at the Company's option prior to March 15, 2016.

(d) On or after March 15, 2016, the Company may on any one or more occasions redeem all or a part of the Notes, upon not less than 30 nor more than 60 days' notice, at the redemption prices (expressed as percentages of principal amount) set forth below, plus accrued and unpaid interest and Additional Interest, if any, on the Notes redeemed, to the applicable redemption date, if redeemed during the 12-month period beginning on March 15 of the years indicated below, subject to the rights of Holders on a relevant record date to receive interest on an interest payment date occurring on or prior to the redemption date:

<u>Year</u>	<u>Percentage</u>
2016	104.594%
2017	103.063%
2018	101.531%
2019 and thereafter	100.000%

Unless the Company defaults in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable redemption date.

(e) Any redemption pursuant to this Section 3.07 shall be made pursuant to the provisions of Sections 3.01 through 3.06 hereof. In connection with any redemption of

Notes pursuant to this Section 3.07 (including with the net cash proceeds of an Equity Offering), any such redemption may, at the Company's discretion, be subject to one or more conditions precedent.

Section 3.08. *Mandatory Redemption.*

The Company is not required to make mandatory redemption or sinking fund payments with respect to the Notes.

Section 3.09. *Offer to Purchase by Application of Excess Proceeds.*

In the event that, pursuant to Section 4.10 hereof, the Company is required to commence an offer to all Holders to purchase Notes (an "Asset Sale Offer"), it will follow the procedures specified below.

The Asset Sale Offer shall be made to all Holders and all holders of other Indebtedness that is *pari passu* with the Notes containing provisions similar to those set forth in this Indenture with respect to offers to purchase, prepay or redeem with the proceeds of sales of assets. The Asset Sale Offer will remain open for a period of at least 20 Business Days following its commencement and not more than 30 Business Days, except to the extent that a longer period is required by applicable law (the "Offer Period"). Promptly after the termination of the Offer Period (the "Purchase Date"), the Company will apply all Excess Proceeds (the "Offer Amount") to the purchase of Notes and such other *pari passu* Indebtedness (to be purchased on a *pro rata* basis based on the principal amount of Notes and such other *pari passu* Indebtedness tendered or required to be repaid or redeemed, and thereafter, the Trustee will select the Notes to be purchased on a *pro rata* basis based on the amount tendered (with, in each case, such adjustments as may be deemed appropriate by the Company or the Trustee, as applicable, so that only Notes in denominations of \$1,000, or an integral multiple of \$1,000 in excess thereof, will be purchased, *provided* that any unpurchased portion of a Note must be in a minimum denomination of \$2,000)) or, if less than the Offer Amount has been tendered, all Notes and other Indebtedness tendered in response to the Asset Sale Offer. Payment for any Notes so purchased will be made in the same manner as principal and interest payments are made.

If the Purchase Date is on or after an interest record date and on or before the related interest payment date, any accrued and unpaid interest and Additional Interest, if any, will be paid to the Person in whose name a Note is registered at the close of business on such record date, and no Additional Interest will be payable to Holders who tender Notes pursuant to the Asset Sale Offer.

Upon the commencement of an Asset Sale Offer, the Company will send, by first class mail, a notice to the Trustee and each of the Holders, with a copy to the Trustee. The notice will contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Asset Sale Offer. The notice, which will govern the terms of the Asset Sale Offer, will state:

(1) that the Asset Sale Offer is being made pursuant to this Section 3.09 and Section 4.10 hereof and the length of time the Asset Sale Offer will remain open;

- (2) the Offer Amount, the purchase price and the Purchase Date;
- (3) that any Note not tendered or accepted for payment will continue to accrue interest;
- (4) that, unless the Company defaults in making such payment, any Note accepted for payment pursuant to the Asset Sale Offer will cease to accrue interest after the Purchase Date;
- (5) that Holders electing to have a Note purchased pursuant to an Asset Sale Offer may elect to have Notes purchased in denominations of \$1,000 or an integral multiple of \$1,000 in excess thereof; *provided* that any unpurchased portion of a Note must be in a minimum denomination of \$2,000);
- (6) that Holders electing to have Notes purchased pursuant to any Asset Sale Offer will be required to surrender the Note, with the form entitled "Option of Holder to Elect Purchase" attached to the Notes completed, or transfer by book-entry transfer, to the Company, a depository, if appointed by the Company, or a Paying Agent at the address specified in the notice at least three Business Days before the Purchase Date;
- (7) that Holders will be entitled to withdraw their election if the Company, the Depository or the Paying Agent, as the case may be, receives, not later than the expiration of the Offer Period, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Note the Holder delivered for purchase and a statement that such Holder is withdrawing his election to have such Note purchased;
- (8) that, if the aggregate principal amount of Notes and other *pari passu* Indebtedness surrendered by holders thereof exceeds the Offer Amount, the Company will select the Notes and other *pari passu* Indebtedness to be purchased on a *pro rata* basis based on the principal amount of Notes and such other *pari passu* Indebtedness tendered or required to be prepaid or redeemed, and thereafter the Trustee will select the Notes to be purchased on a *pro rata* basis based on the amount tendered (with, in each case, such adjustments as may be deemed appropriate by the Company or the Trustee, as applicable, so that only Notes in denominations of \$1,000, or an integral multiple of \$1,000 in excess thereof, will be purchased; *provided* that any unpurchased portion of a Note must be in a minimum denomination of \$2,000); and
- (9) that Holders whose Notes were purchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered (or transferred by book-entry transfer).

On or before the Purchase Date, the Company will, to the extent lawful, accept for payment, on a *pro rata* basis to the extent necessary, the Offer Amount of Notes or portions thereof tendered pursuant to the Asset Sale Offer, or if less than the Offer Amount has been tendered, all Notes tendered, and will deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers' Certificate stating that such Notes or portions thereof were accepted for payment by the Company in accordance with the terms of this Section 3.09. The Company, the Depositary or the Paying Agent, as the case may be, will promptly mail or deliver to each tendering Holder an amount equal to the purchase price of the Notes tendered by such Holder and accepted by the Company for purchase, and the Company will promptly issue a new Note, and the Trustee, upon written request from the Company, will authenticate and mail or deliver (or cause to be transferred by book entry) such new Note to such Holder, in a principal amount equal to any unpurchased portion of the Note surrendered. Any Note not so accepted shall be promptly mailed or delivered by the Company to the Holder thereof. The Company will publicly announce the results of the Asset Sale Offer on the Purchase Date.

Other than as specifically provided in this Section 3.09, any purchase pursuant to this Section 3.09 shall be made pursuant to the provisions of Sections 3.01 through 3.06 hereof.

#### ARTICLE 4 COVENANTS

##### Section 4.01. *Payment of Notes.*

The Company will pay or cause to be paid the principal of, premium on, if any, and interest and Additional Interest, if any, on the Notes on the dates and in the manner provided in the Notes. Principal, premium, if any, and interest and Additional Interest, if any, will be considered paid on the date due if the Paying Agent, if other than the Company or a Subsidiary thereof, holds as of 11:00 a.m. Eastern Time on the due date money deposited by the Company in immediately available funds and designated for and sufficient to pay all principal, premium, if any, and interest, if any, then due. The Company will pay all Additional Interest, if any, in the same manner, to the same Persons and on the same dates as ordinary interest and in the amounts set forth in the Registration Rights Agreement.

The Company will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal at a rate that is 1% higher than the then applicable interest rate on the Notes to the extent lawful; it will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest and Additional Interest, if any (without regard to any applicable grace period), at the same stepped-up rate to the extent lawful.

Section 4.02. *Maintenance of Office or Agency.*

The Company will maintain in the Borough of Manhattan, the City of New York, an office or agency (which may be an office of the Trustee or an Affiliate of the Trustee, Registrar or co-registrar) where Notes may be surrendered for registration of transfer or for exchange and where notices and demands to or upon the Company in respect of the Notes and this Indenture may be served. The Company will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Company fails to maintain any such required office or agency or fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee.

The Company may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission will in any manner relieve the Company of its obligation to maintain an office or agency in the Borough of Manhattan, the City of New York for such purposes. The Company will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

The Company hereby designates the Corporate Trust Office of the Trustee as one such office or agency of the Company in accordance with Section 2.03 hereof.

Section 4.03. *Reports.*

(a) Whether or not required by the rules and regulations of the SEC, so long as any Notes are outstanding, the Company will furnish to the Holders of Notes (or file with the SEC for public availability), within the time periods specified in the SEC's rules and regulations:

(1) all quarterly and annual reports that would be required to be filed with the SEC on Forms 10-Q and 10-K if the Company were required to file such reports, including a "Management's Discussion and Analysis of Financial Condition and Results of Operations" and, with respect to the annual information only, a report thereon by the Company's certified independent accountants; and

(2) all current reports that would be required to be filed with the SEC on Form 8-K if the Company were required to file such reports.

All such reports will be prepared in all material respects in accordance with all of the rules and regulations applicable to such reports. In addition, the Company will file a

copy of each of the reports referred to in clauses (1) and (2) above with the SEC for public availability within the time periods specified in the rules and regulations applicable to such reports (unless the SEC will not accept such a filing). To the extent any such information is not furnished within the time periods specified above and such information is subsequently furnished (including upon becoming publicly available, by filing such information with the SEC), the Company shall be deemed to have satisfied its obligations with respect thereto as such time and any Default with respect thereto shall be deemed to have been cured.

If, at any time the Company is not subject to the periodic reporting requirements of the Exchange Act for any reason, the Company will nevertheless continue filing the reports specified in the preceding paragraphs of this Section 4.03(a) with the SEC within the time periods specified above unless the SEC will not accept such a filing. The Company will not take any action for the purpose of causing the SEC not to accept any such filings. If, notwithstanding the foregoing, the SEC will not accept the Company's filings for any reason, the Company will post the reports referred to in the preceding paragraphs on its website within the time periods that would apply if the Company were required to file those reports with the SEC.

(b) If the Company has designated any of its Subsidiaries as Unrestricted Subsidiaries, then the quarterly and annual financial information required by paragraph (a) of this Section 4.03 will include a reasonably detailed presentation, either on the face of the financial statements or in the footnotes thereto, and in Management's Discussion and Analysis of Financial Condition and Results of Operations, of the financial condition and results of operations of the Company and its Restricted Subsidiaries separate from the financial condition and results of operations of the Unrestricted Subsidiaries of the Company.

(c) For so long as any Notes remain outstanding, if at any time the Company and the Guarantors are not required to file with the SEC the reports required by paragraphs (a) and (b) of this Section 4.03, the Company and the Guarantors will furnish to the Holders and to securities analysts and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

premium on, if any, or interest or Additional Interest, if any, on the Notes is prohibited or if such event has occurred, a description of the event and what action the Company is taking or proposing to take with respect thereto.

(b) So long as any of the Notes are outstanding, the Company will promptly (which shall be no more than five (5) Business Days) deliver to the Trustee, upon any Officer becoming aware of any Default or Event of Default, an Officers' Certificate specifying such Default or Event of Default and what action the Company or the Guarantors are taking or propose to take with respect thereto.

Section 4.05. *Taxes.*

The Company will pay, and will cause each of its Subsidiaries to pay, prior to delinquency, all material taxes, assessments, and governmental levies except such as are contested in good faith and by appropriate proceedings or where the failure to effect such payment is not adverse in any material respect to the Holders of the Notes.

Section 4.06. *Stay, Extension and Usury Laws.*

The Company and each of the Guarantors covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; the Company and each of the Guarantors (to the extent that it may lawfully do so) hereby expressly waive all benefit or advantage of any such law, and covenants that it will not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law has been enacted.

Section 4.07. *Restricted Payments.*

(a) The Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly:

(1) declare or pay any dividend or make any other payment or distribution on account of the Company's or any of its Restricted Subsidiaries' Equity Interests (including, without limitation, any payment in connection with any merger or consolidation involving the Company or any of its Restricted Subsidiaries) other than (a) dividends or distributions payable in Equity Interests (other than Disqualified Stock) of the Company, and (b) dividends or distributions payable to the Company or a Restricted Subsidiary of the Company;

(4) make any Restricted Investment

(all such payments and other actions set forth in these clauses (1) through (4) above being collectively referred to as “*Restricted Payments*”), unless, at the time of and after giving effect to such Restricted Payment:

(x) no Default or Event of Default has occurred and is Continuing or would occur as a consequence of such Restricted Payment;

(y) the Company would, at the time of such Restricted Payment and after giving pro forma effect thereto as if such Restricted Payment had been made at the beginning of the applicable four-quarter period, have been permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in Section 4.09(a) hereof; and

(z) such Restricted Payment, together with the aggregate amount of all other Restricted Payments made by the Company or the Company’s Restricted Subsidiaries since the Existing Notes Issue Date (including Restricted Payments permitted by clauses (1), (13) and (18) of Section 4.07(b) and excluding Restricted Payments permitted by all other clauses of Section 4.07(b); *provided* that the calculation of Restricted Payments shall exclude the amounts paid or distributed pursuant to clause (1) of Section 4.07(b) to the extent that the declaration of such dividend or other distribution shall have previously been included as a Restricted Payment), is less than the sum, without duplication, of:

(A) 50% of the Consolidated Net Income of the Company for the period (taken as one accounting period) from January 1, 2012 to the end of the most recently ended fiscal quarter for which internal financial statements are available at the time of such Restricted Payment (or, if such Consolidated Net Income for such period is a deficit, less 100% of such deficit); *plus*

without duplication, Designated Preferred Stock), or from the issue or sale of Disqualified Stock of the Company or debt securities of the Company, in each case that have been converted into or exchanged for Qualifying Equity Interests of the Company (other than Qualifying Equity Interests and convertible or exchangeable Disqualified Stock or debt securities sold to a Subsidiary of the Company); *plus*

(C) 100% of the aggregate amount of cash and the Fair Market Value of property other than cash (as determined in accordance with Section 4.07(c) hereof) received by the Company or a Restricted Subsidiary of the Company from (A) the sale or disposition (other than to the Company or a Restricted Subsidiary of the Company) of Restricted Investments made after the Existing Notes Issue Date and from repurchases and redemptions of such Restricted Investments from the Company and its Restricted Subsidiaries by any Person (other than the Company or its Restricted Subsidiaries) and from repayments of loans or advances which constituted Restricted Investments made after the Existing Notes Issue Date (other than to the extent that such Restricted Investment was made pursuant to Section 4.07(b)(12) hereof); (B) the sale (other than to the Company and its Restricted Subsidiaries) of the Capital Stock of an Unrestricted Subsidiary; (C) a distribution or dividend from an Unrestricted Subsidiary, to the extent that such amounts were not otherwise included in the Consolidated Net Income of the Company for such period; and (D) any Restricted Investment that was made after the Existing Notes Issue Date in a Person that is not a subsidiary at such time that subsequently becomes a Restricted Subsidiary of the Company; *provided* that such amount will not exceed the amount of the Restricted Investment initially made; *plus*

(b) The provisions of Section 4.07(a) hereof will not prohibit:

(1) the payment of any dividend or the consummation of any irrevocable redemption within 60 days after the date of declaration of the dividend or giving of the redemption notice, as the case may be, if at the date of declaration or notice, the dividend or redemption payment would have complied with the provisions of this Indenture;

(2) the making of any Restricted Payment in exchange for, or out of or with the net cash proceeds of the substantially concurrent sale (other than to a Subsidiary of the Company) of, Equity Interests of the Company (other than Disqualified Stock) or from the substantially concurrent contribution of common equity capital to the Company; *provided* that the amount of any such net cash proceeds that are utilized for any such Restricted Payment will not be considered to be net proceeds of Qualifying Equity Interests for purposes of Section 4.07(a)(z)(B) hereof;

(3) the payment of any dividend (or, in the case of any partnership or limited liability company, any similar distribution) by a Restricted Subsidiary of the Company to the holders of its Equity Interests so long as the Company or a Restricted Subsidiary receives at least its *pro rata* share of such dividend or distribution;

(c) The amount of all Restricted Payments (other than cash) will be the Fair Market Value on the date of the Restricted Payment of the asset(s) or securities proposed to be transferred or issued by the Company or such Restricted Subsidiary, as the case may be, pursuant to the Restricted Payment. The Fair Market Value of any assets or securities that are required to be valued by this Section 4.07 will be determined by the Company, and in the case of any assets or securities with a Fair Market Value in excess of \$10.0 million, will be determined by the Board of Directors of the Company.

(d) For purposes of determining compliance with this Section 4.07, in the event that a Restricted Payment meets the criteria of more than one of the categories of Restricted Payments described in clauses (1) through (18) of Section 4.07(b) hereof, or is entitled to be incurred pursuant to Section 4.07(a) hereof, the Company will be entitled to classify such Restricted Payment (or portion thereof) on the date of its payment or later reclassify such Restricted Payment (or portion thereof) in any manner that complies with this Section 4.07.

(e) For the purposes of this Section 4.07, any payment made on or after the Existing Notes Issue Date, but prior to the Issue Date, shall be deemed to be a "Restricted Payment" to the extent that such payment would have been a Restricted Payment had the Indenture been in effect at the time of such payment (and, to the extent that such Restricted Payment was permitted by clause (z) or clauses (1) through (17) above or as a Permitted Investment, such Restricted Payment may be deemed by the Company to have been made pursuant to such clause).

Section 4.08. *Dividend and Other Payment Restrictions Affecting Restricted Subsidiaries.*

(a) The Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, create or permit to exist or become effective any consensual encumbrance or restriction on the ability of any Restricted Subsidiary to:

- (1) pay dividends or make any other distributions on its Capital Stock to the Company or any of its Restricted Subsidiaries, or with respect to any other interest or participation in, or measured by, its profits, or pay any Indebtedness owed to the Company or any of its Restricted Subsidiaries;

(b) The restrictions in Section 4.08(a) hereof will not apply to encumbrances or restrictions existing under or by reason of:

(1) agreements governing Existing Indebtedness and Credit Facilities as in effect on the Issue Date (or otherwise required by such agreements in existence on the Issue Date) and any amendments, restatements, modifications, renewals, supplements, refundings, replacements or refinancings of those agreements; *provided* that the amendments, restatements, modifications, renewals, supplements, refundings, replacements or refinancings are not materially more restrictive, taken as a whole, with respect to such dividend and other payment restrictions than those contained in those agreements on the Issue Date;

(2) this Indenture, the Notes and the Note Guarantees and any Exchange Notes and related Note Guarantees issued pursuant to the Registration Rights Agreement;

(3) agreements governing other Indebtedness permitted to be incurred under Section 4.09 hereof and any amendments, restatements, modifications, renewals, supplements, refundings, replacements or refinancings of those agreements; *provided* that the restrictions therein either (i) are not materially more restrictive than those contained in agreements governing Indebtedness in effect on the Issue Date, or (ii) are not materially more disadvantageous to Holders of the Notes than is customary in comparable financings (as determined by the Company in good faith) and in the case of (ii) either (x) the Company determines (in good faith) that such encumbrance or restriction will not affect the Company's ability to make principal or interest payments on the Notes or (y) such encumbrances or restrictions apply only during the continuance of a Default in respect of payment or a financial maintenance covenant relating to such Indebtedness;

- (4) applicable law, rule, regulation or order;
- (5) any instrument of a Person acquired by the Company or any of its Restricted Subsidiaries as in effect at the time of such acquisition (except to the extent such instrument was entered into in connection with or in contemplation of such acquisition), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person, or the property or assets of the Person, so acquired;
- (6) customary provisions in contracts, leases, subleases and licenses entered into in the ordinary course of business;
- (7) purchase money obligations, mortgage financings and Capital Lease Obligations that impose restrictions on the property purchased or leased of the nature described in clause (3) of Section 4.08(a) hereof;
- (8) contracts for the sale of assets, including any agreement for the sale or other disposition of a Restricted Subsidiary or all or substantially all of the assets of such Restricted Subsidiary in compliance with the terms of this Indenture pending such sale or other disposition;
- (9) Permitted Refinancing Indebtedness; *provided* that the restrictions contained in the agreements governing such Permitted Refinancing Indebtedness are not materially more restrictive, taken as a whole, than those contained in the agreements governing the Indebtedness being refinanced;
- (10) Secured Indebtedness otherwise permitted to be incurred pursuant to Section 4.09 hereof and Liens permitted to be incurred pursuant to the provisions of Section 4.12 hereof, in each case, that limit the right of the debtor to dispose of the assets subject to such Liens;
- (11) provisions limiting the disposition or distribution of assets or property in joint venture agreements, asset sale agreements, sale-leaseback agreements, stock sale agreements and other similar agreements (including agreements entered into in connection with a Restricted Investment), which limitation is applicable only to the assets or Persons that are the subject of such agreements;
- (12) restrictions on cash or other deposits or net worth imposed by customers under agreements entered into in the ordinary course of business;

(16) Hedging Obligations entered into in the ordinary course of business and not for speculative purposes;

(17) any encumbrances or restrictions of the type referred to in Section 4.08(a)(1), (2) and (3) hereof imposed by any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings of the contracts, instruments or obligations referred to in clauses (1) through (16) above; *provided* that such amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings are, in the good faith judgment of the Company, not materially more restrictive as a whole with respect to such dividend and other payment restrictions than those contained in the dividend or other payment restrictions prior to such amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing; and

(18) agreements relating to HUD Financing and any amendments of those agreements.

Section 4.09. *Incurrence of Indebtedness and Issuance of Preferred Stock.*

(a) The Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, issue, assume, guarantee or otherwise become directly or indirectly liable, contingently or otherwise, with respect to (collectively, "*incur*") any Indebtedness (including Acquired Debt), and the Company will not issue any Disqualified Stock and will not permit any of its Restricted Subsidiaries to issue any shares of Preferred Stock; *provided, however*, that the Company may incur Indebtedness (including Acquired Debt) or issue Disqualified Stock, and any Guarantor may incur Indebtedness (including Acquired Debt) or issue Preferred Stock, if the Fixed Charge Coverage Ratio for the Company's most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date on which such additional Indebtedness is incurred or such Disqualified Stock or such Preferred Stock is issued, as the case may be, would have been at least 2.0 to 1.0, determined on a pro forma basis (including a pro forma application of the net proceeds therefrom), as if the additional Indebtedness had been incurred or the Disqualified Stock or the Preferred Stock had been issued, as the case may be, at the beginning of such four-quarter period.

(b) The provisions of Section 4.09(a) hereof will not prohibit the incurrence of any of the following (collectively, "*Permitted Debt*"):

(1) the incurrence by the Company and any Restricted Subsidiary of the Company of Indebtedness and letters of credit and bankers' acceptances under Credit Facilities in an aggregate principal amount at any one time outstanding under this clause (1) (with letters of credit and bankers' acceptances being

deemed to have a principal amount equal to the maximum potential liability of the Company and its Restricted Subsidiaries thereunder) not to exceed (i) \$450 million, *less* (ii) the aggregate amount of all Net Proceeds of Asset Sales required to be applied by the Company or any of its Restricted Subsidiaries since the Issue Date to repay any term Indebtedness under a Credit Facility or to repay any revolving credit Indebtedness under a Credit Facility and effect a corresponding commitment reduction thereunder pursuant Section 4.10 hereof, *plus* (iii) in the case of any refinancing of any Indebtedness permitted under this clause (1) or any portion thereof, the aggregate amount of customary underwriting discounts, premiums and other costs and expenses incurred in connection with such refinancing;

(2) the incurrence by the Company and its Restricted Subsidiaries of the Existing Indebtedness (other than Indebtedness described in clauses (1) and (3) of this Section 4.09(b));

(3) the incurrence by the Company and the Guarantors of Indebtedness represented by the Notes and the related Note Guarantees to be issued on the Issue Date and any Exchange Notes and related Note Guarantees issued pursuant to the Registration Rights Agreement;

(4) Indebtedness incurred by the Company or any of its Restricted Subsidiaries, including Indebtedness represented by Capital Lease Obligations, mortgage financings or purchase money obligations (including such Indebtedness as lessee or guarantor), in each case, incurred for the purpose of financing all or any part of the acquisition, lease or cost of design, construction, installation or improvement of property, plant or equipment used or useful in a Permitted Business, whether through the direct purchase of assets or the Capital Stock of any Person owning such assets, in an aggregate principal amount, including all Indebtedness incurred to renew, refund, refinance, replace, defease or discharge any Indebtedness incurred pursuant to this clause (4), not to exceed the greater of (a) \$15.0 million and (b) 2.0% of Total Assets at the time of incurrence, at any one time outstanding;

(5) the incurrence by the Company or any of its Restricted Subsidiaries of Permitted Refinancing Indebtedness in exchange for, or the net proceeds of which are used to renew, refund, refinance, replace, defease or discharge, any Indebtedness (other than intercompany Indebtedness) that was permitted by this Indenture to be incurred under Section 4.09(a) hereof or clauses (2), (3), this clause (5) or clause (13) of this Section 4.09(b);

(6) the incurrence by the Company or any of its Restricted Subsidiaries of intercompany Indebtedness between or among the Company and any of its Restricted Subsidiaries; *provided, however*, that:

(A) if the Company or any Guarantor is the obligor on such Indebtedness and the payee is not the Company or a Guarantor, such

Indebtedness must be unsecured and expressly subordinated to the prior payment in full in cash of all Obligations then due with respect to the Notes, in the case of the Company, or the Note Guarantee, in the case of a Guarantor; and

(B) (i) any subsequent issuance or transfer of Equity Interests that results in any such Indebtedness being held by a Person other than the Company or a Restricted Subsidiary of the Company, and (ii) any sale or other transfer of any such Indebtedness to a Person that is not either the Company or a Restricted Subsidiary of the Company, will be deemed, in each case, to constitute an issuance of such Indebtedness by the Company or such Restricted Subsidiary, as the case may be, that was not permitted by this clause (6);

(7) the issuance by any of the Company's Restricted Subsidiaries to the Company or to any Restricted Subsidiary of the Company of shares of Preferred Stock; *provided, however*, that:

(A) any subsequent issuance or transfer of Equity Interests that results in any such Preferred Stock being held by a Person other than the Company or a Restricted Subsidiary of the Company; and

(B) any sale or other transfer of any such Preferred Stock to a Person that is not either the Company or a Restricted Subsidiary of the Company, will be deemed, in each case, to constitute an issuance of such Preferred Stock by such Restricted Subsidiary that was not permitted by this clause (7);

(8) the incurrence by the Company or any of the Company's Restricted Subsidiaries of Hedging Obligations in the ordinary course of business and not for speculative purposes;

(9) the Guarantee by the Company or any Restricted Subsidiary of the Company of Indebtedness of the Company or a Restricted Subsidiary of the Company, in each case, to the extent that the guaranteed Indebtedness was permitted to be incurred by another provision of this Section 4.09; *provided* that if the Indebtedness being guaranteed is subordinated to or *pari passu* with the Notes, then the Guarantee must be subordinated or *pari passu*, as applicable, to the same extent as the Indebtedness guaranteed;

(10) the incurrence by the Company or any of the Company's Restricted Subsidiaries of Indebtedness in respect of letters of credit, bank guarantees, workers' compensation claims, self-insurance obligations, bankers' acceptances, guarantees, performance, surety, statutory, bid, appeal, completion, export or import, indemnities, customs, revenue bonds or similar instruments in the ordinary course of business, including guarantees or obligations with respect thereto (in each case other than for an obligation for money borrowed); *provided, however* that upon the drawing of any letters of credit, such obligations are reimbursed within 30 days following such drawing;

(11) the incurrence by the Company or any of the Company's Restricted Subsidiaries of Indebtedness arising from the honoring by a bank or other financial institution of a check, draft or similar instrument inadvertently drawn against insufficient funds, so long as such Indebtedness is covered within 10 Business Days and any Indebtedness arising from Treasury Management Arrangements incurred in the ordinary course of business;

(12) the incurrence by Foreign Subsidiaries of Indebtedness in an aggregate principal amount not to exceed \$2.5 million (or the equivalent thereof, measured at the time of each incurrence, in the applicable foreign currency), at any one time outstanding;

(13) Indebtedness of any Person outstanding on the date such Person was acquired by the Company or a Restricted Subsidiary of the Company or was merged with or into or consolidated with the Company or a Restricted Subsidiary of the Company; *provided* that, on the date that such Person is acquired by the Company or a Restricted Subsidiary of the Company and after giving effect to the incurrence of such Indebtedness and the acquisition of such Person pursuant to this clause (13), the Company would have been able to incur \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in Section 4.09(a) hereof;

(14) the incurrence by the Company or its Restricted Subsidiaries of Indebtedness arising from agreements providing for indemnification, adjustment of purchase price, earn-out or similar obligations, incurred in connection with the acquisition or disposition of any business, assets or Restricted Subsidiary of the Company (other than Guarantees of Indebtedness incurred by any Person acquiring all or any portion of such business, assets or Restricted Subsidiary for the purpose of financing such acquisition) or other investment in a business or Person, so long as, in the case of any disposition, the principal amount of such Indebtedness does not exceed the gross proceeds (including non-cash proceeds) actually received by the Company or any Restricted Subsidiary of the Company in connection with such transactions;

(15) the incurrence by the Company or any of its Restricted Subsidiaries of Indebtedness arising in connection with endorsement of instruments for collection or deposit in the ordinary course of business;

(16) the incurrence by the Company or any of its Restricted Subsidiaries of Indebtedness consisting of obligations to pay insurance premiums in an amount not to exceed the annual premiums in respect of such insurance premiums at any one time outstanding;

(17) Indebtedness of the Company or any of its Restricted Subsidiaries, the proceeds of which are applied to defease or discharge the Notes pursuant to Articles 8 or 11 hereof;

(18) take-or-pay obligations contained in supply arrangements entered into by the Company or a Restricted Subsidiary of the Company in the ordinary course of business;

(19) Indebtedness related to unfunded pension fund and other employee benefit plan obligations and liabilities to the extent they are permitted to remain unfunded under applicable law;

(20) the incurrence by the Company or any of its Restricted Subsidiaries of additional Indebtedness or the issuance by the Company of Disqualified Stock or the issuance by any Restricted Subsidiary of Preferred Stock in an aggregate principal amount (or accreted value, as applicable) or liquidation value at any time outstanding, including all Indebtedness incurred to renew, refund, refinance, replace, defease or discharge any Indebtedness or liquidation value incurred pursuant to this clause (20), not to exceed the greater of (a) \$20.0 million and (b) 3.0% of Total Assets at the time of incurrence, at any one time outstanding, *provided* that any Indebtedness or Disqualified Stock incurred or issued pursuant to this clause (20) shall cease to be deemed incurred or outstanding for purposes of this clause (20) but shall be deemed incurred for purposes of Section 4.09(a) hereof from and after the first date on which the Company or the related Restricted Subsidiary could have incurred such Indebtedness or issued such Disqualified Stock under Section 4.09(a) hereof without reliance on this clause (20) and, with respect to any Indebtedness secured by a Lien, the Secured Leverage Ratio would not exceed 3.5 to 1.0 following such redesignation;

(21) Indebtedness of the Company or any of its Restricted Subsidiaries supported by a letter of credit issued pursuant to the Credit Facilities in a principal amount not in excess of the stated amount of such letter of credit;

(22) the incurrence of any Physician Support Obligations by the Company or any Restricted Subsidiary, in an amount not to exceed \$4.0 million at any one time outstanding; and

(23) HUD Financings incurred after the Issue Date in an aggregate principal amount not to exceed \$20.0 million outstanding at any time.

The Company will not incur, and will not permit any Guarantor to incur, any Indebtedness (including Permitted Debt but excluding intercompany Indebtedness) that is contractually subordinated in right of payment to any other Indebtedness of the Company or such Guarantor unless such Indebtedness is also contractually subordinated in right of payment to the Notes and the applicable Note Guarantee on substantially identical terms; *provided, however*, that no Indebtedness will be deemed to be contractually subordinated in right of payment to any other Indebtedness of the Company solely by virtue of being unsecured or by virtue of being secured on a junior priority basis.

For purposes of determining compliance with this Section 4.09, in the event that an item of Indebtedness meets the criteria of more than one of the categories of Permitted Debt described in clauses (1) through (23) above, or is entitled to be incurred pursuant to Section 4.09(a) hereof, the Company will be permitted to classify such item of Indebtedness on the date of its incurrence, or later reclassify all or a portion of such item of Indebtedness, in any manner that complies with this Section 4.09; *provided* that Indebtedness under Credit Facilities outstanding on the date on which the Notes are first issued and authenticated under this Indenture will be deemed to have been incurred in reliance on the exception provided by clause (1) of the definition of "Permitted Debt" and may not be later reclassified. The accrual of interest or Preferred Stock dividends, the accretion or amortization of original issue discount, the payment of interest on any Indebtedness in the form of additional Indebtedness with the same terms, the reclassification of Preferred Stock as Indebtedness due to a change in accounting principles, and the payment of dividends on Preferred Stock or Disqualified Stock in the form of additional shares of Preferred Stock or Disqualified Stock will not be deemed to be an incurrence of Indebtedness or an issuance of Preferred Stock or Disqualified Stock for purposes of this Section 4.09 or Section 4.12 hereof; *provided*, in each such case, that the amount thereof shall be included in Fixed Charges of the Company as accrued. For purposes of determining compliance with any U.S. dollar-denominated restriction on the incurrence of Indebtedness, the U.S. dollar-equivalent principal amount of Indebtedness denominated in a foreign currency shall be utilized, calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred. Notwithstanding any other provision of this Section 4.09, the maximum amount of Indebtedness that the Company or any Restricted Subsidiary of the Company may incur pursuant to this Section 4.09 shall not be deemed to be exceeded solely as a result of fluctuations in exchange rates or currency values following the incurrence of such Indebtedness.

The amount of any Indebtedness outstanding as of any date will be:

- (1) the accreted value of the Indebtedness, in the case of any Indebtedness issued with original issue discount;
- (2) the principal amount of the Indebtedness, in the case of any other Indebtedness; and
- (3) in respect of Indebtedness of another Person secured by a Lien on the assets of the specified Person, the lesser of:
  - (A) the Fair Market Value of such assets at the date of determination; and
  - (B) the amount of the Indebtedness of the other Person.

(a) The Company will not, and will not permit any of the Company's Restricted Subsidiaries to, consummate an Asset Sale unless:

(1) the Company (or the Restricted Subsidiary, as the case may be) receives consideration (including by way of relief from, or by any other Person assuming responsibility for, any liabilities, contingent or otherwise) at the time of the Asset Sale at least equal to the Fair Market Value (measured as of the date of the definitive agreement with respect to such Asset Sale) of the assets or Equity Interests issued or sold or otherwise disposed of; and

(2) except in the case of a Permitted Asset Swap, at least 75% of the consideration received in the Asset Sale by the Company or such Restricted Subsidiary is in the form of cash or Cash Equivalents. For purposes of this provision, each of the following will be deemed to be cash:

(A) any liabilities, as shown on the Company's most recent consolidated balance sheet or the notes thereto, of the Company or any Restricted Subsidiary of the Company (other than liabilities that are by their terms subordinated to the Notes or any Note Guarantee) that are assumed by the transferee of any such assets pursuant to a customary novation or indemnity agreement that releases the Company or such Restricted Subsidiary from or indemnifies against further liability;

(B) any securities, notes or other obligations received by the Company or any such Restricted Subsidiary of the Company from such transferee that are, within 180 days, converted by the Company or such Restricted Subsidiary into cash, to the extent of the cash received in that conversion;

(C) any Designated Non-cash Consideration received by the Company or any of its Restricted Subsidiaries in such Asset Sale having an aggregate Fair Market Value, taken together with all other Designated Non-cash Consideration received pursuant to this clause (C) that is at that time outstanding, not to exceed the greater of (x) \$5.0 million and (y) 1.5% of Total Assets at the time of the receipt of such Designated Non-cash Consideration (with the Fair Market Value of each item of Designated Non-cash Consideration being measured at the time received and without giving effect to subsequent changes in value);

(D) consideration consisting of Indebtedness of the Company or any Restricted Subsidiary of the Company that is not subordinated Indebtedness; and

(E) Indebtedness of any Restricted Subsidiary that is no longer a Restricted Subsidiary as a result of such Asset Sale, to the extent that the Company and each other Restricted Subsidiary are released from any payment obligations with respect to such Indebtedness or any Guarantee of payment of such Indebtedness in connection with such Asset Sale.

(b) Within 365 days after the receipt of any Net Proceeds from an Asset Sale, the Company (or the applicable Restricted Subsidiary, as the case may be) may apply such Net Proceeds:

(1) to reduce Indebtedness and other Obligations under or pursuant to a Credit Facility or any Secured Indebtedness (unless the Notes are then secured by a priority or *pari passu* lien) of the Company or any Restricted Subsidiary and, if the Indebtedness repaid is revolving credit Indebtedness, to correspondingly reduce commitments with respect thereto;

(2) to reduce Indebtedness and other Obligations of a Restricted Subsidiary that is not a Guarantor (other than Indebtedness owed to the Company or a Restricted Subsidiary of the Company);

(3) to repay (i) Indebtedness or other Obligations of the Company that rank *pari passu* with the Notes or (ii) Indebtedness and other Obligations of a Guarantor that rank *pari passu* with such Guarantor's Note Guarantee (other than Indebtedness owed to the Company or a Restricted Subsidiary of the Company); *provided* that the Company shall equally and ratably redeem or repurchase the Notes pursuant to Section 3.07 hereof, or by making an offer (in accordance with the procedures set forth below for an Asset Sale Offer) to all Holders to purchase the Notes at 100% of the principal amount thereof, plus accrued and unpaid interest, if any, to but not including the date of repayment;

(4) to acquire all or substantially all of the assets of, or any Capital Stock of, another Permitted Business, if, after giving effect to any such acquisition of Capital Stock, the Permitted Business is or becomes a Restricted Subsidiary of the Company;

(5) to make a capital expenditure;

(6) to acquire other assets that are not classified as current assets under GAAP and that are used or useful in a Permitted Business; or

(7) any combination of the foregoing.

The Company will be deemed to have complied with the provisions set forth in clause (4), (5) and (6) of this Section 4.10(b) if within 365 days after the Asset Sale that generated the Net Proceeds, the Company (or the applicable Restricted Subsidiary) has entered into and not abandoned or rejected a binding agreement to acquire all or substantially all of the assets of, or any Capital Stock of, another Permitted Business or to make a capital expenditure or acquire other assets that are not classified as current assets under GAAP and that are used or useful in a Permitted Business and that acquisition or capital expenditure is thereafter completed within 180 days after the end of such 365-day period.

Pending the final application of any Net Proceeds, the Company (or the applicable Restricted Subsidiary) may temporarily reduce revolving credit borrowings or otherwise invest the Net Proceeds in any manner that is not prohibited by this Indenture.

(c) Any Net Proceeds from Asset Sales that are not applied or invested as provided in Section 4.10(b) hereof will constitute “*Excess Proceeds*.” When the aggregate amount of Excess Proceeds exceeds \$15.0 million, within 30 days thereof, the Company will make an Asset Sale Offer to all Holders of Notes and all holders of Indebtedness of the Company that ranks *pari passu* with the Notes and containing provisions similar to those set forth in this Indenture with respect to offers to purchase, prepay or redeem with the proceeds of sales of assets to purchase, prepay or redeem on a *pro rata* basis the maximum principal amount (or accreted value, if applicable) of Notes and such other *pari passu* Indebtedness (plus all accrued interest on the Indebtedness and the amount of all fees and expenses, including premiums, incurred in connection therewith) that may be purchased, prepaid or redeemed out of the Excess Proceeds. The offer price in any Asset Sale Offer will be equal to 100% of the principal amount, plus accrued and unpaid interest and Additional Interest, if any, to but not including the date of purchase, prepayment or redemption, subject to the rights of Holders of Notes on a relevant record date to receive interest due on an interest payment date occurring on or prior to the Purchase Date, and will be payable in cash. If any Excess Proceeds remain after consummation of an Asset Sale Offer, the Company may use those Excess Proceeds for any purpose not otherwise prohibited by this Indenture. If the aggregate principal amount of Notes and other *pari passu* Indebtedness tendered in (or required to be prepaid or redeemed in connection with) such Asset Sale Offer exceeds the amount of Excess Proceeds, the Company will select the Notes and such other *pari passu* Indebtedness to be purchased on a *pro rata* basis, based on the amounts tendered or required to be prepaid or redeemed, and thereafter the Trustee will select the Notes to be purchased on a *pro rata* basis based on the amount tendered (with, in each case, such adjustments as may be deemed appropriate by the Company or the Trustee, as applicable, so that only Notes in denominations of \$1,000, or an integral multiple of \$1,000 in excess thereof, will be purchased, *provided* that any unpurchased portion of a Note must be in a minimum denomination of \$2,000). Upon completion of each Asset Sale Offer, the amount of Excess Proceeds will be reset at zero.

(d) The Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with each repurchase of Notes pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of Section 3.09 hereof or this Section 4.10, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under Section 3.09 hereof or this Section 4.10 by virtue of such compliance.

#### Section 4.11. *Transactions with Affiliates.*

(a) The Company will not, and will not permit any of its Restricted Subsidiaries to, make any payment to or sell, lease, transfer or otherwise dispose of any of its

properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of the Company (each, an "*Affiliate Transaction*") involving aggregate payments or consideration in excess of \$1.0 million, unless:

(1) the Affiliate Transaction is on terms that are not materially less favorable to the Company, taken as a whole, or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Company or such Restricted Subsidiary with an unrelated Person;

(2) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of \$10.0 million, the Company delivers to the Trustee a resolution of the Board of Directors of the Company set forth in an Officers' Certificate certifying that such Affiliate Transaction complies with clause (1) of this Section 4.11(a); and

(3) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of \$30.0 million, the Company delivers to the Trustee an opinion as to the fairness to the Company or such Restricted Subsidiary of such Affiliate Transaction from an Independent Financial Advisor.

(b) The following items will not be deemed to be Affiliate Transactions and, therefore, will not be subject to the provisions of Section 4.11(a) hereof:

(1) any employment agreement, consulting agreement, severance agreement, employee benefit plan, compensation arrangement, officer or director indemnification agreement or any similar arrangement entered into by, or policy of, the Company or any of its Restricted Subsidiaries and payments pursuant thereto;

(2) transactions between or among the Company and/or its Restricted Subsidiaries;

(3) transactions with a Person (other than an Unrestricted Subsidiary of the Company) that is an Affiliate of the Company solely because the Company owns, directly or through a Restricted Subsidiary, an Equity Interest in, or controls, such Person;

(4) payment of fees and reimbursements of expenses (pursuant to indemnity arrangements or otherwise) of officers, directors, employees or consultants of the Company or any of its Restricted Subsidiaries or any direct or indirect parent of the Company;

(5) any issuance of Equity Interests (other than Disqualified Stock) of the Company or any direct or indirect parent company of the Company to Affiliates of the Company;

- (6) (a) Restricted Payments that do not violate Section 4.07 hereof and (b) Permitted Investments;
- (7) sales of Equity Interests of the Company or any direct or indirect parent of the Company to Affiliates of the Company or its Restricted Subsidiaries not otherwise prohibited by this Indenture and the granting of registration and other customary rights in connection therewith;
- (8) transactions with an Affiliate where the only consideration paid is Qualifying Equity Interests of the Company;
- (9) transactions in which the Company or any of its Restricted Subsidiaries, as the case may be, delivers to the Trustee a letter from an Independent Financial Advisor stating that such transaction (i) is fair to the Company or such Restricted Subsidiary from a financial point of view or (ii) meets the requirements of Section 4.11(a)(1) hereof;
- (10) payments or loans (or cancellation of loans) to employees or consultants in the ordinary course of business;
- (11) any agreement as in effect as of the Issue Date or any amendment thereto (so long as any such agreement together with all amendments thereto, taken as a whole, is not more disadvantageous to the Holders of the Notes in any material respect than the original agreement as in effect on the Issue Date) or any transaction contemplated thereby;
- (12) transactions with joint ventures or Unrestricted Subsidiaries entered into in the ordinary course of business;
- (13) any contributions to the common equity capital of the Company;
- (14) pledges of Equity Interests of Unrestricted Subsidiaries;
- (15) the issuances of securities or other payments, awards or grants in cash, securities or otherwise pursuant to, or the funding of, employment arrangements, stock option and stock ownership plans or similar employee benefit plans approved by the Board of Directors of the Company or any direct or indirect parent of the Company, or of a Restricted Subsidiary of the Company, as appropriate, in good faith;
- (16) the entry into any tax-sharing arrangements between the Company or any of its Restricted Subsidiaries and any of their direct or indirect parents; *provided, however*, that any payment made by the Company or any of its Restricted Subsidiaries under such tax-sharing arrangements is, at the time made, otherwise permitted by Section 4.07 hereof;
- (17) transactions with customers, clients, lessors, landlords, suppliers, contractors, or purchasers or sellers of good or services that are Affiliates, in each

case, in the ordinary course of business and otherwise in compliance with the terms of this Indenture which are fair to the Company and its Restricted Subsidiaries, in the reasonable determination of the Board of Directors of the Company; and

(18) transactions between the Company and any of the Company's Restricted Subsidiaries and any Person a director of which is also a director of the Company or any direct or indirect parent of the Company; *provided, however*, that such director abstains from voting as a director of the Company.

Section 4.12. *Liens.*

(a) The Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur or assume any Lien of any kind securing Indebtedness on any asset now owned or hereafter acquired, except Permitted Liens, unless:

(1) in the case of Liens securing subordinated Indebtedness, the Notes and the Note Guarantees are secured by a Lien on such property, assets or proceeds that is senior in priority to such Liens; or

(2) in all other cases, the Notes and the Note Guarantees are equally and ratably secured.

(b) Any Lien created for the benefit of the Holders of the Notes pursuant to this Section 4.12 shall be deemed automatically and unconditionally released and discharged upon the release and discharge of each of the Liens described in clauses (1) and (2) of Section 4.12(a) hereof.

Section 4.13. *Corporate Existence.*

Subject to Article 5 hereof, the Company shall do or cause to be done all things necessary to preserve and keep in full force and effect:

(1) its corporate existence, and the corporate, partnership or other existence of each of the Company's Restricted Subsidiaries, in accordance with the respective organizational documents (as the same may be amended from time to time) of the Company or any such Restricted Subsidiary; and

(2) the rights (charter and statutory), licenses and franchises of the Company and its Subsidiaries;

*provided, however*, that the Company shall not be required to preserve any such right, license or franchise, or the corporate, partnership or other existence of any of the Company's Subsidiaries, if the Board of Directors of the Company shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Company and its Restricted Subsidiaries, taken as a whole.

Section 4.14. *Offer to Repurchase Upon Change of Control.*

(a) If a Change of Control occurs, each Holder of Notes will have the right to require the Company to repurchase all or any part (equal to \$1,000 or an integral multiple of \$1,000 in excess thereof) of that Holder's Notes pursuant to an offer (a "*Change of Control Offer*") on the terms set forth in this Indenture (provided, that any unpurchased portion of a Note must be in a minimum denomination of \$2,000) at a purchase price in cash (the "*Change of Control Payment*") equal to 101% of the aggregate principal amount of Notes repurchased, plus accrued and unpaid interest and Additional Interest, if any, on the Notes repurchased to but excluding the date of purchase (the "*Change of Control Payment Date*"), subject to the rights of Holders of Notes on a relevant record date to receive interest due on an interest payment date occurring on or prior to the Change of Control Payment Date (it being understood that to the extent any cash proceeds of a Change of Control are required to prepay the Obligations under the Credit Agreement pursuant to the terms thereof, the Company will be required to first apply such cash proceeds to prepay such Obligations under the Credit Agreement but the Company will still be required to make a Change of Control Offer as set forth in this Section 4.14). Within 30 days following any Change of Control, except to the extent the Company has delivered notice to the Trustee of its intention to redeem Notes pursuant to Section 3.07 hereof, the Company will mail a notice to each Holder describing the transaction or transactions that constitute the Change of Control and stating:

- (1) that the Change of Control Offer is being made pursuant to this Section 4.14 and that all Notes tendered will be accepted for payment;
- (2) the purchase price and the Change of Control Payment Date, which shall be no earlier than 30 days and no later than 60 days from the date such notice is mailed;
- (3) that any Note not tendered will continue to accrue interest;
- (4) that, unless the Company defaults in the payment of the Change of Control Payment, all Notes accepted for payment pursuant to the Change of Control Offer will cease to accrue interest after the Change of Control Payment Date;
- (5) that Holders electing to have any Notes purchased pursuant to a Change of Control Offer will be required to surrender the Notes, with the form entitled "Option of Holder to Elect Purchase" attached to the Notes completed, or transfer by book-entry transfer, to the Paying Agent at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;
- (6) that Holders will be entitled to withdraw their election if the Paying Agent receives, not later than the close of business on the fifth Business Day preceding the Change of Control Payment Date, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of Notes delivered for purchase, and a statement that such Holder is withdrawing his election to have the Notes purchased; and
- (7) that Holders whose Notes are being purchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered, which unpurchased portion must be equal to \$2,000 in principal amount or an integral multiple of \$1,000 in excess thereof.

The Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.14, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Section 4.14 by virtue of such compliance.

(b) On the Change of Control Payment Date, the Company will, to the extent lawful:

(1) accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;

(2) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and

(3) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers' Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by the Company.

The Paying Agent will promptly mail to each Holder of Notes properly tendered the Change of Control Payment for such Notes, and the Trustee will promptly authenticate and mail (or cause to be transferred by book entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any. The Company will publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

(c) Notwithstanding anything to the contrary in this Section 4.14, the Company will not be required to make a Change of Control Offer upon a Change of Control if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Section 4.14 and purchases all Notes properly tendered and not withdrawn under the Change of Control Offer, or (2) notice of redemption has been given to the Trustee pursuant to Section 3.07 hereof, unless and until there is a default in payment of the applicable redemption price.

(d) Notwithstanding anything to the contrary contained herein, a Change of Control Offer may be made in advance of a Change of Control, or conditioned upon the consummation of such Change of Control, if a definitive agreement is in place for the Change of Control at the time the Change of Control Offer is made.

Section 4.15. *Payments for Consent.*

The Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, pay or cause to be paid any consideration to or for the benefit of any Holder of Notes for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Notes unless such consideration is offered to be paid and is paid to all Holders of the Notes that consent, waive or agree to amend in the time frame set forth in the solicitation documents relating to such consent, waiver or agreement.

Section 4.16. *Additional Note Guarantees.*

If the Company or any of its Restricted Subsidiaries acquires or creates another Wholly Owned Restricted Subsidiary that is a Domestic Subsidiary that guarantees payment by the Company of Indebtedness under any Credit Facility (including, for the avoidance of doubt, any Indebtedness that would satisfy clause (2) of the definition of “Indebtedness”) after the Issue Date, then that newly acquired or created Wholly Owned Restricted Subsidiary that is a Domestic Subsidiary will become a Guarantor and execute a supplemental indenture substantially in the form of Exhibit F hereto within 30 days of the date on which it guarantees such Indebtedness; *provided* that the foregoing shall not apply to (i) HUD Financing Subsidiaries, (ii) any Insurance Subsidiary and (iii) Subsidiaries that have been properly designated as Unrestricted Subsidiaries in accordance with Section 4.17 hereof.

Section 4.17. *Designation of Restricted and Unrestricted Subsidiaries.*

The Board of Directors of the Company may designate any Restricted Subsidiary to be an Unrestricted Subsidiary if that designation would not cause a Default. If a Restricted Subsidiary is designated as an Unrestricted Subsidiary, the aggregate Fair Market Value of all outstanding Investments owned by the Company and its Restricted Subsidiaries in the Subsidiary designated as Unrestricted will be deemed to be an Investment made as of the time of the designation and will reduce the amount available for Restricted Payments under Section 4.07 hereof or under one or more clauses of the definition of “Permitted Investments”, as determined by the Company. That designation will only be permitted if the Investment would be permitted at that time and if the Restricted Subsidiary otherwise meets the definition of an Unrestricted Subsidiary. Subject to the next succeeding paragraph, the Board of Directors of the Company may redesignate any Unrestricted Subsidiary to be a Restricted Subsidiary if that redesignation would not cause a Default.

Any designation of a Subsidiary of the Company as an Unrestricted Subsidiary will be evidenced to the Trustee by filing with the Trustee a certified copy of a resolution of the Board of Directors of the Company giving effect to such designation and an Officers’ Certificate certifying that such designation complied with the preceding

conditions and was permitted by Section 4.07 hereof. If, at any time, any Unrestricted Subsidiary would fail to meet the preceding requirements as an Unrestricted Subsidiary, it will thereafter cease to be an Unrestricted Subsidiary for purposes of this Indenture and any Indebtedness of such Subsidiary will be deemed to be incurred by a Restricted Subsidiary of the Company as of such date and, if such Indebtedness is not permitted to be incurred as of such date under Section 4.09 hereof, the Company will be in default of Section 4.09 hereof. The Board of Directors of the Company may at any time designate any Unrestricted Subsidiary to be a Restricted Subsidiary of the Company; *provided* that such designation will be deemed to be an incurrence of Indebtedness by a Restricted Subsidiary of the Company of any outstanding Indebtedness of such Unrestricted Subsidiary, and such designation will only be permitted if (1) such Indebtedness is permitted by Section 4.09 hereof, calculated on a pro forma basis as if such designation had occurred at the beginning of the applicable reference period; and (2) no Default or Event of Default would be in existence following such designation.

Section 4.18. *Changes in Covenants When Notes Rated Investment Grade.*

If on any date following the Issue Date:

(1) the Notes are rated Baa3 or better by Moody's and BBB- or better by S&P (or, if either such entity ceases to rate the Notes for reasons outside of the control of the Company, the equivalent investment grade credit rating from any other "nationally recognized statistical rating organization" within the meaning of Section 3(a)(62) of the Exchange Act selected by the Company as a replacement agency); and

(2) no Default or Event of Default shall have occurred and be Continuing,

then, beginning on that day and Continuing at all times thereafter and subject to the provisions of the following paragraph, Sections 4.07, 4.08, 4.09, 4.10, 4.11, 4.16 and 5.01(4) hereof (collectively, the "*Suspended Covenants*") will be suspended.

During any period that the Suspended Covenants have been suspended, the Company's Board of Directors may not designate any of its Subsidiaries as Unrestricted Subsidiaries pursuant to Section 4.17 hereof unless the Company's Board of Directors would have been able, under the terms of this Indenture, to designate such Subsidiaries as Unrestricted Subsidiaries if the Suspended Covenants were not suspended. Notwithstanding that the Suspended Covenants may be reinstated, the failure to comply with the Suspended Covenants during the Suspension Period (including any action taken or omitted to be taken with respect thereto) will not give rise to a Default or Event of Default under this Indenture.

Notwithstanding the foregoing, if the rating assigned by either such rating agency should subsequently decline to below Baa3 or BBB-, respectively, the Suspended Covenants will be reinstated as of and from the date of such rating decline (any such date, a "*Reversion Date*"). The period of time between the suspension of covenants as set

forth above and the Reversion Date is referred to as the “*Suspension Period.*” All Indebtedness incurred (including Acquired Debt) and Disqualified Stock or preferred stock issued during the Suspension Period will be deemed to have been incurred or issued in reliance on the exception provided by clause (2) of the definition of Permitted Debt. Calculations under the reinstated Section 4.07 hereof will be made as if Section 4.07 hereof had been in effect prior to, but not during, the period that Section 4.07 hereof was suspended as set forth above; *provided* that any Restricted Payment made during the Suspension Period shall in no event reduce the amount of Restricted Payments permitted by Section 4.07(a) below zero; *provided, further*, for the sake of clarity, that no Default or Event of Default will be deemed to have occurred solely by reason of a Restricted Payment made while Section 4.07 hereof was suspended. For purposes of determining compliance with Section 4.10 hereof, the Excess Proceeds from all Asset Sales not applied in accordance with Section 4.10 hereof will be deemed to be reset to zero after the Reversion Date. Subsidiaries that would have been required to grant Note Guarantees but for a Suspension Period shall grant Note Guarantees upon the Reversion Date.

Notwithstanding anything herein to the contrary, the Company and the Company’s Restricted Subsidiaries may honor any contractual commitments to take actions following a Reversion Date without causing a Default or Event of Default; *provided* that such contractual commitments were entered into during the Suspension Period and not in contemplation of a reversion of the Suspended Covenants.

The Company shall deliver promptly to the Trustee an Officers’ Certificate notifying it of the beginning of any Suspension Period and any Reversion Date.

“Company” shall refer instead to the successor Person and not to the Company), and may exercise every right and power of the Company under this Indenture with the same effect as if such successor Person had been named as the Company herein; and (b) the Company or such predecessor Person, as the case may be, (except in the case of a lease) shall be released from its obligations under this Indenture, the Notes and the Registration Rights Agreement.

In the case of an Event of Default specified in clause (6) or (7) of Section 6.01 hereof, with respect to either of the Company, any Restricted Subsidiary of the Company that is a Significant Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Significant Subsidiary, all outstanding Notes will become due and payable immediately without further action or notice. If any other Event of Default occurs and is Continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the then outstanding Notes by notice to the Company (with a copy to the Trustee if given by Holders of Notes) may declare all the Notes to be due and payable immediately.

The Holders of a majority in aggregate principal amount of the then outstanding Notes by written notice to the Trustee may, on behalf of all of the Holders of all the Notes, rescind such an acceleration and its consequences hereunder, if the rescission would not conflict with any judgment or decree and if all existing Events of Default (except nonpayment of principal of, premium on, if any, or interest or Additional Interest, if any, on, the Notes that has become due solely because of the acceleration) have been cured or waived and if all sums paid or advanced by the Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel have been paid.

In the event of a declaration of acceleration of the Notes because an Event of Default has occurred and is Continuing as a result of the acceleration of any Indebtedness described in Section 6.01(4) hereof (excluding any resulting Payment Default under this Indenture or the Notes), the declaration of acceleration of the Notes shall be automatically annulled if the holders of all Indebtedness described in Section 6.01(4) hereof have rescinded the declaration of acceleration in respect of such Indebtedness within 20 days of the date of such declaration of acceleration of the Notes, and if the annulment of the acceleration of the Notes would not conflict with any judgment or decree of a court of competent jurisdiction, and all existing Events of Default, except non-payment of principal or interest on the Notes that became due solely because of the acceleration of the Notes, have been cured or waived.

Section 6.03. *Other Remedies.*

If an Event of Default occurs and is Continuing, the Trustee may pursue any available remedy to collect the payment of principal of, premium on, if any, or interest or Additional Interest, if any, on, the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

Section 6.04. *Waiver of Past Defaults.*

The Holders of a majority in aggregate principal amount of the then outstanding Notes by written notice to the Trustee may, on behalf of the Holders of all of the Notes waive any existing Default or Event of Default and its consequences hereunder, except a continuing Default or Event of Default in the payment of principal of, premium on, if any, or interest or Additional Interest, if any, on, the Notes (including in connection with an offer to purchase); *provided, however*, that the Holders of a majority in aggregate principal amount of the then outstanding Notes may rescind an acceleration and its consequences, including any related payment default that resulted from such acceleration. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

If a Default is deemed to occur solely as a consequence of the existence of another Default (the “*Initial Default*”), then, at the time such Initial Default is cured, the Default that resulted solely because of that Initial Default will also be cured without any further action.

Section 6.05. *Control by Majority.*

Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or exercising any trust or power conferred on it. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture, that the Trustee determines may be unduly prejudicial to the rights of other Holders of Notes or that may involve the Trustee in personal liability, or that the Trustee determines in good faith may be unduly prejudicial to the rights of Holders of the Notes not joining in the giving of such direction and may take any other action it deems proper that is not inconsistent with any such direction received from Holders of Notes.

Section 6.06. *Limitation on Suits.*

No Holder of a Note may pursue any remedy with respect to this Indenture or the Notes unless:

- (1) such Holder has previously given the Trustee written notice that an Event of Default has occurred and is Continuing;
- (2) Holders of at least 25% in aggregate principal amount of the then outstanding Notes make a written request to the Trustee to pursue the remedy;
- (3) such Holder or Holders offer and, if requested, provide to the Trustee security or indemnity reasonably satisfactory to the Trustee against any loss, liability or expense;
- (4) the Trustee does not comply with such request within 60 days after receipt of the notice, request and the offer of security or indemnity; and
- (5) during such 60-day period, Holders of a majority in aggregate principal amount of the then outstanding Notes do not give the Trustee a direction inconsistent with such request.

A Holder of a Note may not use this Indenture to prejudice the rights of another Holder of a Note or to obtain a preference or priority over another Holder of a Note.

Section 6.07. *Rights of Holders of Notes to Receive Payment.*

Notwithstanding any other provision of this Indenture, the right of any Holder of a Note to receive payment of principal of, premium on, if any, or interest or Additional Interest, if any, on, the Note, on or after the respective due dates expressed or provided for in the Note (including in connection with an offer to purchase), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

Section 6.08. *Collection Suit by Trustee.*

If an Event of Default specified in Section 6.01(1) or (2) hereof occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Company for the whole amount of principal of, premium on, if any, and interest and Additional Interest, if any, remaining unpaid on, the Notes and interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

Section 6.09. *Restoration of Rights and Remedies.*

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been determined or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and

in every such case, subject to any determination in such proceedings or any other proceedings, the Company, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies hereunder of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

Section 6.10. *Trustee May File Proofs of Claim.*

The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders of the Notes allowed in any judicial proceedings relative to the Company (or any other obligor upon the Notes), its creditors or its property and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.11. *Priorities.*

If the Trustee collects any money pursuant to this Article 6, it shall pay out the money in the following order:

*First:* to the Trustee, its agents and attorneys for amounts due under Section 7.07 hereof, including payment of all compensation, expenses and liabilities incurred, and all advances made, by the Trustee and the costs and expenses of collection;

*Second:* to Holders of Notes for amounts due and unpaid on the Notes for principal, premium, if any, and interest and Additional Interest, if any, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest and Additional Interest, if any, respectively; and

*Third:* to the Company or to such party as a court of competent jurisdiction shall direct.

The Trustee, upon written notice to the Company, may fix a record date and payment date for any payment to Holders of Notes pursuant to this Section 6.11.

Section 6.12. *Undertaking for Costs.*

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.12 does not apply to a suit by the Trustee, a suit by a Holder of a Note pursuant to Section 6.07 hereof, or a suit by Holders of more than 10% in aggregate principal amount of the then outstanding Notes.

ARTICLE 7  
TRUSTEE

Section 7.01. *Duties of Trustee.*

(a) If an Event of Default has occurred and is Continuing, the Trustee will exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(1) the duties of the Trustee will be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee will examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (however the Trustee shall have no obligation to verify the mathematical calculations contained therein).

(c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) this paragraph does not limit the effect of paragraph (b) of this Section 7.01;

(2) the Trustee will not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(3) the Trustee will not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05 hereof.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b), and (c) of this Section 7.01.

(e) No provision of this Indenture will require the Trustee to expend or risk its own funds or incur any liability. The Trustee will be under no obligation to exercise any of its rights or powers under this Indenture at the request or direction of any Holders, unless such Holder has offered to the Trustee reasonable indemnity or security satisfactory to it against any loss, liability or expense.

(f) The Trustee will not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law. The Trustee shall have no obligation to invest funds received by it pursuant to this Indenture.

*Section 7.02. Rights of Trustee.*

(a) The Trustee may conclusively rely upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel or both. The Trustee will not be liable for any action it takes or omits to take in good faith in reliance on such Officers' Certificate or Opinion of Counsel. The Trustee may consult with counsel and the written advice of such counsel or any Opinion of Counsel will be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and will not be responsible for the misconduct or negligence of any agent appointed with due care.

(d) The Trustee will not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Company will be sufficient if signed by an Officer of the Company.

(f) The Trustee will be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders unless such Holders have offered to the Trustee reasonable indemnity or security satisfactory to the Trustee against the losses, liabilities and expenses that might be incurred by it in compliance with such request or direction.

(g) The Trustee shall not be required to give any note, bond or surety in respect of the trusts and powers under this Indenture.

(h) The Trustee may request that the Company deliver an Officers' Certificate setting forth the names of individuals and / or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officers' Certificate may be signed by any person authorized to sign an Officer's Certificate, including any person specified as so authorized in such certificate previously delivered and not superseded.

(i) Except with respect to receipt of payments of principal and interest on the Notes payable by the Company pursuant to Section 4.01 hereof and any Default or Event of Default information contained in the Officers' Certificate delivered to it pursuant to Section 4.04 hereof, the Trustee shall have no duty to monitor the Company's compliance with or the breach of any representation, warranty or covenant made in this Indenture.

(j) Delivery of reports, information and documents to the Trustee described in Section 4.03 hereof is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's or the Guarantors' compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely conclusively on Officer's Certificates). The Trustee is under no duty to examine such reports, information or documents to ensure compliance with the provision of this Indenture or to ascertain the correctness or otherwise of the information or the statements contained therein.

(k) In no event shall the Trustee be responsible or liable for special, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(l) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a Default is received by a Responsible Officer of the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture.

(m) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder.

(n) Neither the Trustee nor the Registrar shall have any obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or the Private Placement Legend or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Depository participants, members or beneficial owners in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by, the terms of this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

*Section 7.03. Individual Rights of Trustee.*

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Company or any Affiliate of the Company with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest as defined in the TIA it must eliminate such conflict within 90 days, apply to the SEC for permission to continue as trustee (if this Indenture has been qualified under the TIA) or resign. Any Agent may do the same with like rights and duties. The Trustee is also subject to Sections 7.10 and 7.11 hereof.

*Section 7.04. Trustee's Disclaimer.*

The Trustee will not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, it shall not be accountable for the Company's use of the proceeds from the Notes or any money paid to the Company or upon the Company's direction under any provision of this Indenture, it will not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it will not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication.

*Section 7.05. Notice of Defaults.*

If a Default or Event of Default occurs and is Continuing and if it is known to the Trustee, the Trustee will mail to Holders of Notes a notice of the Default or Event of Default within 90 days after the Trustee obtains knowledge thereof. Except in the case of a Default or Event of Default in payment of principal of, premium on, if any, or interest or Additional Interest, if any, on, any Note, the Trustee may withhold the notice if and so long as a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of the Holders of the Notes.

*Section 7.06. Reports by Trustee to Holders of the Notes.*

(a) Within 60 days after each October 1 beginning with the October 1 following the Issue Date, and for so long as Notes remain outstanding, the Trustee will mail to the Holders of the Notes a brief report dated as of such reporting date that complies with TIA §313(a) (but if no event described in TIA §313(a) has occurred within the twelve months preceding the reporting date, no report need be transmitted). The Trustee also will comply with TIA §313(b)(2). The Trustee will also transmit by mail all reports as required by TIA §313(c).

(b) A copy of each report at the time of its mailing to the Holders of Notes will be mailed by the Trustee to the Company and filed by the Trustee with the SEC and each stock exchange on which the Notes are listed in accordance with TIA §313(d). The Company will promptly notify the Trustee when the Notes are listed on any stock exchange.

Section 7.07. *Compensation and Indemnity.*

(a) The Company will pay to the Trustee from time to time reasonable compensation for its acceptance of this Indenture and services hereunder in accordance with a written schedule provided by the Trustee to the Company. The Trustee's compensation will not be limited by any law on compensation of a trustee of an express trust. The Company will reimburse the Trustee promptly upon request for all reasonable out-of-pocket disbursements, advances and expenses incurred or made by it in addition to the compensation for its services except for any such disbursements, advance or expense as shall have been caused by the Trustee's negligence or willful misconduct. Such expenses will include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

(b) The Company and the Guarantors will indemnify on a joint and several basis the Trustee (including its officers, directors, employees and agents) against any and all losses, liabilities, claims or expenses incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture, including the reasonable costs and expenses of enforcing this Indenture against the Company and the Guarantors (including this Section 7.07) and defending itself against any claim (whether asserted by the Company, the Guarantors, any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties hereunder, except to the extent any such loss, liability or expense may be attributable to its negligence or willful misconduct. The Trustee will notify the Company promptly of any claim of which a Responsible Officer has received written notice for which it may seek indemnity. Failure by the Trustee to so notify the Company will not relieve the Company or any of the Guarantors of their obligations hereunder. The Company or such Guarantor will defend the claim and the Trustee will cooperate in the defense. The Trustee may have separate counsel and the Company will pay the reasonable fees and expenses of such counsel. Neither the Company nor any Guarantor need pay for any settlement made without its consent, which consent will not be unreasonably withheld.

(c) The obligations of the Company and the Guarantors under this Section 7.07 will survive the satisfaction and discharge of this Indenture and the resignation or removal of the Trustee.

(d) To secure the Company's and the Guarantors' payment obligations in this Section 7.07, the Trustee will have a Lien prior to the Notes on all money or property held or collected by the Trustee, except that held in trust to pay principal of, premium on,

if any, or interest or Additional Interest, if any, on, particular Notes. Such Lien will survive the satisfaction and discharge of this Indenture and the resignation or removal of the Trustee.

(e) Without prejudice to any other rights available to the Trustee under applicable law, when the Trustee incurs expenses or renders services after an Event of Default specified in clauses (6) and (7) of Section 6.01 hereof occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

Section 7.08. *Replacement of Trustee.*

(a) A resignation or removal of the Trustee and appointment of a successor Trustee will become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.08.

(b) The Trustee may resign at any time and be discharged from the trust hereby created by so notifying the Company. The Holders of a majority in aggregate principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Company in writing. The Company may remove the Trustee if:

- (1) the Trustee fails to comply with Section 7.10 hereof;
- (2) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
- (3) a custodian or public officer takes charge of the Trustee or its property; or
- (4) the Trustee becomes incapable of acting.

(c) If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Company will promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in aggregate principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Company.

(d) If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Company, or the Holders of at least 10% in aggregate principal amount of the then outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(e) If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.10 hereof, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(f) A successor Trustee will deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon, the resignation or removal of the retiring Trustee will become effective, and the successor Trustee will have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee will mail a notice of its succession to Holders. The retiring Trustee will promptly transfer all property held by it as Trustee to the successor Trustee; *provided* all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.07 hereof. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Company's and the Guarantors' obligations under Section 7.07 hereof will continue for the benefit of the retiring Trustee.

Section 7.09. *Successor Trustee by Merger, etc.*

If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the successor corporation without any further act will be the successor Trustee.

Section 7.10. *Eligibility; Disqualification.*

There will at all times be a Trustee hereunder that is a corporation or national banking association organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has a combined capital and surplus of at least \$100.0 million as set forth in its most recent published annual report of condition.

This Indenture will always have a Trustee who satisfies the requirements of TIA §310(a)(1), (2) and (5). The Trustee is subject to TIA §310(b).

Section 7.11. *Preferential Collection of Claims Against the Company.*

The Trustee is subject to TIA §311(a), excluding any creditor relationship listed in TIA §311(b). A Trustee who has resigned or been removed shall be subject to TIA §311(a) to the extent indicated therein.

ARTICLE 8  
LEGAL DEFEASANCE AND COVENANT DEFEASANCE

Section 8.01. *Option to Effect Legal Defeasance or Covenant Defeasance.*

The Company may at any time, at the option of the Company's Board of Directors evidenced by resolutions set forth in an Officers' Certificate, elect to have either Section 8.02 or 8.03 hereof applied to all outstanding Notes upon compliance with the conditions set forth below in this Article 8.

Section 8.02. *Legal Defeasance and Discharge.*

Upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.02, the Company and each of the Guarantors will, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be deemed to have been discharged from their Obligations with respect to all outstanding Notes (including the Note Guarantees) on the date the conditions set forth below are satisfied (hereinafter, "*Legal Defeasance*"). For this purpose, Legal Defeasance means that the Company and the Guarantors will be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes (including the Note Guarantees), which will thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 hereof and the other Sections of this Indenture referred to in clauses (1) and (2) below, and to have satisfied all their other Obligations under such Notes, the Note Guarantees and this Indenture (and the Trustee, on demand of and at the expense of the Company, shall execute proper instruments acknowledging the same), except for the following provisions which will survive until otherwise terminated or discharged hereunder:

- (1) the rights of Holders of outstanding Notes to receive payments in respect of the principal of, premium on, if any, and interest or Additional Interest, if any, on, such Notes when such payments are due from the trust referred to in Section 8.04 hereof;
- (2) the Company's Obligations with respect to such Notes under Article 2 and Section 4.02 hereof;
- (3) the rights, powers, trusts, duties and immunities of the Trustee hereunder and the Company's and the Guarantors' obligations in connection therewith (including, without limitation, those contained in Article 7 hereof); and
- (4) this Article 8.

Subject to compliance with this Article 8, the Company may exercise its option under this Section 8.02 notwithstanding the prior exercise of their option under Section 8.03 hereof.

Section 8.03. *Covenant Defeasance.*

Upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, the Company and each of the Guarantors will, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be released from each of their obligations under the covenants contained in Sections 4.03, 4.07, 4.08, 4.09, 4.10, 4.11, 4.12, 4.14, 4.16, 4.17 hereof and clauses (3) and (4) of Section 5.01 hereof with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.04 hereof are satisfied (hereinafter, "*Covenant Defeasance*"), the Note Guarantees will be released pursuant to Section 10.05 hereof and the Notes and Note Guarantees will thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but will continue to be deemed "outstanding" for all other purposes

hereunder (it being understood that such Notes and Note Guarantees will not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes and Note Guarantees, the Company and the Guarantors may omit to comply with and will have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply will not constitute a Default or an Event of Default under Section 6.01 hereof, but, except as specified above, the remainder of this Indenture and such Notes and Note Guarantees will be unaffected thereby. In addition, upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, Sections 6.01(3) (to the extent relating to the covenants that are subject to Covenant Defeasance), (4), (5) and (8) hereof will not constitute Events of Default.

*Section 8.04. Conditions to Legal or Covenant Defeasance.*

In order to exercise either Legal Defeasance or Covenant Defeasance under either Section 8.02 or 8.03 hereof:

(1) the Company must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders, (x) cash in U.S. dollars in an amount, (y) non-callable Government Securities, the scheduled payments of principal of and interest thereon will be in an amount, or (z) a combination thereof in amounts, as will be sufficient, in the opinion of a nationally recognized investment bank, appraisal firm or firm of independent public accountants, to pay the principal of, premium on, if any, and interest and Additional Interest, if any, on, the outstanding Notes on the stated dates for payment of principal thereof and interest thereon or on the applicable redemption date, as the case may be, and the Company must specify whether the Notes are being defeased to such stated date for payment or to a particular redemption date;

(2) in the case of an election under Section 8.02 hereof, the Company must deliver to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that:

(A) the Company has received from, or there has been published by, the Internal Revenue Service a ruling; or

(B) since the Issue Date, there has been a change in the applicable federal income tax law,

in either case to the effect that, and based thereon such Opinion of Counsel will confirm that, the Holders of the outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of an election under Section 8.03 hereof, the Company must deliver to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that the Holders of the outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same time as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default or Event of Default has occurred and is Continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit (and any similar concurrent deposit relating to other Indebtedness), and the granting of Liens to secure such borrowings);

(5) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under, any material agreement or instrument (other than this Indenture and the agreements governing any other Indebtedness being defeased, discharged or replaced) to which the Company or any of the Guarantors is a party or by which the Company or any of the Guarantors is bound;

(6) the Company must deliver to the Trustee an Officers' Certificate stating that the deposit was not made by the Company with the intent of preferring the Holders of Notes over the other creditors of the Company with the intent of defeating, hindering, delaying or defrauding any creditors of the Company or others; and

(7) the Company must deliver to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

*Section 8.05. Deposited Money and Government Securities to be Held in Trust; Other Miscellaneous Provisions.*

Subject to Section 8.06 hereof, all money and non-callable Government Securities (including the proceeds thereof) deposited with the Trustee pursuant to Section 8.04 hereof in respect of the outstanding Notes will be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium, if any, and interest and Additional Interest, if any, but such money need not be segregated from other funds except to the extent required by law.

The Company will pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or non-callable Government Securities deposited pursuant to Section 8.04 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Notwithstanding anything in this Article 8 to the contrary, the Trustee will deliver or pay to the Company from time to time upon the request of the Company any money or non-callable Government Securities held by it as provided in Section 8.04 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(1) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

*Section 8.06. Repayment to the Company.*

Any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of, premium on, if any, or interest or Additional Interest, if any, on, any Note and remaining unclaimed for two years after such principal, premium, if any, or interest or Additional Interest, if any, has become due and payable shall be paid to the Company on its request or (if then held by the Company) will be discharged from such trust; and the Holder of such Note will thereafter be permitted to look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, will thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Company cause to be published once, in The New York Times and The Wall Street Journal (national edition), notice that such money remains unclaimed and that, after a date specified therein, which will not be less than 30 days from the date of such notification or publication, any unclaimed balance of such money then remaining will be repaid to the Company.

*Section 8.07. Reinstatement.*

If the Trustee or Paying Agent is unable to apply any U.S. dollars or non-callable Government Securities in accordance with Section 8.02 or 8.03 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Company's and the Guarantors' obligations under this Indenture and the Notes and the Note Guarantees will be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03 hereof, as the case may be; *provided, however*, that, if the Company makes any payment of principal of, premium on, if any, or interest or Additional Interest, if any, on, any Note following the reinstatement of its obligations, the Company will be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 9  
AMENDMENT, SUPPLEMENT AND WAIVER

Section 9.01. *Without Consent of Holders of Notes.*

Notwithstanding Section 9.02 hereof, without the consent of any Holder of Notes, the Company and the Trustee may amend or supplement this Indenture, the Notes or the Note Guarantees:

- (1) to cure any ambiguity, mistake, defect or inconsistency;
- (2) to provide for uncertificated Notes in addition to or in place of certificated Notes;
- (3) to provide for the assumption of the Company's or any Guarantor's Obligations to the Holders of the Notes and Note Guarantees by a successor to the Company of such Guarantor pursuant to Article 5 or Article 10 hereof;
- (4) to make any change that would provide any additional rights or benefits to the Holders of the Notes or that does not adversely affect the legal rights hereunder of any Holder in any material respects;
- (5) to comply with requirements of the SEC in order to effect or maintain the qualification of this Indenture under the TIA;
- (6) to conform the text of this Indenture, the Notes or the Note Guarantees to any provision of the "Description of the Notes" section of the Offering Memorandum;
- (7) to provide for the issuance of the Exchange Notes pursuant to the Registration Rights Agreement and the issuance of Additional Notes in accordance with the limitations set forth in this Indenture as of the Issue Date;
- (8) to allow any Guarantor to execute a supplemental indenture and/or a Note Guarantee with respect to the Notes in accordance with the terms of this Indenture, to add security to or for the benefit of the Notes, or to confirm and evidence the release, termination or discharge of any Note Guarantee or Lien with respect to or securing the Notes when such release, termination or discharge is provided for under this Indenture; or
- (9) to evidence and provide for the acceptance and appointment under this Indenture of a successor trustee pursuant to the requirements therefor.

Upon the request of the Company, and upon receipt by the Trustee of the documents described in Section 7.02, 9.06, 12.04 and 12.05 hereof, the Trustee will join with the Company and any Guarantor in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee will not be obligated to enter into such amended or supplemental indenture that affects its own rights, duties or immunities under this Indenture or otherwise.

Section 9.02. *With Consent of Holders of Notes.*

Except as provided below in this Section 9.02, the Company and the Trustee may amend or supplement this Indenture, the Notes and the Note Guarantees with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, Additional Notes, if any) voting as a single class (including, without limitation, consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes), and, subject to Sections 6.04 and 6.07 hereof, any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of, premium on, if any, or interest or Additional Interest, if any, on, the Notes, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of this Indenture or the Notes or the Note Guarantees may be waived with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, Additional Notes, if any) voting as a single class (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, the Notes). Sections 2.08 and 2.09 hereof shall determine which Notes are considered to be “outstanding” for purposes of this Section 9.02.

Upon the request of the Company, and upon the filing with the Trustee of evidence reasonably satisfactory to the Trustee of the consent of the Holders of Notes as aforesaid, and upon receipt by the Trustee of the documents described in Section 7.02, 9.06, 12.04 and 12.05 hereof, the Trustee will join with the Company in the execution of such amended or supplemental indenture unless such amended or supplemental indenture directly affects the Trustee’s own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but will not be obligated to, enter into such amended or supplemental Indenture.

It is not necessary for the consent of the Holders of Notes under this Section 9.02 to approve the particular form of any proposed amendment, supplement or waiver, but it is sufficient if such consent approves the substance thereof.

After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Company will mail to the Holders of Notes affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Company to mail such notice, or any defect therein, will not, however, in any way impair or affect the validity of any such amended or supplemental indenture or waiver. Subject to Sections 6.04 and 6.07 hereof, the Holders of a majority in aggregate principal amount of the Notes then outstanding voting as a single class may waive compliance in a particular instance by the Company or Guarantors with any provision of this Indenture, the Notes or the Note Guarantees. However, without the consent of each Holder affected, an amendment, supplement or waiver under this Section 9.02 may not (with respect to any Notes held by a non-consenting Holder):

- (1) reduce the principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;

(2) reduce the principal of or change the fixed maturity of any Note or alter or waive any of the provisions relating to the dates on which the Notes may be redeemed or the redemption price thereof with respect to the redemption of the Notes;

(3) reduce the rate of or change the time for payment of interest, including default interest, on any Note;

(4) waive a Default or Event of Default in the payment of principal of, premium on, if any, or interest or Additional Interest, if any, on, the Notes (except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the then outstanding Notes and a waiver of the payment default that resulted from such acceleration);

(5) make any Note payable in money other than that stated in the Notes;

(6) make any change in the provisions of this Indenture relating to waivers of past Defaults or the rights of Holders of Notes to receive payments of principal of, premium on, if any, or interest or Additional Interest, if any, on, the Notes;

(7) modify the obligation of the Company to repurchase Notes pursuant to Section 3.09, 4.10 or 4.14 hereof, after the date of an event giving rise to such repurchase obligation;

(8) release any Guarantor from any of its obligations under its Note Guarantee or this Indenture, except in accordance with the terms of this Indenture;

(9) make any change in the preceding amendment and waiver provisions; or

(10) make any change to or modify, the ranking of the Notes in respect of right of payment that would adversely affect the Holders of the Notes.

*Section 9.03. Compliance with Trust Indenture Act.*

Every amendment or supplement to this Indenture or the Notes will be set forth in an amended or supplemental indenture that complies with the TIA as then in effect.

*Section 9.04. Revocation and Effect of Consents.*

Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a Continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting

Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if a Responsible Officer of the Trustee receives written notice of revocation before the date on which the Trustee receives an Officers' Certificate certifying that the Holders of the requisite principal amount of Notes have consented (and not theretofore revoked such consent) to the amendment, supplement or waiver. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

Section 9.05. *Notation on or Exchange of Notes.*

The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Company in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note will not affect the validity and effect of such amendment, supplement or waiver.

Section 9.06. *Trustee to Sign Amendments, etc.*

The Trustee will sign any amended or supplemental indenture authorized pursuant to this Article 9 if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee. The Company may not sign an amended or supplemental indenture until the Board of Directors of the Company approves it. In executing any amended or supplemental indenture, the Trustee will be entitled to receive and (subject to Section 7.01 hereof) will be fully protected in relying upon, in addition to the documents required by Section 12.04 hereof, an Officers' Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental indenture is authorized or permitted by this Indenture.

ARTICLE 10  
NOTE GUARANTEES

Section 10.01. *Guarantee.*

(a) Subject to this Article 10, each of the Guarantors hereby, jointly and severally, unconditionally guarantees to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the obligations of the Company hereunder or thereunder, that:

(1) the principal of, premium on, if any, and interest and Additional Interest, if any, on, the Notes will be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of, premium on, if any, and interest and Additional Interest, if any, on, the Notes, if lawful, and all other obligations of the Company to the Holders or the Trustee hereunder or thereunder will be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and

(2) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same will be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at Stated Maturity, by acceleration or otherwise.

Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors will be jointly and severally obligated to pay the same immediately. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

(b) The Guarantors hereby agree (to the fullest extent permitted by law) that their obligations hereunder are unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder of the Notes with respect to any provisions hereof or thereof, the recovery of any judgment against the Company, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a Guarantor. Each Guarantor hereby waives (to the fullest extent permitted by law) diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Company, any right to require a proceeding first against the Company, protest, notice and all demands whatsoever and covenants that this Note Guarantee will not be discharged except by complete performance of the Obligations contained in the Notes and this Indenture.

(c) If any Holder or the Trustee is required by any court or otherwise to return to the Company, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to either the Company or the Guarantors, any amount paid by either to the Trustee or such Holder, this Note Guarantee, to the extent theretofore discharged, will be reinstated in full force and effect.

(d) Each Guarantor agrees that it will not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (1) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 hereof for the purposes of this Note Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (2) in the event of any declaration of acceleration of such obligations as provided in Article 6 hereof, such obligations (whether or not due and payable) will forthwith become due and payable by the Guarantors for the purpose of this Note Guarantee. The Guarantors will have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under the Note Guarantee.

Section 10.02. *Limitation on Guarantor Liability.*

Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Note Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Note Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of such Guarantor will be limited to the maximum amount that will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws, and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article 10, result in the obligations of such Guarantor under its Note Guarantee not constituting a fraudulent transfer or conveyance.

Section 10.03. *Execution and Delivery of Note Guarantee.*

To evidence its Note Guarantee set forth in Section 10.01 hereof, each Guarantor hereby agrees that a notation of such Note Guarantee substantially in the form attached as Exhibit E hereto will be endorsed by an Officer of such Guarantor on each Note authenticated and delivered by the Trustee on or after the date of issuance of such Note Guarantees and that this Indenture or a supplement thereto will be executed on behalf of such Guarantor by one of its Officers.

Each Guarantor hereby agrees that its Note Guarantee set forth in Section 10.01 hereof will remain in full force and effect notwithstanding any failure to endorse on each Note a notation of such Note Guarantee.

If an Officer whose signature is on this Indenture or on the Note Guarantee no longer holds that office at the time the Trustee authenticates the Note on which a Note Guarantee is endorsed, the Note Guarantee will be valid nevertheless.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, will constitute due delivery of the Note Guarantee set forth in this Indenture on behalf of the Guarantors.

In the event that the Company or any of its Restricted Subsidiaries creates or acquires any Domestic Subsidiary after the Issue Date, if required by Section 4.16 hereof, the Company will cause such Domestic Subsidiary to comply with the provisions of Section 4.16 hereof and this Article 10.

Neither the Company nor any Guarantor shall be required to make a notation on the Notes to reflect a Note Guarantee issued after the date such Notes are executed and authenticated or any release, termination or discharge thereof.

Section 10.04. *Guarantors May Consolidate, etc., on Certain Terms.*

Except as otherwise provided in Section 10.05 hereof, no Guarantor may sell or otherwise dispose of all or substantially all of its assets to, or consolidate with or merge with or into (whether or not such Guarantor is the surviving Person) another Person, other than the Company or another Guarantor, unless:

- (1) immediately after giving effect to such transaction, no Default or Event of Default exists; and
- (2) either:

(a) subject to Section 10.05 hereof, the Person acquiring the property in any such sale or disposition or the Person formed by or surviving any such consolidation or merger unconditionally assumes all the obligations of that Guarantor under its Note Guarantee and this Indenture, on the terms set forth therein or herein, pursuant to a supplemental indenture; or

(b) the Net Proceeds of such sale or other disposition are applied, if required, in accordance with the applicable provisions of this Indenture, including without limitation, Section 4.10 hereof.

In case of any such consolidation, merger, sale or conveyance and upon the assumption by the successor Person, by supplemental indenture substantially in the form of Exhibit F hereto, executed and delivered to the Trustee, of the Note Guarantee endorsed upon the Notes and the due and punctual performance of all of the covenants and conditions of this Indenture to be performed by the Guarantor, such successor Person will succeed to and be substituted for the Guarantor with the same effect as if it had been named herein as a Guarantor. Such successor Person thereupon may cause to be signed any or all of the Note Guarantees to be endorsed upon all of the Notes issuable hereunder which theretofore shall not have been signed by the Company and delivered to the Trustee. All the Note Guarantees so issued will in all respects have the same legal rank and benefit under this Indenture as the Note Guarantees theretofore and thereafter issued in accordance with the terms of this Indenture as though all of such Note Guarantees had been issued at the date of the execution hereof.

Except as set forth in Articles 4 and 5 hereof, and notwithstanding clauses 2(a) and (b) above, nothing contained in this Indenture or in any of the Notes will prevent any consolidation or merger of a Guarantor with or into the Company or another Guarantor, or will prevent any sale or conveyance of the property of a Guarantor as an entirety or substantially as an entirety to the Company or another Guarantor.

Notwithstanding the foregoing, any Guarantor may transfer real property that is the subject of a HUD Financing to a HUD Financing Subsidiary in connection with a HUD Financing permitted to be incurred pursuant to Section 4.09 hereof.

Section 10.05. *Releases.*

The Note Guarantee of a Guarantor will be released and such Guarantor will be relieved of any Obligations under its Note Guarantee:

(a) in connection with any sale or other disposition of all or substantially all of the assets of that Guarantor, by way of merger, consolidation or otherwise, to a Person that is not (either before or after giving effect to such transaction) the Company or a Restricted Subsidiary of the Company, if the sale or other disposition does not violate Section 4.10 hereof;

(b) in connection with any sale or other disposition of Capital Stock of that Guarantor to a Person that is not (either before or after giving effect to such transaction) the Company or a Restricted Subsidiary of the Company, if the sale or other disposition does not violate Section 4.10 hereof and the Guarantor ceases to be a Restricted Subsidiary of the Company as a result of the sale or other disposition;

(c) if the Company designates any Restricted Subsidiary that is a Guarantor to be an Unrestricted Subsidiary in accordance with the terms of this Indenture;

(d) upon the release or discharge of the Guarantee of such Guarantor under the Credit Facilities, except a discharge or release of the Guarantee by or as a result of payment under such Guarantee (it being understood that if any such Guarantor is so reinstated under the Credit Facilities, such Guarantor's guarantee shall also be reinstated); or

(e) upon Legal Defeasance or Covenant Defeasance in accordance with Article 8 hereof or satisfaction and discharge of this Indenture in accordance with Article 11 hereof.

Notwithstanding the foregoing, neither the consent nor the acknowledgement of the Trustee shall be necessary to effect any such release. None of the Trustee, the Company or any Guarantor will be required to make a notation on the Notes or the Note Guarantees to reflect any such release, termination or discharge. Upon request of the Company and delivery by the Company to the Trustee of an Officers' Certificate and an Opinion of Counsel to the effect that one of the foregoing requirements has been satisfied and the conditions to the release of a Guarantor under this Section 10.05 has been met, the Trustee will execute any documents reasonably required in order to evidence the release of a Guarantor from its obligations under its Note Guarantee. In connection with any release under clauses (a) and (b) above, the Net Proceeds of such sale or other disposition shall be applied, if required, in accordance with the applicable provisions of this Indenture.

Any Guarantor not released from its obligations under its Note Guarantee as provided in this Section 10.05 will remain liable for the full amount of principal of, premium on, if any, and interest and Additional Interest, if any, on, the Notes and for the other obligations of any Guarantor under this Indenture as provided in this Article 10.

ARTICLE 11  
SATISFACTION AND DISCHARGE

Section 11.01. *Satisfaction and Discharge.*

This Indenture will be discharged and will cease to be of further effect as to all Notes issued hereunder (except as to rights of registration of transfer or exchange of Notes), when:

(1) either:

(A) all Notes that have been authenticated, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has been deposited in trust and thereafter repaid to the Company or discharged from such trust, have been cancelled or delivered to the Trustee for cancellation; or

(B) all such Notes have become due and payable at final maturity or by reason of the mailing of a notice of redemption or will become due and payable within one year or will be redeemed within one year under arrangements satisfactory to the Trustee for the giving of a notice of redemption in the name and at the expense of the Company and the Company or any Guarantor has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars in an amount, non-callable Government Securities, the scheduled payments of principal of and interest thereon will be in an amount, or a combination thereof in amounts, as will be sufficient (in case Government Securities have been deposited, in the opinion of a nationally recognized investment bank, appraisal firm or firm of independent public accountants), without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on such Notes for principal of, premium on, if any, and interest and Additional Interest if any, on, the Notes to the date of maturity or redemption;

(2) the Company or any Guarantor has paid or caused to be paid all sums payable by it under this Indenture; and

(3) the Company has delivered irrevocable instructions to the Trustee under this Indenture to apply the deposited money toward the payment of the Notes at maturity or on the redemption date, as the case may be.

In addition, the Company must deliver an Officers' Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

Notwithstanding the satisfaction and discharge of this Indenture, if money has been deposited with the Trustee pursuant to subclause (B) of clause (1) of this Section 11.01, the provisions of Sections 11.02 and 8.06 hereof will survive. In addition, nothing in this Section 11.01 will be deemed to discharge those provisions of Section 7.07 hereof, that, by their terms, survive the satisfaction and discharge of this Indenture.

Upon satisfaction of the conditions set forth herein and upon written request of the Company, the Trustee shall acknowledge in writing the satisfaction and discharge of the Indenture.

*Section 11.02. Application of Trust Money.*

Subject to the provisions of Section 8.06 hereof, all money and non-callable Government Securities (including the proceeds thereof) deposited with the Trustee pursuant to Section 11.01 hereof shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal, premium, if any, and interest and Additional Interest, if any, for whose payment such money has been deposited with the Trustee; but such money need not be segregated from other funds except to the extent required by law.

If the Trustee or Paying Agent is unable to apply any money or Government Securities in accordance with Section 11.01 hereof by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's and any Guarantor's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 11.01 hereof; *provided* that if the Company has made any payment of principal of, premium on, if any, or interest or Additional Interest, if any, on any Notes because of the reinstatement of its Obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or Government Securities held by the Trustee or Paying Agent.

The Company will pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or non-callable Government Securities deposited pursuant to Section 11.01 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Notwithstanding anything in this Article 11 to the contrary, the Trustee will deliver or pay to the Company from time to time upon the request of the Company any money or non-callable Government Securities held by it as provided in Section 11.01 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, are in excess of the amount thereof that would then be required to be deposited to effect a discharge in accordance with this Article 11.

*Section 12.04. Certificate and Opinion as to Conditions Precedent.*

Upon any request or application by the Company or a Guarantor to the Trustee to take any action under this Indenture, the Company or such Guarantor, as applicable, shall furnish to the Trustee:

(1) an Officers' Certificate in form reasonably satisfactory to the Trustee (which must include the statements set forth in Section 12.05 hereof) stating that, in the opinion of the signers, all conditions precedent and covenants, if any, provided for in this Indenture relating to the proposed action have been satisfied; and

(2) an Opinion of Counsel in form reasonably satisfactory to the Trustee (which must include the statements set forth in Section 12.05 hereof) stating that, in the opinion of such counsel, all such conditions precedent and covenants have been satisfied.

Section 12.05. *Statements Required in Certificate or Opinion.*

Each certificate or opinion with respect to compliance with a condition or covenant provided for in this Indenture (other than a certificate provided pursuant to TIA §314(a)(4) or Section 4.04(a) hereof) must comply with the provisions of TIA §314(e) and must include:

- (2) brief statement as to the nature and scope of the examination or investigation upon which the statements or opinions contained in such certificate or opinion are based;
- (3) a statement that, in the opinion of such Person, he or she has made such examination or investigation as is necessary to enable him or her to express an informed opinion as to whether or not such covenant or condition has been satisfied; and
- (4) a statement as to whether or not, in the opinion of such Person, such condition or covenant has been satisfied.

*provided* that an issuer of an Opinion of Counsel may rely as to matters of fact on an Officers' Certificate or a certificate of a public official.

Section 12.06. *Rules by Trustee and Agents.*

The Trustee may make reasonable rules for action by or at a meeting of Holders. The Registrar or Paying Agent may make reasonable rules and set reasonable requirements for its functions.

Section 12.07. *No Personal Liability of Directors, Officers, Employees and Stockholders.*

No director, officer, employee, incorporator or stockholder of the Company or any Guarantor, as such, will have any liability for any Obligations of the Company or the Guarantors under the Notes, this Indenture, the Note Guarantees or for any claim based on, in respect of, or by reason of, such Obligations or their creation. Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. The waiver may not be effective to waive liabilities under the federal securities laws.

Section 12.08. *Governing Law.*

THE INTERNAL LAW OF THE STATE OF NEW YORK WILL GOVERN AND BE USED TO CONSTRUE THIS INDENTURE, THE NOTES AND THE NOTE GUARANTEES WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES OF CONFLICTS OF LAW TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY.

Section 12.09. *No Adverse Interpretation of Other Agreements.*

This Indenture may not be used to interpret any other indenture, loan or debt agreement of the Company or its Subsidiaries or of any other Person. Any such indenture, loan or debt agreement may not be used to interpret this Indenture.

In case any provision in this Indenture or in the Notes is invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions will not in any way be affected or impaired thereby.

Section 12.12. *Counterpart Originals.*

The parties may sign any number of copies of this Indenture. Each signed copy will be an original, but all of them together represent the same agreement. Delivery of an executed counterpart of a signature page to this Indenture by facsimile, email or other electronic means shall be effective as delivery of a manually executed counterpart of this Indenture.

Section 12.13. *Table of Contents, Headings, etc.*

The Table of Contents, Cross-Reference Table and Headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not to be considered a part of this Indenture and will in no way modify or restrict any of the terms or provisions hereof.

Section 12.14. *Force Majeure.*

In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services; it being understood that the Trustee shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

EACH OF THE COMPANY, THE GUARANTORS AND THE TRUSTEE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES, THE NOTE GUARANTEES OR THE TRANSACTION CONTEMPLATED HEREBY.

6.125% Senior Notes due 2021

Capitalized terms used herein have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

(1) *INTEREST.* Acadia Healthcare Company, Inc., a Delaware corporation (the “*Company*”) promises to pay or cause to be paid interest on the principal amount of this Note at the rate of 6.125% per annum from March 12, 2013 until maturity and shall pay the Additional Interest, if any, payable pursuant to the Registration Rights Agreement referred to below. The Company will pay interest and Additional Interest, if any, semi-annually in arrears on March 15 and September 15 of each year (each, an “*Interest Payment Date*”), or if any such day is not a Business Day, on the next succeeding Business Day. Interest on the Notes will accrue from the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from the date of original issuance; [provided that, if this Note is authenticated between a record date referred to on the face hereof and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date;] provided further that the first Interest Payment Date shall be September 15, 2013. The Company will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal at a rate that is 1% higher than the then applicable interest rate on the Notes to the extent lawful; it will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest and Additional Interest, if any (without regard to any applicable grace period), at the same stepped-up rate to the extent lawful.

Interest will be computed on the basis of a 360-day year comprised of twelve 30-day months.

(2) *METHOD OF PAYMENT.* The Company will pay interest on the Notes (except defaulted interest) and Additional Interest, if any, to the Persons who are registered Holders of Notes at the close of business on the March 1 and September 1 immediately preceding the Interest Payment Date (whether or not a Business Day), even if such Notes are canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Indenture with respect to defaulted interest. The Notes will be payable as to principal, premium, if any, and interest and Additional Interest, if any, at the office or agency of the Paying Agent and Registrar within the City and State of New York, or, at the option of the Company, payment of interest and Additional Interest, if any, due on an Interest Payment Date may be made by check mailed to the Holders at their addresses set forth in the register of Holders; provided that payment by wire transfer of immediately available funds will be required with respect to principal of, premium, if any, on, and interest and Additional Interest, if any, on, all Global Notes and, with respect to interest and Additional Interest, if any, due on an Interest Payment Date, all other Notes the Holders of which will have provided wire transfer instructions to the Paying Agent at least five Business Days prior to the Interest Payment Date. Such payments will be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

(3) *PAYING AGENT AND REGISTRAR.* Initially, U.S. Bank National Association, the Trustee under the Indenture, will act as Paying Agent and Registrar. The Company may change the Paying Agent or Registrar without prior notice to the Holders of the Notes. The Company or any of its Subsidiaries may act as Paying Agent or Registrar.

(4) *INDENTURE.* The Company issued the Notes under an Indenture dated as of March 12, 2013 (the “*Indenture*”) among the Company, the Guarantors and the Trustee. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the TIA. The Notes are subject to all such terms, and Holders are referred to the Indenture and the TIA for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. The Notes are unsecured obligations of the Company. The Indenture does not limit the aggregate principal amount of Notes that may be issued thereunder.

(5) *OPTIONAL REDEMPTION.*

(a) At any time prior to March 15, 2016, the Company may on any one or more occasions redeem up to 35% of the aggregate principal amount of Notes issued under the Indenture, upon not less than 30 nor more than 60 days’ notice, at a redemption price equal to 106.125% of the principal amount of the Notes redeemed, plus accrued and unpaid interest and Additional Interest, if any, to the date of redemption (subject to the rights of Holders of Notes on a relevant record date to receive interest on an Interest Payment Date occurring on or prior to the redemption date) with the net cash proceeds of an Equity Offering by the Company or contribution to the Company’s common equity capital made with the net cash proceeds of a concurrent Equity Offering by any direct or indirect parent company of the Company; *provided that:*

(A) at least 65% of the aggregate principal amount of Notes originally issued under the Indenture (excluding Notes held by the Company, any direct or indirect parent of the Company and its Affiliates) remain outstanding immediately after the occurrence of such redemption; and

(B) the redemption occurs within 90 days of the date of the closing of such Equity Offering.

(b) At any time prior to March 15, 2016, the Company may on any one or more occasions redeem all or a part of the Notes, upon not less than 30 nor more than 60 days’ notice, at a redemption price equal to 100% of the principal amount of the Notes redeemed, plus the Applicable Premium as of, and accrued and unpaid interest and Additional Interest, if any, to the redemption date, subject to the rights of Holders on a relevant record date to receive interest due on an Interest Payment Date occurring on or prior to the redemption date.

(c) Except pursuant to the preceding paragraphs (a) and (b), the Notes will not be redeemable at the Company’s option prior to March 15, 2016.

(d) On or after March 15, 2016, the Company may on any one or more occasions redeem all or a part of the Notes, upon not less than 30 nor more than 60 days' notice, at the redemption prices (expressed as percentages of principal amount) set forth below, plus accrued and unpaid interest and Additional Interest, if any, on the Notes redeemed, to the applicable date of redemption, if redeemed during the 12-month period beginning on March 15 of the years indicated below, subject to the rights of Holders on a relevant record date to receive interest due on an Interest Payment Date occurring on or prior to the redemption date:

<u>Year</u>	<u>Percentage</u>
2016	104.594%
2017	103.063%
2018	101.531%
2019 and thereafter	100.000%

In connection with any redemption of the Notes (including with the net cash proceeds of an Equity Offering), any such redemption may, at the Company's discretion, be subject to one or more conditions precedent.

Unless the Company defaults in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable redemption date.

(6) *MANDATORY REDEMPTION.* The Company is not required to make mandatory redemption or sinking fund payments with respect to the Notes.

(7) *REPURCHASE AT THE OPTION OF HOLDER.*

(a) If there is a Change of Control, the Company will be required to make an offer (a "*Change of Control Offer*") to each Holder to repurchase all or any part (equal to \$1,000 or an integral multiple of \$1,000 in excess thereof; *provided* that any unpurchased portion of a Note must be in a minimum denomination of \$2,000) of each Holder's Notes at a purchase price in cash (the "*Change of Control Payment*") equal to 101% of the aggregate principal amount thereof plus accrued and unpaid interest and Additional Interest, if any, thereon to the date of purchase, subject to the rights of Holders on a relevant record date to receive interest due on an Interest Payment Date occurring on or prior to the purchase date (the "*Change of Control Payment Date*") (it being understood that to the extent any cash proceeds of a Change of Control are required to prepay the Obligations under the Credit Agreement pursuant to the terms thereof, the Company will be required to first apply such cash proceeds to prepay such Obligations under the Credit Agreement but the Company will still be required to make a Change of Control Offer). Within 30 days following any Change of Control, the Company will mail a notice to each Holder setting forth the procedures governing the Change of Control Offer as required by the Indenture.

(b) Following the occurrence of certain Asset Sales, the Company may be required to offer to repurchase the Notes as required by the Indenture.

(8) *NOTICE OF REDEMPTION.* At least 30 days but not more than 60 days before a redemption date, the Company will mail or cause to be mailed, by first class mail, a notice of redemption to each Holder whose Notes are to be redeemed at its registered address, except that redemption notices may be mailed more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of the Indenture pursuant to Articles 8 or 11 thereof. Notes and portions of Notes selected will be in amounts of \$2,000 or whole multiples of \$1,000 in excess thereof (*provided*, that any unpurchased portion of a Note must be in a minimum denomination of \$2,000); except that if all of the Notes of a Holder are to be redeemed or purchased, the entire outstanding amount of Notes held by such Holder shall be redeemed or purchased.

(9) *DENOMINATIONS, TRANSFER, EXCHANGE.* The Notes are in registered form in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents in connection with a transfer of Notes. Holders will be required to pay all taxes due on transfer. The Company need not exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part. Also, the Company need not exchange or register the transfer of any Notes for a period of 15 days before a selection of Notes to be redeemed.

(10) *PERSONS DEEMED OWNERS.* The registered Holder of a Note may be treated as its owner for all purposes. Only registered Holders have rights under the Indenture.

(11) *AMENDMENT, SUPPLEMENT AND WAIVER.* Subject to certain exceptions, the Indenture, the Notes or the Note Guarantees may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes including Additional Notes, if any, voting as a single class (including, without limitation, consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes), and any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of, premium on, if any, or interest or Additional Interest, if any, on the Notes, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of the Indenture or the Notes or the Note Guarantees may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes including Additional Notes, if any, voting as a single class (including, without limitation, consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes). Without the consent of any Holder of Notes, the Indenture, the Notes or the Note Guarantees may be amended or supplemented to cure any ambiguity, mistake, defect or inconsistency; to provide for uncertificated Notes in addition to or in place of certificated Notes; to provide for the assumption of the Company's or any Guarantor's obligations to Holders of the Notes and Note Guarantees by a successor to the Company

or such Guarantor pursuant to the Indenture; to make any change that would provide any additional rights or benefits to the Holders of the Notes or that does not adversely affect the legal rights under the Indenture of any Holder in any material respects; to comply with the requirements of the SEC in order to effect or maintain the qualification of the Indenture under the TIA; to conform the text of the Indenture, the Notes or the Note Guarantees to any provision of the "Description of the Notes" section of the Offering Memorandum; to provide for the issuance of the Exchange Notes pursuant to the Registration Rights Agreement and the issuance of Additional Notes in accordance with the limitations set forth in the Indenture as of the Issue Date; to allow any Guarantor to execute a supplemental indenture to the Indenture and/or a Note Guarantee with respect to the Notes, to add security to or for the benefit of the Notes, or to confirm and evidence the release, termination or discharge of any Note Guarantee or Lien with respect to or securing the Notes when such release, termination or discharge is provided for under the Indenture; or to evidence and provide for the acceptance and appointment under the Indenture of a successor trustee pursuant to the requirements therefor.

(12) *DEFAULTS AND REMEDIES.* The Notes are subject to the Defaults and Events of Default set forth in Section 6.01 of the Indenture. The Holders of a majority in aggregate principal amount of the then outstanding Notes by written notice to the Trustee may, on behalf of the Holders of all the Notes, rescind an acceleration or waive an existing Default or Event of Default and its respective consequences under the Indenture except a continuing Default or Event of Default in the payment of principal of, premium on, if any, or interest or Additional Interest, if any, on, the Notes (except nonpayment of principal, premium, if any, or interest on the Notes that became due solely because of the acceleration of the Notes). The Company and the Guarantors are required to deliver to the Trustee annually a statement regarding compliance with the Indenture, and the Company is required, upon becoming aware of any Default or Event of Default, to deliver to the Trustee a statement specifying such Default or Event of Default.

(13) *TRUSTEE DEALINGS WITH COMPANY.* The Trustee, in its individual or any other capacity, may make loans to, accept deposits from, and perform services for the Company or its Affiliates, and may otherwise deal with the Company or its Affiliates, as if it were not the Trustee.

(14) *NO RECOURSE AGAINST OTHERS.* No director, officer, employee, incorporator or stockholder of the Company or any Guarantor, as such, will have any liability for any obligations of the Company or the Guarantors under the Notes, the Indenture, the Note Guarantees or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. The waiver may not be effective to waive liabilities under the federal securities laws.

(15) *AUTHENTICATION.* This Note will not be valid until authenticated by the manual signature of an authorized signatory of the Trustee or an authenticating agent.

(16) *ABBREVIATIONS.* Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

(17) *ADDITIONAL RIGHTS OF HOLDERS.* In addition to the rights provided to Holders of Notes under the Indenture, Holders of the Notes will have all the rights set forth in the Registration Rights Agreement dated as of March 12, 2013, among the Company, the Guarantors and the other parties named on the signature pages thereof or, in the case of Additional Notes, Holders thereof will have the rights set forth in one or more registration rights agreements, if any, among the Company, the Guarantors and the other parties thereto, relating to rights given by the Company and the Guarantors to the purchasers of any Additional Notes.

(18) *CUSIP NUMBERS.* Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Company has caused CUSIP numbers to be printed on the Notes, and the Trustee may use CUSIP numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption, and reliance may be placed only on the other identification numbers placed thereon.

(19) *GOVERNING LAW. THE INTERNAL LAW OF THE STATE OF NEW YORK WILL GOVERN AND BE USED TO CONSTRUE THE INDENTURE, THIS NOTE AND THE NOTE GUARANTEES WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES OF CONFLICTS OF LAW TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY.*

(20) *SUCCESSOR ENTITY.* When a successor entity assumes, in accordance with the Indenture, all the obligations of its predecessor under the Notes and the Indenture, and immediately before and thereafter no Default or Event of Default exists and all other conditions of the Indenture are satisfied, the predecessor entity will be released from those obligations.

The Company will furnish to any Holder upon written request and without charge a copy of the Indenture and/or the Registration Rights Agreement. Requests may be made to:

Back of Regulation S Temporary Global Note  
6.125% Senior Notes due 2021

Capitalized terms used herein have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

(1) *INTEREST.* Acadia Healthcare Company, Inc., a Delaware corporation (the “*Company*”), promises to pay or cause to be paid interest on the principal amount of this Note at the rate of 6.125% per annum from March 12, 2013 until maturity and shall pay the Additional Interest, if any, payable pursuant to the Registration Rights Agreement referred to below. The Company will pay interest and Additional Interest, if any, semi-annually in arrears on March 15 and September 15 of each year (each, an “*Interest Payment Date*”), or if any such day is not a Business Day, on the next succeeding Business Day. Interest on the Notes will accrue from the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from the date of original issuance; [provided that, if this Note is authenticated between a record date referred to on the face hereof and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date;] provided further that the first Interest Payment Date shall be September 15, 2013. The Company will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal at a rate that is 1% higher than the then applicable interest rate on the Notes to the extent lawful; it will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest and Additional Interest, if any (without regard to any applicable grace period), at the same stepped-up rate to the extent lawful.

Interest will be computed on the basis of a 360-day year comprised of twelve 30-day months.

Until this Regulation S Temporary Global Note is exchanged for one or more Regulation S Permanent Global Notes, the Holder hereof shall not be entitled to receive payments of interest hereon; until so exchanged in full, this Regulation S Temporary Global Note shall in all other respects be entitled to the same benefits as other Notes under the Indenture.

(2) *METHOD OF PAYMENT.* The Company will pay interest on the Notes (except defaulted interest) and Additional Interest, if any, to the Persons who are registered Holders of Notes at the close of business on the March 1 and September 1 immediately preceding the Interest Payment Date (whether or not a Business Day), even if such Notes are canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Indenture with respect to defaulted interest. The Notes will be payable as to principal, premium, if any, and interest and Additional Interest, if any, at the office or agency of the Paying Agent and Registrar within the City and State of New York, or, at the option of the Company, payment of interest and Additional Interest, if any, due on an Interest Payment Date may be made by check mailed to the Holders at their addresses set forth in the register of Holders; provided that payment by wire transfer of immediately available funds will be required with respect to principal of,

premium, if any, on, and interest and Additional Interest, if any, on, all Global Notes and, with respect to interest and Additional Interest, if any, due on an Interest Payment Date, all other Notes the Holders of which will have provided wire transfer instructions to the Paying Agent at least five Business Days prior to the Interest Payment Date. Such payments will be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

(3) *PAYING AGENT AND REGISTRAR.* Initially, U.S. Bank National Association, the Trustee under the Indenture, will act as Paying Agent and Registrar. The Company may change the Paying Agent or Registrar without prior notice to the Holders of the Notes. The Company or any of its Subsidiaries may act as Paying Agent or Registrar.

(4) *INDENTURE.* The Company issued the Notes under an Indenture dated as of March 12, 2013 (the “*Indenture*”) among the Company, the Guarantors and the Trustee. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the TIA. The Notes are subject to all such terms, and Holders are referred to the Indenture and the TIA for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. The Notes are unsecured obligations of the Company. The Indenture does not limit the aggregate principal amount of Notes that may be issued thereunder.

(5) *OPTIONAL REDEMPTION.*

(a) At any time prior to March 15, 2016, the Company may on any one or more occasions redeem up to 35% of the aggregate principal amount of Notes issued under the Indenture, upon not less than 30 nor more than 60 days’ notice, at a redemption price equal to 106.125% of the principal amount of the Notes redeemed, plus accrued and unpaid interest and Additional Interest, if any, to the date of redemption (subject to the rights of Holders of Notes on a relevant record date to receive interest on an Interest Payment Date occurring on or prior to the redemption date) with the net cash proceeds of an Equity Offering by the Company or contribution to the Company’s common equity capital made with the net cash proceeds of a concurrent Equity Offering by any direct or indirect parent company of the Company; *provided that:*

(B) the redemption occurs within 90 days of the date of the closing of such Equity Offering.

(b) At any time prior to March 15, 2016, the Company may on any one or more occasions redeem all or a part of the Notes, upon not less than 30 nor more than 60 days’ notice, at a redemption price equal to 100% of the principal amount

of the Notes redeemed, plus the Applicable Premium as of, and accrued and unpaid interest and Additional Interest, if any, to the redemption date, subject to the rights of Holders on a relevant record date to receive interest due on an Interest Payment Date occurring on or prior to the redemption date.

(c) Except pursuant to the preceding paragraphs (a) and (b), the Notes will not be redeemable at the Company's option prior to March 15, 2016.

(d) On or after March 15, 2016, the Company may on any one or more occasions redeem all or a part of the Notes, upon not less than 30 nor more than 60 days' notice, at the redemption prices (expressed as percentages of principal amount) set forth below, plus accrued and unpaid interest and Additional Interest, if any, on the Notes redeemed, to the applicable date of redemption, if redeemed during the 12-month period beginning on March 15 of the years indicated below, subject to the rights of Holders on a relevant record date to receive interest due on an Interest Payment Date occurring on or prior to the redemption date:

<u>Year</u>	<u>Percentage</u>
2016	104.594%
2017	103.063%
2018	101.531%
2019 and thereafter	100.000%

In connection with any redemption of the Notes (including with the net cash proceeds of an Equity Offering), any such redemption may, at the Company's discretion, be subject to one or more conditions precedent.

Unless the Company defaults in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable redemption date.

(6) *MANDATORY REDEMPTION.* The Company is not required to make mandatory redemption or sinking fund payments with respect to the Notes.

(7) *REPURCHASE AT OPTION OF HOLDER.*

(a) If there is a Change of Control, the Company will be required to make an offer (a "Change of Control Offer") to each Holder to repurchase all or any part (equal to \$1,000 or an integral multiple of \$1,000 in excess thereof; *provided* that any unpurchased portion of a Note must be in a minimum denomination of \$2,000) of each Holder's Notes at a purchase price in cash (the "Change of Control Payment") equal to 101% of the aggregate principal amount thereof plus accrued and unpaid interest and Additional Interest, if any, thereon to the date of purchase, subject to the rights of Holders on a relevant record date to receive interest due on an Interest Payment Date occurring on or prior to the purchase date (the "Change of Control Payment Date") (it being understood that to the extent any cash proceeds of a Change of Control are required to prepay the

Obligations under the Credit Agreement pursuant to the terms thereof, the Company will be required to first apply such cash proceeds to prepay such Obligations under the Credit Agreement but the Company will still be required to make a Change of Control Offer). Within 30 days following any Change of Control, the Company will mail a notice to each Holder setting forth the procedures governing the Change of Control Offer as required by the Indenture.

(b) Following the occurrence of certain Asset Sales, the Company may be required to offer to repurchase the Notes as required by the Indenture.

(8) *NOTICE OF REDEMPTION*. At least 30 days but not more than 60 days before a redemption date, the Company will mail or cause to be mailed, by first class mail, a notice of redemption to each Holder whose Notes are to be redeemed at its registered address, except that redemption notices may be mailed more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of the Indenture pursuant to Articles 8 or 11 thereof. Notes and portions of Notes selected will be in amounts of \$2,000 or whole multiples of \$1,000 in excess thereof (*provided*, that any unpurchased portion of a Note must be in a minimum denomination of \$2,000); except that if all of the Notes of a Holder are to be redeemed or purchased, the entire outstanding amount of Notes held by such Holder shall be redeemed or purchased.

(9) *DENOMINATIONS, TRANSFER, EXCHANGE*. The Notes are in registered form in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents in connection with a transfer of Notes. Holders will be required to pay all taxes due on transfer. The Company need not exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part. Also, the Company need not exchange or register the transfer of any Notes for a period of 15 days before a selection of Notes to be redeemed.

This Regulation S Temporary Global Note is exchangeable in whole or in part for one or more Global Notes only (i) on or after the termination of the 40-day distribution compliance period (as defined in Regulation S) and (ii) upon presentation of certificates (accompanied by an Opinion of Counsel, if applicable) required by Article 2 of the Indenture. Upon exchange of this Regulation S Temporary Global Note for one or more Global Notes, the Trustee shall cancel this Regulation S Temporary Global Note.

(10) *PERSONS DEEMED OWNERS*. The registered Holder of a Note may be treated as its owner for all purposes. Only registered Holders have rights under the Indenture.

(11) *AMENDMENT, SUPPLEMENT AND WAIVER*. Subject to certain exceptions, the Indenture, the Notes or the Note Guarantees may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes including Additional Notes, if any, voting as a single class (including,

without limitation, consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes), and any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of, premium on, if any, or interest or Additional Interest, if any, on the Notes, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of the Indenture or the Notes or the Note Guarantees may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes including Additional Notes, if any, voting as a single class (including, without limitation, consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes). Without the consent of any Holder of Notes, the Indenture, the Notes or the Note Guarantees may be amended or supplemented to cure any ambiguity, mistake, defect or inconsistency; to provide for uncertificated Notes in addition to or in place of certificated Notes; to provide for the assumption of the Company's or any Guarantor's obligations to Holders of the Notes and Note Guarantees by a successor to the Company or such Guarantor pursuant to the Indenture; to make any change that would provide any additional rights or benefits to the Holders of the Notes or that does not adversely affect the legal rights under the Indenture of any Holder in any material respects; to comply with the requirements of the SEC in order to effect or maintain the qualification of the Indenture under the TIA; to conform the text of the Indenture, the Notes or the Note Guarantees to any provision of the "Description of the Notes" section of the Offering Memorandum; to provide for the issuance of the Exchange Notes pursuant to the Registration Rights Agreement and the issuance of Additional Notes in accordance with the limitations set forth in the Indenture as of the Issue Date; to allow any Guarantor to execute a supplemental indenture to the Indenture and/or a Note Guarantee with respect to the Notes, to add security to or for the benefit of the Notes, or to confirm and evidence the release, termination or discharge of any Note Guarantee or Lien with respect to or securing the Notes when such release, termination or discharge is provided for under the Indenture; or to evidence and provide for the acceptance and appointment under the Indenture of a successor trustee pursuant to the requirements therefor.

(12) *DEFAULTS AND REMEDIES.* The Notes are subject to the Defaults and Events of Default set forth in Section 6.01 of the Indenture. The Holders of a majority in aggregate principal amount of the then outstanding Notes by written notice to the Trustee may, on behalf of the Holders of all the Notes, rescind an acceleration or waive an existing Default or Event of Default and its respective consequences under the Indenture except a continuing Default or Event of Default in the payment of principal of, premium on, if any, or interest or Additional Interest, if any, on, the Notes (except nonpayment of principal, premium, if any, or interest on the Notes that became due solely because of the acceleration of the Notes). The Company and the Guarantors are required to deliver to the Trustee annually a statement regarding compliance with the Indenture, and the Company is required, upon becoming aware of any Default or Event of Default, to deliver to the Trustee a statement specifying such Default or Event of Default.

(13) *TRUSTEE DEALINGS WITH COMPANY.* The Trustee, in its individual or any other capacity, may make loans to, accept deposits from, and perform services for the Company or its Affiliates, and may otherwise deal with the Company or its Affiliates, as if it were not the Trustee.

(14) *NO RECOURSE AGAINST OTHERS.* No director, officer, employee, incorporator or stockholder of the Company or any Guarantor, as such, will have any liability for any obligations of the Company or the Guarantors under the Notes, the Indenture, the Note Guarantees or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. The waiver may not be effective to waive liabilities under the federal securities laws.

(15) *AUTHENTICATION.* This Note will not be valid until authenticated by the manual signature of an authorized signatory of the Trustee or an authenticating agent.

(16) *ABBREVIATIONS.* Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

(17) *ADDITIONAL RIGHTS OF HOLDERS.* In addition to the rights provided to Holders of Notes under the Indenture, Holders of the Notes will have all the rights set forth in the Registration Rights Agreement dated as of March 12, 2013, among the Company, the Guarantors and the other parties named on the signature pages thereof or, in the case of Additional Notes, Holders thereof will have the rights set forth in one or more registration rights agreements, if any, among the Company, the Guarantors and the other parties thereto, relating to rights given by the Company and the Guarantors to the purchasers of any Additional Notes.

(18) *CUSIP NUMBERS.* Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Company has caused CUSIP numbers to be printed on the Notes, and the Trustee may use CUSIP numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption, and reliance may be placed only on the other identification numbers placed thereon.

(19) *GOVERNING LAW. THE INTERNAL LAW OF THE STATE OF NEW YORK WILL GOVERN AND BE USED TO CONSTRUE THE INDENTURE, THIS NOTE AND THE NOTE GUARANTEES WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES OF CONFLICTS OF LAW TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY.*

(20) *SUCCESSOR ENTITY.* When a successor entity assumes, in accordance with the Indenture, all the obligations of its predecessor under the Notes and the Indenture, and immediately before and thereafter no Default or Event of Default exists and all other conditions of the Indenture are satisfied, the predecessor entity will be released from those obligations.

The Company will furnish to any Holder upon written request and without charge a copy of the Indenture and/or the Registration Rights Agreement. Requests may be made to:

(f) In connection with the Exchange Offer, the Company shall (and shall cause each Guarantor to):

(iii) utilize the services of a depository for the Exchange Offer with an address in the Borough of Manhattan, the City of New York, which may be the Trustee or an affiliate thereof;

(iv) permit Holders to withdraw tendered Registrable Notes at any time prior to the close of business, New York City time, on the last Business Day on which the Exchange Offer shall remain open; and

(v) otherwise comply in all material respects with all applicable laws.

(g) As soon as practicable after the close of the Exchange Offer the Company shall (and shall cause each Guarantor to):

(i) accept for exchange all Registrable Notes validly tendered pursuant to the Exchange Offer and not validly withdrawn;

(ii) deliver or cause to be delivered to the Trustee for cancellation all Registrable Notes so accepted for exchange; and

(iii) cause the Trustee to authenticate and deliver promptly to each Holder validly tendering such Registrable Notes, Exchange Notes equal in principal amount to the Notes of such Holder so accepted for exchange.

(h) The Exchange Notes may be issued under (i) the Indenture or (ii) an indenture substantially identical to the Indenture (other than such changes as are necessary to comply with any requirements of the SEC to effect or maintain the qualification thereof under the TIA), which in either event will provide that the Exchange Notes will not be subject to the transfer restrictions set forth in the Indenture, and that the Exchange Notes and the Notes, if any, will be deemed one class of security (subject to the provisions of the Indenture).

(i) If: (i) prior to the consummation of the Exchange Offer, the Holders of a majority in aggregate principal amount of Registrable Notes determines in its or their reasonable judgment that (A) upon the advice of counsel that the Exchange Notes would not, upon receipt, be tradeable by the Holders thereof without restriction under the Securities Act and the Exchange Act and without material restrictions under applicable Blue Sky or state securities laws, or (B) the interests of the Holders under this Agreement, taken as a whole, would be materially adversely affected by the consummation of the Exchange Offer, and in the case of (A) or (B), notifies the Company in writing of such determination; (ii) any change in law or in applicable interpretations of the staff of the SEC would not permit the consummation of the Exchange Offer prior to the Effectiveness Date; (iii) subsequent to the consummation of the Exchange Offer, if any Initial Purchaser continues to hold any Notes for its own account, and such Initial Purchaser so requests; (iv) the Exchange Registration Statement is not declared effective on or prior to the Effectiveness Date for any reason; or (v) in the case of (A) any Holder not permitted by applicable law or SEC policy to participate in the Exchange Offer, (B) any Holder participating in the Exchange Offer that receives Exchange Notes that may not be sold without restriction under federal securities laws (other than due solely to the status of such Holder as an affiliate of the Company within the meaning of Rule 405 of the Securities Act) or (C) any broker-dealer that holds Notes acquired by such broker-dealer directly from the Company or any of its affiliates and, in each such case contemplated by clause (iii) or this clause (v), such Holder notifies the Company in writing within 20 Business Days of the consummation of the Exchange Offer, then the Company shall promptly (and in any event within five Business Days of such notification) deliver to the Holders (or in the case of an occurrence of any event described in clause (v) of this Section 2(i), to any such Holder) and the Trustee notice thereof (the “**Shelf Notice**”) and shall as promptly as practicable thereafter file an Initial Shelf Registration pursuant to Section 3.

### Section 3. *Shelf Registration.*

If a Shelf Notice is delivered pursuant to Section 2(i) prior to the commencement of the Exchange Offer, then this Section 3 shall apply to all Registrable Notes and the term “Shelf Notes” shall apply to all Registrable Notes. Otherwise, upon consummation of the Exchange Offer in accordance with Section 2, the provisions of Section 3 shall apply solely with respect to (i) Notes held by any Holder thereof not permitted to participate in the Exchange Offer, (ii) Notes held by any broker-dealer that acquired such Notes directly from the Company or any of its affiliates and (iii) Exchange Notes that are not freely tradeable, in each case as contemplated by Section 2(i)(v) hereof, *provided* that in each case that the relevant Holder has duly notified the Company within 20 Business Days of consummation of the Exchange Offer as required by Section 2(i)(v), and the term “Shelf Notes” shall apply solely with respect to Registrable Notes held by such Holder.

(a) *Initial Shelf Registration.* The Company shall (and shall cause each Guarantor to), as promptly as practicable, file with the SEC a Registration Statement for an offering to be made on a continuous basis pursuant to Rule 415 covering all of the Shelf Notes (the “**Initial Shelf Registration**”). The Company shall (and shall cause each Guarantor to) use its commercially reasonable efforts to cause the Initial Shelf Registration to be declared effective as promptly as practicable thereafter (but in no event later than the Shelf Effectiveness Date). The Initial Shelf Registration shall be on Form S-3 or another appropriate form permitting registration of such Shelf Notes for resale by Holders in the manner or manners reasonably designated by them (including, without limitation, one or more Underwritten Offerings). The Company and Guarantors shall not permit any securities other than the Shelf Notes to be included in any Shelf Registration. The Company shall (and shall cause each Guarantor to) use its commercially reasonable efforts to keep the Initial Shelf Registration continuously effective under the Securities Act until the date which is one year from the effectiveness date of the Initial Shelf Registration (subject to extension pursuant to Section 3(e) or Section 6) (the “**Effectiveness Period**”), or such shorter period ending when (i) all Shelf Notes covered by the Initial Shelf Registration have been sold in the manner contemplated in the Initial Shelf Registration (ii) a Subsequent Shelf Registration covering all of the Registrable Notes covered by and not sold under the Initial Shelf Registration or an earlier Subsequent Shelf Registration has been declared effective under the Securities Act, (iii) there cease to be any outstanding Shelf Notes registered thereunder or (iv) the date on which all Registrable Notes covered by such Shelf Registration become eligible for resale without regard to volume, manner of sale or other restrictions contained in Rule 144.

(b) *Subsequent Shelf Registrations.* If the Initial Shelf Registration or any Subsequent Shelf Registration (as defined below) ceases to be effective for any reason at any time during the Effectiveness Period (other than because of the sale of all of the securities registered thereunder), the Company shall (and shall cause each Guarantor to) use its commercially reasonable efforts to obtain the prompt withdrawal of any order suspending the effectiveness thereof, and in any event shall use its commercially reasonable efforts to, within 30 days of such cessation of effectiveness amend such Shelf Registration in a manner to obtain the withdrawal of the order suspending the effectiveness thereof, or file (and cause each Guarantor to file) a separate “shelf” Registration Statement pursuant to Rule 415 covering all of the Shelf Notes (a “**Subsequent Shelf Registration**”). If a Subsequent Shelf Registration is filed, the Company shall (and shall cause each Guarantor to) use its commercially reasonable efforts to cause the Subsequent Shelf Registration to be declared effective as soon as

practicable after such filing and to keep such Subsequent Shelf Registration continuously effective for a period equal to the number of days in the Effectiveness Period less the aggregate number of days during which the Initial Shelf Registration and any Subsequent Shelf Registration was previously continuously effective. As used herein the term “**Shelf Registration**” means the Initial Shelf Registration and any Subsequent Shelf Registrations.

(c) *Supplements and Amendments.* The Company shall (and shall cause each Guarantor to) use its reasonable best efforts to promptly supplement and amend any Shelf Registration if required by the rules, regulations or instructions applicable to the registration form used for such Shelf Registration, if required by the Securities Act, or if reasonably requested in writing by the Holders of a majority in aggregate principal amount of the Shelf Notes covered by such Shelf Registration with respect to information relating to such Holders or by any underwriter of such Registrable Notes in connection with an Underwritten Offering.

(d) *Provision of Information.* No Holder of Shelf Notes shall be entitled to include any of its Shelf Notes in any Shelf Registration pursuant to this Agreement unless such Holder furnishes to the Company and the Trustee in writing, within 20 days after receipt of a written request therefor, such information as the Company or the Trustee reasonably believe is required for inclusion in any Shelf Registration or Prospectus included therein and so requests, and no such Holder shall be entitled to Additional Interest pursuant to Section 4 hereof unless and until such Holder shall have provided such information.

(e) *Blackout Periods.* Notwithstanding anything to the contrary in this Agreement, at any time, the Company may delay the filing of any Initial Shelf Registration or Subsequent Shelf Registration or delay or suspend the effectiveness thereof, for a reasonable period of time, but not in excess of 90 days in the aggregate during any 12-month period (a “**Shelf Suspension Period**”), if the Company determines reasonably and in good faith that the filing of any such Initial Shelf Registration or Subsequent Shelf Registration or the continuing effectiveness thereof would require the disclosure of non-public material information that, in the reasonable judgment of the Company, would be detrimental to the Company if so disclosed or would otherwise materially adversely affect a financing, acquisition, disposition, merger or other material transaction or such action is required by applicable law.

#### Section 4. *Additional Interest.*

(a) The Company and each Guarantor acknowledges and agrees that the Holders of Registrable Notes will suffer damages if the Company or any Guarantor fails to fulfill its material obligations under Section 2 or Section 3 hereof and that it would not be feasible to ascertain the extent of such damages with precision. Accordingly, the Company and the Guarantors agree to pay additional cash interest on the Notes (“**Additional Interest**”) under the circumstances and to the extent set forth below (each event described in clauses (i) through (iii) below, a “**Registration Default**” and each of which shall be given independent effect):

(i) if the Exchange Registration Statement (or in lieu thereof, a Shelf Registration) has not been filed on or prior to the Filing Date, Additional Interest shall accrue on the Notes over and above any stated interest at a rate of 0.25% per annum of the principal amount of such Notes for the first 90 days immediately following the Filing Date, such Additional Interest rate increasing by an additional 0.25% per annum at the beginning of each subsequent 90-day period;

(ii) if the Exchange Registration Statement (or in lieu thereof, a Shelf Registration) is not declared effective on or prior to the Effectiveness Date, Additional Interest shall accrue on the Notes over and above any stated interest at a rate of 0.25% per annum of the principal amount of such Notes for the first 90 days immediately following the Effectiveness Date, such Additional Interest rate increasing by an additional 0.25% per annum at the beginning of each subsequent 90-day period;

(iii) if (A) the Company (and any Guarantor) has not exchanged Exchange Notes for all Notes validly tendered in accordance with the terms of the Exchange Offer on or prior to the 60th Business Day after the Effectiveness Date, (B) the Exchange Registration Statement ceases to be effective at any time prior to the time that the Exchange Offer is consummated, (C) if applicable, a Shelf Registration has been declared effective and such Shelf Registration ceases to be effective at any time prior to the first anniversary of its effective date (other than such time as all Notes have been disposed of thereunder) and is not declared effective again within 30 days, or (D) the Company issues a valid notice to suspend the use of the prospectus included in any Shelf Registration and such suspensions, when taken together with all other suspensions, if any, during any 12-month period exceeds 120 days, then, in each such case, Additional Interest shall accrue on the Notes, over and above any stated interest, at a rate of 0.25% per annum of the principal amount of such Notes commencing on (w) the 61st Business Day after the Effectiveness Date, in the case of (A) above, (x) the date the Exchange Registration Statement ceases to be effective without being declared effective again within 30 days, in the case of clause (B) above, (y) the day such Shelf Registration ceases to be effective without being declared effective again within 30 days in case of (C) above, or (z) the day the Shelf Registration has ceased to be usable for a period exceeding 120 days during any 12-month period in case of clause (D) above, such Additional Interest rate increasing by an additional 0.25% per annum at the beginning of each such subsequent 90-day period;

*provided, however*, that the maximum Additional Interest rate on the Notes may not exceed at any one time in the aggregate 1.00% per annum; and *provided further*, that (1) upon the filing of the Exchange Registration Statement (in the case of (i) above), (2) upon the effectiveness of the Exchange Registration Statement (in the case of (ii) above), (3) upon the effectiveness of the Initial Shelf Registration or the Shelf Registration or, if Additional Interest shall be payable solely because an Initial Shelf Registration required pursuant to Section 2(i)(iv) has not been declared effective prior to the Shelf Effectiveness Date, upon the effectiveness of the Exchange Registration Statement (in the

case of (i) or (ii) above) or (4) upon the exchange of Exchange Notes for all Notes tendered (in the case of clause (iii)(A) above), or upon the effectiveness of the Exchange Registration Statement that had ceased to remain effective (in the case of clause (iii)(B) above), or upon the effectiveness of a Shelf Registration which had ceased to remain effective (in the case of clause (iii)(C) above), or upon valid notice by the Company that the suspended Shelf Registration has again become usable (in the case of clause (iii)(D) above), Additional Interest on the Notes or the Shelf Note, as applicable, as a result of such clause (or the relevant subclause thereof) shall cease to accrue. Notwithstanding the foregoing, (x) the amount of Additional Interest payable shall not increase because more than one Registration Default has occurred and is pending, and (y) Additional Interest shall be payable for Registration Defaults related to a failure of the Company to cause a Shelf Registration to be declared effective only to Holders of Shelf Notes. Additional Interest pursuant to this Section 4 shall be the sole and exclusive remedy available to the Holders with respect to a Registration Default.

(b) The Company shall notify the Trustee within five Business Days after each and every date on which a Registration Default occurs in respect of which Additional Interest is required to be paid. Any accrued amounts of Additional Interest due pursuant to clause (a)(i) or (a)(ii) of this Section 4 will be payable in cash in arrears, on the dates and in the manner provided in the Indenture and whether or not any cash interest would then be payable on such date, commencing with the first such semi-annual date occurring after any such Additional Interest commences to accrue. The amount of Additional Interest will be determined by multiplying the applicable Additional Interest rate by the applicable principal amount of the Notes or the Shelf Notes, as applicable, multiplied by a fraction, the numerator of which is the number of days such Additional Interest rate was applicable during such period (determined on the basis of a 360-day year comprised of twelve 30-day months and, in the case of a partial month, the actual number of days elapsed), and the denominator of which is 360.

#### Section 5. *Hold-Back Agreements.*

The Company agrees that it will not effect any public or private sale or distribution (including a sale pursuant to Regulation D under the Securities Act) of any securities the same as or substantially the same as those covered by a Registration Statement filed pursuant to Section 2 or 3 hereof (other than Additional Notes (as defined in the Indenture) issued under the Indenture), or any securities convertible into or exchangeable or exercisable for such securities, during the 10 days prior to, and during the 90-day period beginning on, the effective date of any Registration Statement filed pursuant to Sections 2 and 3 hereof unless the Holders of a majority in the aggregate principal amount of the Registrable Notes to be included in such Registration Statement consent, if the managing underwriter thereof so requests in writing.

#### Section 6. *Registration Procedures.*

In connection with the filing of any Registration Statement pursuant to Sections 2 or 3 hereof, the Company shall (and shall cause each Guarantor to) effect such registrations to permit the sale of such securities covered thereby in accordance with the

intended method or methods of disposition thereof, and pursuant thereto and in connection with any Registration Statement filed by the Company hereunder, the Company shall (and shall cause each Guarantor to):

(a) Prepare and file with the SEC, on or prior to the Filing Date, the Exchange Registration Statement, or if the Exchange Registration Statement is not filed because of the circumstances contemplated by Section 2(a)(i), a Shelf Registration as prescribed by Section 3, and use its commercially reasonable efforts to cause each such Registration Statement to become effective and remain effective as provided herein; *provided* that, if (A) a Shelf Registration is filed pursuant to Section 3 or (B) a Prospectus contained in an Exchange Registration Statement filed pursuant to Section 2 is required to be delivered under the Securities Act by any Participating Broker-Dealer who seeks to sell Exchange Notes during the Applicable Period relating thereto from whom the Company has received prior written notice that it will be a Participating Broker-Dealer in the Exchange Offer, before filing any Registration Statement or Prospectus or any amendments or supplements thereto the Company shall (and shall cause each Guarantor to), if requested, furnish to and afford, in the case of clause (A) above, the Holders of the Registrable Notes to be registered pursuant to such Shelf Registration, in the case of clause (B) above, each Participating Broker-Dealer, the managing underwriters in an Underwritten Offering, if any, and each of their respective counsel, a reasonable opportunity to review copies of all such documents (including copies of any documents to be incorporated by reference therein and all exhibits thereto) proposed to be filed (in each case at least five Business Days prior to such filing). The Company and each Guarantor shall not file any such Registration Statement or Prospectus or any amendments or supplements thereto in respect of which the Holders must provide information for the inclusion therein without the Holders being afforded an opportunity to review such documentation if the holders of a majority in aggregate principal amount of the Registrable Notes covered by such Registration Statement, or any such Participating Broker-Dealer, as the case may be, the managing underwriters in an Underwritten Offering, if any, or any of their respective counsel shall reasonably object in writing within five Business Days after the receipt hereof. A Holder shall be deemed to have reasonably objected to such filing if such Holder's objection to such Registration Statement, amendment, Prospectus or supplement, as applicable, as proposed to be filed, relates to an untrue statement of a material fact or an omission to state any material fact necessary to make the statements therein not misleading or a failure to comply with the applicable requirements of the Securities Act.

(b) Provide an indenture trustee for the Registrable Notes or the Exchange Notes, as the case may be, and cause the Indenture (or other indenture relating to the Registrable Notes) to be qualified under the TIA not later than the effective date of the first Registration Statement; and in connection therewith, to effect such changes to such indenture as may be required for such indenture to be so qualified in accordance with the terms of the TIA; and execute, and use its commercially reasonable efforts to cause such trustee to execute, all documents as may be required to effect such changes, and all other forms and documents required to be filed with the SEC to enable such indenture to be so qualified in a timely manner.

(c) Prepare and file with the SEC such pre-effective amendments and post-effective amendments to each Shelf Registration or Exchange Registration Statement, as the case may be, as may be necessary to keep such Registration Statement continuously effective for the Effectiveness Period or the Applicable Period or until consummation of the Exchange Offer, as the case may be, cause the related Prospectus to be supplemented by any Prospectus supplement required by applicable law, and as so supplemented to be filed pursuant to Rule 424 (or any similar provisions then in force) promulgated under the Securities Act; and comply with the provisions of the Securities Act and the Exchange Act applicable to them with respect to the disposition of all securities covered by such Registration Statement as so amended or in such Prospectus as so supplemented and with respect to the subsequent resale of any securities being sold by a Participating Broker-Dealer in the manner disclosed to the Company by such Participating Broker-Dealer covered by any such Prospectus. The Company and each Guarantor shall not, during the Applicable Period, knowingly take any action that would result in selling Holders of the Registrable Notes covered by a Shelf Registration or Participating Broker-Dealers seeking to sell Exchange Notes not being able to sell such Registrable Notes or such Exchange Notes during that period, unless such action is required by applicable law, rule or regulation or permitted by this Agreement.

(d) Furnish to such selling Holders and Participating Broker-Dealers who so request in writing (i) upon the Company's receipt, a copy of the order of the SEC declaring such Registration Statement and any post-effective amendment thereto effective, (ii) such reasonable number of copies of such Registration Statement and of each amendment and supplement thereto (in each case including any documents incorporated therein by reference and all exhibits unless such documents or exhibits are publicly available) and (iii) such reasonable number of copies of the Prospectus included in such Registration Statement (including each preliminary Prospectus) and each amendment and supplement thereto, and such reasonable number of copies of the final Prospectus as filed by the Company and each Guarantor pursuant to Rule 424(b) under the Securities Act, in conformity with the requirements of the Securities Act and each amendment and supplement thereto (including any amendments required to be filed pursuant to clause (c) of this Section). Subject to Section 3(c) hereof, the Company and the Guarantors hereby consent to the use of the Prospectus by each of the selling Holders of Registrable Notes or each such Participating Broker-Dealer, as the case may be, and the underwriters or agents, if any, and dealers, if any, in connection with the offering and sale of the Registrable Notes covered by, or the sale by Participating Broker-Dealers of the Exchange Notes pursuant to, such Prospectus and any amendment or supplement thereto.

(e) If (i) a Shelf Registration is filed pursuant to Section 3, or (ii) a Prospectus contained in an Exchange Registration Statement filed pursuant to Section 2 is required to be delivered under the Securities Act by any Participating Broker-Dealer who seeks to sell Exchange Notes during the Applicable Period relating thereto from whom the Company has received written notice that it will be a Participating Broker-Dealer in the Exchange Offer, the Company shall notify in writing the selling Holders of Registrable Notes, or each such Participating Broker-Dealer, as the case may be, the managing underwriters in an Underwritten Offering, if any, and each of their respective counsel

promptly (but in any event within two Business Days) (A) when a Prospectus or any Prospectus supplement or post-effective amendment has been filed, and, with respect to a Registration Statement or any post-effective amendment, when the same has become effective (including in such notice a written statement that any Holder may, upon request, obtain, without charge, one conformed copy of such Registration Statement or post-effective amendment including financial statements and schedules, documents incorporated or deemed to be incorporated by reference and exhibits), (B) of the issuance by the SEC of any stop order suspending the effectiveness of a Registration Statement or of any order preventing or suspending the use of any Prospectus or the initiation of any proceedings for that purpose, (C) if at any time when a Prospectus is required by the Securities Act to be delivered in connection with sales of the Registrable Notes the representations and warranties of the Company and any Guarantor contained in any agreement (including any underwriting agreement) contemplated by Section 6(n) hereof cease to be true and correct, in all material respects, during the relevant offering period, (D) of the receipt by the Company or any Guarantor of any notification with respect to the suspension of the qualification or exemption from qualification of a Registration Statement or any of the Registrable Notes or the Exchange Notes to be sold by any Participating Broker-Dealer for offer or sale in any jurisdiction, or the initiation or threatening of any proceeding for such purpose, (E) of the happening of any event, the existence of any condition or any information becoming known to the Company that makes any statement made in such Registration Statement or related Prospectus or any document incorporated or deemed to be incorporated therein by reference untrue in any material respect or that requires the making of any changes in, or amendments or supplements to, such Registration Statement, Prospectus or documents so that, in the case of the Registration Statement, it will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein to make the statement not misleading, or in the case of a Prospectus or documents incorporated or deemed to be incorporated by reference, it will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, (F) of any reasonable determination by the Company or any Guarantor that a post-effective amendment to a Registration Statement would be appropriate and (G) of any request by the SEC for amendments to the Registration Statement or supplements to the Prospectus or for additional information relating thereto.

(f) Use its commercially reasonable efforts to prevent the issuance of any order suspending the effectiveness of a Registration Statement or of any order preventing or suspending the use of a Prospectus or suspending the qualification (or exemption from qualification) of any of the Registrable Notes or the Exchange Notes to be sold by any Participating Broker-Dealer, for sale in any jurisdiction, and, if any such order is issued, to use its commercially reasonable efforts to obtain the withdrawal of any such order at the earliest possible date.

(g) If (i) a Shelf Registration is filed pursuant to Section 3, (ii) a Prospectus contained in an Exchange Registration Statement filed pursuant to Section 2 is required to be delivered under the Securities Act by any Participating Broker-Dealer who seeks to sell Exchange Notes during the Applicable Period or (iii) reasonably requested in writing

by the managing underwriters, if any, or the Holders of a majority in aggregate principal amount of the Registrable Notes being sold in connection with an Underwritten Offering, other than during a Shelf Suspension Period (A) promptly incorporate in a Prospectus supplement or post-effective amendment such information or revisions to information therein relating to such underwriters or selling Holders as the managing underwriters, if any, or such Holders or any of their respective counsel reasonably request in writing to be included or made therein and (B) make all required filings of such Prospectus supplement or such post-effective amendment as soon as practicable after the Company has received notification of the matters to be incorporated in such Prospectus supplements or post-effective amendment; *provided, however*, that the Company shall not be required to take any action hereunder that would, in the written opinion of counsel to the Company, violate applicable laws.

(h) Prior to any public offering of Registrable Notes or any delivery of a Prospectus contained in the Exchange Registration Statement by any Participating Broker-Dealer who seeks to sell Exchange Notes during the Applicable Period, use its commercially reasonable efforts to register or qualify, and to cooperate with the selling Holders of Registrable Notes or each such Participating Broker-Dealer, as the case may be, the underwriters, if any, and their respective counsel in connection with the registration or qualification (or exemption from such registration or qualification) of such Registrable Notes or Exchange Notes, as the case may be, for offer and sale under the securities or Blue Sky laws of such jurisdictions within the United States as any selling Holder, Participating Broker-Dealer or any managing underwriter or underwriters, if any, in an Underwritten Offering reasonably request in writing; *provided*, that where Exchange Notes held by Participating Broker-Dealers or Registrable Notes are offered other than through an Underwritten Offering, the Company and each Guarantor shall use its commercially reasonable efforts to cause its counsel to perform Blue Sky investigations and shall use its commercially reasonable efforts to file any registrations and qualifications required to be filed pursuant to this Section 6(h), use its commercially reasonable efforts to keep each such registration or qualification (or exemption therefrom) effective during the period such Registration Statement is required to be kept effective and use its commercially reasonable efforts to do any and all other acts or things reasonably necessary or advisable to enable the disposition in such jurisdictions of the Exchange Notes held by Participating Broker-Dealers or the Registrable Notes covered by the applicable Registration Statement; *provided* that neither the Company nor any Guarantor shall be required to (i) qualify generally to do business in any jurisdiction where it is not then so qualified, (ii) take any action that would subject it to general service of process in any such jurisdiction where it is not then so subject or (iii) subject itself to taxation in any such jurisdiction where it is not then so subject.

(i) If (i) a Shelf Registration is filed pursuant to Section 3 or (ii) a Prospectus contained in an Exchange Registration Statement filed pursuant to Section 2 is requested to be delivered under the Securities Act by any Participating Broker-Dealer who seeks to sell Exchange Notes during the Applicable Period, cooperate with the selling Holders of Registrable Notes and the managing underwriter or underwriters, if any, in an Underwritten Offering to facilitate the timely preparation and delivery of certificates representing Registrable Notes to be sold, which certificates shall not bear any restrictive

legends and shall be in a form eligible for deposit with The Depository Trust Company, and enable such Registrable Notes to be in such denominations permitted by the Indenture and registered in such names as the managing underwriter or underwriters, if any, in an Underwritten Offering or Holders may reasonably request.

(j) Use its commercially reasonable efforts to cause the Registrable Notes covered by any Registration Statement to be registered with or approved by such U.S. governmental agencies or authorities as may be necessary to enable the seller or sellers thereof or the underwriter, if any, to consummate the disposition of such Registrable Notes, except as may be required solely as a consequence of the nature of such selling Holder's business, in which case the Company shall (and shall cause each Guarantor to) cooperate in all reasonable respects with the filing of such Registration Statement and the granting of such approvals; *provided* that neither the Company nor any Guarantor shall be required to (i) qualify generally to do business in any jurisdiction where it is not then so qualified, (ii) take any action that would subject it to general service of process in any jurisdiction where it is not then so subject or (iii) subject itself to taxation in any such jurisdiction where it is not then so subject.

(k) If (i) a Shelf Registration is filed pursuant to Section 3, or (ii) a Prospectus contained in an Exchange Registration Statement filed pursuant to Section 2 is required to be delivered under the Securities Act by any Participating Broker-Dealer who seeks to sell Exchange Notes during the Applicable Period, upon the occurrence of any event contemplated by paragraph 6(e)(v) (other than during a Shelf Suspension Period), as promptly as practicable, prepare and file with the SEC, at the expense of the Company and the Guarantors, a supplement or post-effective amendment to the Registration Statement or a supplement to the related Prospectus or any document incorporated or deemed to be incorporated therein by reference, or file any other required document so that, as thereafter delivered to the purchasers of the Registrable Notes being sold thereunder or to the purchasers of the Exchange Notes to whom such Prospectus will be delivered by a Participating Broker-Dealer, such Registration Statement will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein to make the statements not misleading or such Prospectus or documents incorporated by reference or deemed to be incorporated by reference will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, and, if SEC review is required, use its commercially reasonable efforts to cause such post-effective amendment to be declared effective as soon as possible.

(l) Use its commercially reasonable efforts to cause the Registrable Notes covered by a Registration Statement to be rated with such appropriate rating agencies, if so requested in writing by the Holders of a majority in aggregate principal amount of the Registrable Notes covered by such Registration Statement or the managing underwriter or underwriters, if any.

(m) Prior to the initial issuance of the Exchange Notes, (i) provide the Trustee with one or more certificates for the Exchange Notes in a form eligible for deposit with The Depository Trust Company and (ii) provide a CUSIP number for the Exchange Notes.

(n) In connection with an Underwritten Offering of Registrable Securities pursuant to a Shelf Registration filed pursuant to Section 3, enter into such agreements (including an underwriting agreement in form, scope and substance as is customary in underwritten offerings of debt securities similar to the Notes, as may be appropriate in the circumstances) and take all such other actions in connection therewith (including those reasonably requested in writing by the managing underwriters, if any, or the Holders of a majority in aggregate principal amount of the Registrable Notes being sold) in order to expedite or facilitate the registration or the disposition of such Registrable Notes, and in such connection: (i) make such representations and warranties to the Holders and the underwriters, if any, with respect to the business of the Company and its subsidiaries as then conducted, and the Registration Statement, Prospectus and documents, if any, incorporated or deemed to be incorporated by reference therein, in each case, in form, substance and scope as are customarily made by issuers to underwriters in underwritten offerings of debt securities similar to the Notes, as may be appropriate in the circumstances, and confirm the same if and when reasonably required; (ii) use its commercially reasonable efforts to obtain an opinion of counsel to the Company and the Guarantors and updates thereof (which counsel and opinions (in form, scope and substance) shall be reasonably satisfactory to the managing underwriters, if any, and the Holders of a majority in aggregate principal amount of the Registrable Notes being sold), addressed to each selling Holder and addressed to each of the underwriters, if any, covering the matters customarily covered in opinions of counsel to the Company and the Guarantors requested in underwritten offerings of debt securities similar to the Notes, as may be appropriate in the circumstances; (iii) use its commercially reasonable efforts to obtain “cold comfort” letters and updates thereof (which letters and updates (in form, scope and substance) shall be reasonably satisfactory to the managing underwriters) from the independent certified public accountants of the Company and the Guarantors (and, if necessary, any other independent certified public accountants of any subsidiary of the Company or of any business acquired by the Company for which financial statements and financial data are, or are required to be, included in the Registration Statement), addressed to each of the underwriters, such letters to be in customary form and covering matters of the type customarily covered in “cold comfort” letters in connection with underwritten offerings of debt securities similar to the Notes, as may be appropriate in the circumstances, and such other matters as reasonably requested in writing by the underwriters; and (iv) deliver such documents and certificates as may be reasonably requested in writing by the Holders of a majority in aggregate principal amount of the Registrable Notes being sold and the managing underwriters, if any, to evidence the continued validity of the representations and warranties of the Company and its subsidiaries made pursuant to clause (i) above and to evidence compliance with any conditions contained in the underwriting agreement or other similar agreement entered into by the Company or any Guarantor.

(o) If (i) a Shelf Registration is filed pursuant to Section 3, or (ii) a Prospectus contained in an Exchange Registration Statement filed pursuant to Section 2 is required to be delivered under the Securities Act by any Participating Broker-Dealer who seeks to

sell Exchange Notes during the Applicable Period, make available for inspection by any selling Holder of such Registrable Notes being sold, or each such Participating Broker-Dealer, as the case may be, any underwriter participating in any such disposition of Registrable Notes, if any, and any attorney, accountant or other agent retained by any such selling Holder or each such Participating Broker-Dealer, as the case may be, or underwriter (collectively, the “**Inspectors**”), at the offices where normally kept, during reasonable business hours and in a reasonable manner, all pertinent financial and other records and pertinent corporate documents of the Company and its subsidiaries (collectively, the “**Records**”) as shall be reasonably requested by them and necessary to enable them to exercise any applicable due diligence responsibilities, and cause the officers, directors and employees of the Company and its subsidiaries to supply all information reasonably requested in writing by any such Inspector in connection with such Registration Statement; *provided* that the foregoing inspection and information gathering on behalf of the Holders shall be coordinated by one counsel designated by and on behalf of the Holders. Each Inspector shall agree in writing that it will keep the Records confidential and it will not disclose, any of the Records unless (A) the disclosure of such Records is necessary to avoid or correct a misstatement or omission in such Registration Statement, (B) the release of such Records is ordered pursuant to a subpoena or other order from a court of competent jurisdiction, (C) the information in such Records is public or has been made generally available to the public other than as a result of a disclosure or failure to safeguard by such Inspector or (D) disclosure of such information is, in the reasonable written opinion of counsel for any Inspector, necessary or advisable in connection with any action, claim, suit or proceeding, directly or indirectly, involving or potentially involving such Inspector and arising out of, based upon, related to, or involving this Agreement, or any transaction contemplated hereby or arising hereunder. Each selling Holder of such Registrable Notes and each such Participating Broker-Dealer will be required to agree that information obtained by it as a result of such inspections shall be deemed confidential and shall not be used by it as the basis for any market transactions in the securities of the Company unless and until such information is made generally available to the public. Each Inspector, each selling Holder of such Registrable Notes and each such Participating Broker-Dealer will be required to further agree that it will, upon learning that disclosure of such Records is sought in a court of competent jurisdiction, give notice to the Company and, to the extent practicable, use its commercially reasonable efforts to allow the Company, at its expense, to undertake appropriate action to prevent disclosure of the Records deemed confidential at its expense.

(p) Use commercially reasonable efforts to comply with all applicable rules and regulations of the SEC and make generally available to the security holders of the Company with regard to any Applicable Registration Statement earning statements satisfying the provisions of section 11(a) of the Securities Act and Rule 158 thereunder (or any similar rule promulgated under the Securities Act) no later than 45 days after the end of any 12-month period (or 90 days after the end of any 12-month period if such period is a fiscal year) (i) commencing at the end of any fiscal quarter in which Registrable Notes are sold to underwriters in a firm commitment or best efforts Underwritten Offering and (ii) if not sold to underwriters in such an offering, commencing on the first day of the first fiscal quarter of the Company after the effective date of a Registration Statement, which statements shall cover said 12-month periods.

(q) If the Exchange Offer is to be consummated, upon delivery of the Registrable Notes by the Holders to the Company and the Guarantors (or to such other Person as directed by the Company and the Guarantors) in exchange for the Exchange Notes, the Company and the Guarantors shall mark, or caused to be marked, on such Registrable Notes that the Exchange Notes are being issued as substitute evidence of the indebtedness originally evidenced by the Registrable Notes; *provided* that in no event shall such Registrable Notes be marked as paid or otherwise satisfied.

(r) Cooperate with each seller of Registrable Notes covered by any Registration Statement and each underwriter, if any, participating in the disposition of such Registrable Notes and their respective counsel in connection with any filings required to be made with FINRA.

(s) Use its commercially reasonable efforts to take all other steps reasonably necessary to effect the registration of the Registrable Notes covered by a Registration Statement contemplated hereby.

(t) Each seller of Registrable Notes or Participating Broker-Dealer as to which any registration is being effected shall furnish to the Company such information regarding such seller or Participating Broker-Dealer and the distribution of such Registrable Notes as the Company may, from time to time, reasonably request in writing. The Company may exclude from such registration the Registrable Notes of any seller who fails to furnish such information within a reasonable time (which time in no event shall exceed 20 days, subject to Section 3(d) hereof) after receiving such request. Each seller of Registrable Notes or Participating Broker-Dealer as to which any registration is being effected agrees to furnish promptly to the Company all information required to be disclosed in order to make the information previously furnished by such seller not materially misleading.

(u) Each Holder of Registrable Notes and each Participating Broker-Dealer agrees by acquisition of such Registrable Notes or Exchange Notes to be sold by such Participating Broker-Dealer, as the case may be, that, upon receipt of any notice from the Company of the happening of any event of the kind described in Section 6(e)(ii)(B), 6(e)(ii)(D) and 6(e)(ii)(E) or the commencement of a Shelf Suspension Period, such Holder will forthwith discontinue disposition of such Registrable Notes covered by a Registration Statement and such Participating Broker-Dealer will forthwith discontinue disposition of such Exchange Notes pursuant to any Prospectus and, in each case, forthwith discontinue dissemination of such Prospectus until such Holder's or Participating Broker-Dealer's receipt of the copies of the supplemented or amended Prospectus contemplated by Section 6(k), or until it is advised in writing (the "**Advice**") by the Company that the use of the applicable Prospectus may be resumed, and has received copies of any amendments or supplements thereto and, if so directed by the Company, such Holder or Participating Broker-Dealer, as the case may be, will deliver to the Company all copies, other than permanent file copies, then in such Holder's or

Participating Broker-Dealer's possession, of the Prospectus covering such Registrable Notes current at the time of the receipt of such notice. In the event the Company and the Guarantors shall give any such notice, the Applicable Period shall be extended by the number of days during such periods from and including the date of the giving of such notice to and including the date when each Participating Broker-Dealer shall have received (x) the copies of the supplemented or amended Prospectus contemplated by Section 6(k) or (y) the Advice.

*Section 7. Registration Expenses.*

(a) All fees and expenses incident to the performance of or compliance with this Agreement by the Company and the Guarantors shall be borne by the Company and the Guarantors, whether or not the Exchange Offer or a Shelf Registration is filed or becomes effective, including, without limitation: (i) all registration and filing fees, including, without limitation, (A) fees with respect to filings required to be made with FINRA in connection with any underwritten offering and (B) fees and expenses of compliance with state securities or Blue Sky laws as provided in Section 6(h) hereof (including, without limitation, reasonable fees and disbursements of counsel in connection with Blue Sky qualifications of the Registrable Notes or Exchange Notes and determination of the eligibility of the Registrable Notes or Exchange Notes for investment under the laws of such jurisdictions (x) where the Holders are located, in the case of the Exchange Notes, or (y) as provided in Section 6(h), in the case of Registrable Notes or Exchange Notes to be sold by a Participating Broker-Dealer during the Applicable Period), (ii) printing expenses, including, without limitation, expenses of printing Prospectuses if the printing of Prospectuses is requested by the managing underwriter or underwriters, if any, in an Underwritten Offering or by the Holders of a majority in aggregate principal amount of the Registrable Notes included in any Shelf Registration or by any Participating Broker-Dealer during the Applicable Period, as the case may be, (iii) messenger, telephone and delivery expenses incurred in connection with the performance of their obligations hereunder, (iv) fees and disbursements of counsel for the Company, the Guarantors and, to the extent provided in Section 7(b), the Holders, (v) fees and disbursements of all independent certified public accountants referred to in Section 6 (including, without limitation, the expenses of any special audit and "cold comfort" letters required by or incident to such performance), (vi) rating agency fees, if any, and the fees and expenses incurred in connection with making Exchange Notes eligible for trading through the Depository Trust Company, (vii) Securities Act liability insurance, if the Company and the Guarantors desire such insurance, (viii) fees and expenses of all other Persons retained by the Company and the Guarantors, (ix) fees and expenses of any "qualified independent underwriter" or other independent appraiser participating in an offering pursuant to Section 3 of Schedule E to the By-laws of FINRA, but only where the need for such a "qualified independent underwriter" arises due to a relationship with the Company and the Guarantors, (x) internal expenses of the Company and the Guarantors (including, without limitation, all salaries and expenses of officers and employees of the Company or the Guarantors performing legal or accounting duties), (xi) the expense of any annual audit, (xii) the fees and expenses of the Trustee and the Exchange Agent and (xiii) the expenses relating to printing, word processing and distributing all Registration Statements, underwriting

agreements and indentures relating to the Notes or the Exchange Notes and any other documents necessary in order to comply with this Agreement. Notwithstanding anything to the contrary, each Holder shall pay all underwriting discounts and commissions of any underwriters with respect to any Registrable Notes sold by or on behalf of it.

(b) The Company and the Guarantors shall reimburse the Holders for the reasonable fees and disbursements of not more than one counsel chosen by the Holders of a majority in aggregate principal amount of the Registrable Notes to be included in any Shelf Registration. The Company and the Guarantors shall pay all documentary, stamp, transfer or other transactional taxes attributable to the issuance or delivery of the Exchange Notes in exchange for the Notes; *provided* that the Company shall not be required to pay taxes payable in respect of any transfer involved in the issuance or delivery of any Exchange Note in a name other than that of the Holder of the Note in respect of which such Exchange Note is being issued. The Company and the Guarantors shall reimburse the Holders for fees and expenses (including reasonable fees and expenses of counsel to the Holders) relating to any enforcement of any rights of the Holders under this Agreement.

Section 8. *Indemnification.*

(a) *Indemnification by the Company and the Guarantors.* The Company and the Guarantors jointly and severally agree to indemnify and hold harmless each Holder of Registrable Notes and each Participating Broker-Dealer selling Exchange Notes during the Applicable Period, each Person, if any, who controls each such Holder (within the meaning of Section 15 of the Securities Act or Section 20(a) of the Exchange Act) and the officers, directors, agents, employees and partners of each such Holder, Participating Broker-Dealer and controlling person, to the fullest extent lawful, from and against any and all losses, claims, damages, liabilities, costs (including, without limitation, reasonable costs of preparation and reasonable attorneys' fees as provided in this Section 8) and reasonable expenses (including, without limitation, reasonable costs and expenses incurred in connection with investigating, preparing, pursuing or defending against any of the foregoing) (collectively, "**Losses**"), as incurred, directly or indirectly caused by, related to, based upon, or arising out of or in connection with, in the case of the Registration Statement or in any amendments thereto, any untrue statement or alleged untrue statement of a material fact contained in any Registration Statement or Prospectus or any omission or alleged omission to state therein a material fact required to be stated therein to make the statements not misleading, or in the case of any Prospectus or form of prospectus, or in any amendment or supplement thereto, or in any preliminary prospectus, any untrue or alleged untrue statement of a material fact contained therein or any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, except insofar as such Losses are solely based upon information relating to such Holder or Participating Broker-Dealer and furnished in writing to the Company and the Guarantors by such Holder or Participating Broker-Dealer or their counsel expressly for use therein.

(b) *Indemnification by Holder.* In connection with any Registration Statement, Prospectus or form of prospectus, any amendment or supplement thereto, or any preliminary prospectus in which a Holder is participating, such Holder shall furnish to the Company and the Guarantors in writing such information as the Company and the Guarantors reasonably request for use in connection with any Registration Statement, Prospectus or form of prospectus, any amendment or supplement thereto, or any preliminary prospectus and shall indemnify and hold harmless the Company, the Guarantors, their respective directors, officers, agents, employees and each Person, if any, who controls the Company and the Guarantors (within the meaning of Section 15 of the Securities Act and Section 20(a) of the Exchange Act), and the directors, officers, employees and partners of such controlling persons, to the fullest extent lawful, from and against all Losses arising out of or based upon, in the case of the Registration Statement or in any amendments thereto, untrue or alleged untrue statement of a material fact contained therein or any omission or alleged omission to state therein a material fact required to be stated therein to make the statements not misleading, or in the case of any Prospectus or form of prospectus, or in any amendment or supplement thereto, or in any preliminary prospectus, any untrue or alleged untrue statement of a material fact contained therein or any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading to the extent, but only to the extent, that such losses are finally judicially determined by a court of competent jurisdiction in a final, unappealable order to have resulted solely from an untrue statement or alleged untrue statement of a material fact or omission or alleged omission of a material fact contained in or omitted from any information so furnished in writing by such Holder to the Company and the Guarantors expressly for use therein. Notwithstanding the foregoing, in no event shall the liability of any selling Holder be greater in amount than such Holder's Maximum Contribution Amount (as defined below).

(c) *Conduct of Indemnification Proceedings.* If any proceeding shall be brought or asserted against any Person entitled to indemnity hereunder (an "**Indemnified Party**"), such Indemnified Party shall promptly notify the party or parties from which such indemnity is sought (the "**Indemnifying Party**" or "**Indemnifying Parties**", as applicable) in writing; but the failure to so notify the Indemnifying Party (i) will not relieve such Indemnifying Party from any liability under paragraph (a) or (b) above unless and only to the extent it is materially prejudiced as a result thereof and (ii) will not, in any event, relieve the Indemnifying Party from any obligations to any Indemnified Party other than the indemnification obligation provided in paragraphs (a) and (b) above.

The Indemnifying Party shall have the right, exercisable by giving written notice to an Indemnified Party, within 20 Business Days after receipt of written notice from such Indemnified Party of such proceeding, to assume, at its expense, the defense of any such proceeding; *provided*, that an Indemnified Party shall have the right to employ separate counsel in any such proceeding and to participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of such Indemnified Party or parties unless: (1) the Indemnifying Party has agreed to pay such fees and expenses; or (2) the Indemnifying Party shall have failed promptly to assume the defense of such

proceeding or shall have failed to employ counsel reasonably satisfactory to such Indemnified Party; or (3) the named parties to any such proceeding (including any impleaded parties) include both such Indemnified Party and the Indemnifying Party or any of its affiliates or controlling persons, and such Indemnified Party shall have been advised by counsel that there may be one or more defenses available to such Indemnified Party that are in addition to, or in conflict with, those defenses available to the Indemnifying Party or such affiliate or controlling person (in which case, if such Indemnified Party notifies the Indemnifying Parties in writing that it elects to employ separate counsel at the expense of the Indemnifying Parties, the Indemnifying Parties shall not have the right to assume the defense and the reasonable fees and expenses of such counsel shall be at the expense of the Indemnifying Party; it being understood, however, that, the Indemnifying Party shall not, in connection with any one such proceeding or separate but substantially similar or related proceedings in the same jurisdiction, arising out of the same general allegations or circumstances, be liable for the fees and expenses of more than one separate firm of attorneys (together with appropriate local counsel) at any time for such Indemnified Party).

No Indemnifying Party shall be liable for any settlement of any such proceeding effected without its written consent, which shall not be unreasonably withheld, but if settled with its written consent, or if there be a final judgment for the plaintiff in any such proceeding, each Indemnifying Party jointly and severally agrees, subject to the exceptions and limitations set forth above, to indemnify and hold harmless each Indemnified Party from and against any and all Losses by reason of such settlement or judgment. The Indemnifying Party shall not consent to the entry of any judgment or enter into any settlement without the consent of an Indemnified Party, which shall not be unreasonably withheld, unless such judgment or settlement (i) includes as an unconditional term thereof the giving by the claimant or plaintiff to each Indemnified Party of a release, in form and substance reasonably satisfactory to the Indemnified Party, from all liability in respect of such proceeding for which such Indemnified Party would be entitled to indemnification hereunder (whether or not any Indemnified Party is a party thereto) and (ii) does not include a statement assigning, or an admission of fault, culpability or a failure to act by or on behalf of any Indemnified Party.

(d) *Contribution.* If the indemnification provided for in this Section 8 is unavailable to an Indemnified Party or is insufficient to hold such Indemnified Party harmless for any Losses in respect of which this Section 8 would otherwise apply by its terms (other than by reason of exceptions provided in this Section 8), then each applicable Indemnifying Party, in lieu of indemnifying such Indemnified Party, shall have a joint and several obligation to contribute to the amount paid or payable by such Indemnified Party as a result of such Losses, in such proportion as is appropriate to reflect the relative fault of the Indemnifying Party, on the one hand, and such Indemnified Party, on the other hand, in connection with the actions, statements or omissions that resulted in such Losses as well as any other relevant equitable considerations. The relative fault of such Indemnifying Party, on the one hand, and Indemnified Party, on the other hand, shall be determined by reference to, among other things, whether any untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by such Indemnifying Party or Indemnified

Party, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent any such statement or omission. The amount paid or payable by an Indemnified Party as a result of any Losses shall be deemed to include any legal or other fees or expenses reasonably incurred by such party in connection with any proceeding, to the extent such party would have been indemnified for such fees or expenses if the indemnification provided for in Section 8(a) or 8(b) was available to such party.

The parties hereto agree that it would not be just and equitable if contribution pursuant to this Section 8(d) were determined by pro rata allocation or by any other method of allocation that does not take account of the equitable considerations referred to in the immediately preceding paragraph. Notwithstanding the provisions of this Section 8(d), a selling Holder shall not be required to contribute, in the aggregate, any amount in excess of such Holder's Maximum Contribution Amount. A selling Holder's "**Maximum Contribution Amount**" shall equal the excess of (i) the aggregate net proceeds received by such Holder pursuant to the sale of such Registrable Notes or Exchange Notes over (ii) the aggregate amount of damages that such Holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation. The Holders' obligations to contribute pursuant to this Section 8(d) are several in proportion to the respective principal amount of the Registrable Notes held by each Holder hereunder and not joint. The Company's and the Guarantors' obligations to contribute pursuant to this Section 8(d) are joint and several.

The indemnity and contribution agreements contained in this Section 8 are in addition to any liability that the Indemnifying Parties may have to the Indemnified Parties.

#### Section 9. *Rules 144 and 144A.*

(a) The Company covenants that, so long as the Registrable Notes remain outstanding, it shall (i) file the reports required to be filed by it (if so required) under the Securities Act and the Exchange Act in a timely manner and, if at any time the Company is not required to file such reports, it will, upon the written request of any Holder of Registrable Notes, make publicly available other information necessary to permit sales pursuant to Rule 144 and Rule 144A and (ii) take such further action as any Holder may reasonably request in writing, all to the extent required from time to time to enable such Holder to sell Registrable Notes without registration under the Securities Act pursuant to the exemptions provided by Rule 144 and Rule 144A.

(b) *Availability of Rule 144 Not Excuse for Obligations under Section 2.* The fact that Holders of Registrable Notes may become eligible to sell such Registrable Notes pursuant to Rule 144 shall not (1) cause such Notes to cease to be Registrable Notes or (2) excuse the Company's and the Guarantors' obligations set forth in Section 2 of this Agreement, including without limitation the obligations in respect of an Exchange Offer, Shelf Registration and Additional Interest.

Section 10. *Underwritten Registrations of Registrable Notes.*

If any of the Registrable Notes covered by any Shelf Registration are to be sold in an Underwritten Offering, the investment banker or investment bankers and manager or managers that will manage the offering will be selected by the Holders of a majority in aggregate principal amount of such Registrable Notes included in such offering; provided, however, that such investment banker or investment bankers and manager or managers must be reasonably acceptable to the Company. The Company shall be required to effect an Underwritten Offering only if the Company is required to file a Shelf Registration and in no event shall the Company be required to effect more than three Underwritten Offerings pursuant to this Agreement.

No Holder of Registrable Notes may participate in any Underwritten Registration hereunder unless such Holder (a) agrees to sell such Holder's Registrable Notes on the basis provided in any underwriting arrangements approved by the Persons entitled hereunder to approve such arrangements and (b) completes and executes all questionnaires, powers of attorney, indemnities, underwriting agreements and other documents required under the terms of such underwriting arrangements.

Section 11. *Miscellaneous.*

(a) *No Inconsistent Agreements.* The Company and each of the Guarantors have not entered, as of the date hereof, and the Company and each of the Guarantors shall not enter, after the date of this Agreement, into any agreement with respect to any of its securities that is inconsistent with the rights granted to the Holders of Securities in this Agreement or otherwise conflicts with the provisions hereof. The Company and each of the Guarantors have not entered and will not enter into any agreement with respect to any of its securities that will grant to any Person piggy-back rights with respect to a Registration Statement.

(b) *Adjustments Affecting Registrable Notes.* The Company shall not, directly or indirectly, take any action with respect to the Registrable Notes as a class that would adversely affect the ability of the Holders to include such Registrable Notes in a registration undertaken pursuant to this Agreement.

(c) *Amendments and Waivers.* The provisions of this Agreement may not be amended, modified or supplemented, and waivers or consents to or departures from the provisions hereof may not be given, other than with the prior written consent of the Holders of not less than a majority in aggregate principal amount of the then outstanding Registrable Notes in circumstances that would adversely affect any Holders of Registrable Notes; *provided, however,* that Section 8 and this Section 11(c) may not be amended, modified or supplemented without the prior written consent of each Holder. Notwithstanding the foregoing, a waiver or consent to depart from the provisions hereof with respect to a matter that relates exclusively to the rights of Holders of Registrable Notes whose securities are being tendered pursuant to the Exchange Offer or sold pursuant to a Shelf Registration and that does not directly or indirectly affect, impair, limit or compromise the rights of other Holders of Registrable Notes may be given by Holders of at least a majority in aggregate principal amount of the Registrable Notes being tendered or being sold by such Holders pursuant to such Shelf Registration.

(d) *Notices*. All notices and other communications provided for or permitted hereunder shall be made in writing by hand delivery, registered first-class mail, next-day air courier or facsimile:

It is hereby stipulated and declared to be the intention of the parties that they would have executed the remaining terms, provisions, covenants and restrictions without including any of such that may be hereafter declared invalid, illegal, void or unenforceable.

(j) *Securities Held by the Company or Its Affiliates.* Whenever the consent or approval of Holders of a specified percentage of Securities is required hereunder, Securities held by the Company or its affiliates (as such term is defined in Rule 405 under the Securities Act) shall not be counted in determining whether such consent or approval was given by the Holders of such required percentage.

(k) *Third Party Beneficiaries.* Holders and Participating Broker-Dealers are intended third party beneficiaries of this Agreement and this Agreement may be enforced by such Persons. No other Person is intended to be, or shall be construed as, a third party beneficiary of this Agreement.

Ladies and Gentlemen:

Acadia Healthcare Company, Inc., a Delaware corporation (the "Company"), and each of the Guarantors (as hereinafter defined) hereby agree with you as follows:

**1. Issuance of Notes.** Subject to the terms and conditions herein contained, the Company proposes to issue and sell to Merrill Lynch, Pierce, Fenner & Smith Incorporated ("Merrill Lynch") and the other several initial purchasers named in Schedule I hereto (the "Initial Purchasers"), \$150,000,000 aggregate principal amount of the Company's 6.125% Senior Notes due 2021 (each a "Note" and, collectively, the "Notes") in connection with the offering and sale of the Notes as described herein (the "Offering"). The Notes will be issued pursuant to an indenture (the "Indenture"), to be dated as of March 12, 2013, by and among the Company, the Guarantors (as hereinafter defined) party thereto and U.S. Bank National Association, as trustee (the "Trustee"). Merrill Lynch has agreed to act as the representative of the several Initial Purchasers (the "Representative") in connection with the Offering.

The Company will use the net proceeds from the offering of the Notes in the manner described under the caption "Use of Proceeds" in the Time of Sale Document (as defined below).

The Notes will be offered and sold to the Initial Purchasers pursuant to exemptions from the registration requirements of the Securities Act of 1933, as amended, and the rules and regulations of the Securities and Exchange Commission (the "SEC") promulgated thereunder (collectively, the "Securities Act"). Upon original issuance thereof, and until such time as the same is no longer required under the applicable requirements of the Securities Act, the Notes shall bear the legends substantially as set forth under the "Notice to Investors" section of the final offering memorandum, dated the date hereof (the "Final Offering Memorandum"). The Company has prepared (i) a preliminary offering memorandum, dated March 4, 2013 (the "Preliminary Offering Memorandum"), (ii) a pricing term sheet, dated the date hereof, attached hereto as Schedule II, which includes pricing terms and other information with respect to the Notes (the "Pricing Supplement"), and (iii) the Final Offering Memorandum, in each case relating to the offer and sale of the Notes (the "Offering"). All references in this Agreement to the Preliminary Offering Memorandum, the Time of Sale Document or the Final Offering Memorandum include, unless expressly stated otherwise, (i) all amendments or supplements

thereto prepared by, or approved in writing by, the Company, (ii) all financial statements and schedules and other information contained therein (and references in this Agreement to such information being “contained,” “included” or “stated” (and other references of like import) in the Preliminary Offering Memorandum, the Time of Sale Document or the Final Offering Memorandum shall be deemed to mean all such information contained in, or incorporated by reference into, such documents), (iii) any electronic copy of the Time of Sale Document or Final Offering Memorandum and (iv) any offering memorandum “wrapper” to be used in connection with offers to sell, solicitations of offers to buy or sales of the Notes in non-U.S. jurisdictions. The Preliminary Offering Memorandum and the Pricing Supplement are collectively referred to herein as the “Time of Sale Document.”

**2. Terms of Offering.** The Initial Purchasers have advised the Company, and the Company understands, that the Initial Purchasers will make offers to sell (the “Exempt Resales”) some or all of the Notes purchased by the Initial Purchasers hereunder on the terms set forth in the Final Offering Memorandum to persons (the “Subsequent Purchasers”) whom the Initial Purchasers reasonably believe are (i) “qualified institutional buyers” (as defined in Rule 144A under the Securities Act) (“QIBs”), and (ii) are not “U.S. persons” (as defined in Regulation S under the Securities Act) and in compliance with the laws applicable to such persons in jurisdictions outside of the United States.

The Notes will be guaranteed on a senior unsecured basis by each of the Company’s U.S. subsidiaries signatory hereto (the “Guarantors”). The corresponding guarantees of such Guarantors are referred to herein as the “Guarantees” and, together with the Notes, the “Securities.”

Holders of the Notes (including Subsequent Purchasers) will have the registration rights set forth in a registration rights agreement applicable to the Notes (the “Registration Rights Agreement”) to be executed on and dated as of the Closing Date (as hereinafter defined). Pursuant to the Registration Rights Agreement, the Company will agree, among other things, to file with the SEC (a) a registration statement under the Securities Act (the “Exchange Offer Registration Statement”) relating to notes to be offered in exchange for the Notes (the “Exchange Notes”) which shall be identical to the Notes, except that the Exchange Notes shall have been registered pursuant to the Exchange Offer Registration Statement and will not be subject to restrictions on transfer or contain additional interest provisions, (such offer to exchange being referred to as the “Exchange Offer”), and/or (b) under certain circumstances, a shelf registration statement pursuant to Rule 415 under the Securities Act (the “Shelf Registration Statement”) relating to the resale by certain holders of the Notes. If required under the Registration Rights Agreement, the Company will issue Exchange Notes to the Initial Purchasers (the “Private Exchange Notes”). If the Company fails to satisfy its obligations under the Registration Rights Agreement, it will be required to pay additional interest to the holders of the Notes under certain circumstances to be set forth in the Registration Rights Agreement.

This Agreement, the Indenture, the Registration Rights Agreement, the Notes, the Guarantees and the Exchange Notes are collectively referred to herein as the “Transaction Documents”, and the transactions contemplated hereby and thereby are collectively referred to herein as the “Transactions.”

As used herein, a “Debt Repayment Triggering Event” means any event or condition that gives, or with the giving of notice or lapse of time would give, the holder of any note, debenture or other evidence of indebtedness (or any person acting on such holder’s behalf) the right to require the repurchase, redemption or repayment of all or a portion of such indebtedness by the Company or any of the Subsidiaries or any of their respective properties.

- (p) *No Conflicts.* Neither the execution, delivery or performance of the Transaction Documents nor the consummation of any of the Transactions will conflict with, violate, constitute a breach of or a default (with the passage of time or otherwise) or a Debt Repayment Triggering Event under, or result in the imposition of a Lien on any assets of the Company or any of the Guarantors, the imposition of any penalty or a Debt Repayment Triggering Event under or pursuant to (i) the Charter Documents, (ii) any Applicable Agreement (including the consent to the issuance and sale of the Securities by the “Majority WCP Investors” (as defined in the Stockholders Agreement, dated as of November 1, 2011, by and among the Company, the WCP Investors named therein and the other parties thereto), which shall have been obtained prior to the execution of this Agreement), (iii) any Applicable Law or (iv) any order, writ, judgment, injunction, decree, determination or award binding upon or affecting the Company and the Guarantors, except, in the case of clauses (ii), (iii) and (iv) as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. After consummation of the Offering and the Transactions, no Default or Event of Default will exist.
- (q) *No Consents.* No consent, approval, authorization, order, filing or registration of or with any Governmental Authority or third party is required for execution, delivery or performance of the Transaction Documents or the consummation of the Transactions by the Company and the Guarantors, except (i) those that have been obtained or made and are in full force and effect or will be made as of the Closing Date, (ii) as may be required under the securities or “Blue Sky” laws of U.S. state or non-U.S. jurisdictions or other non-U.S. laws applicable to the purchase of the Securities outside the U.S. in connection with the Transactions, (iii) those contemplated by the Registration Rights Agreement, (iv) the filing of a Current Report on Form 8-K with the SEC as may be required under the Securities Act and the Exchange Act, as the case may be, regarding the Transaction Documents and the Transactions and (v) those the failure of which to obtain or make would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.
- (r) *No Material Applicable Laws or Proceedings.* There is no (i) Applicable Law that is enacted, adopted or issued, (ii) stop order suspending the qualification or exemption from qualification of any of the Securities in any jurisdiction that has been issued and no proceeding for that purpose has been commenced or, to the Company’s knowledge, is pending or contemplated as of the Closing Date and (iii) except as disclosed in the Time of Sale Document and the Final Offering Memorandum, action, claim, suit, demand, hearing, notice of violation or deficiency, or proceeding pending or, to the knowledge of the Company, threatened or contemplated by Governmental Authorities or threatened by

others (collectively, “Proceedings”), that, with respect to clauses (i), (ii) and (iii) of this paragraph (A) would, as of the date hereof and at the Closing Date, restrain, enjoin, prevent or interfere with the consummation of the Offering or any of the Transactions or (B) would, individually or in the aggregate, have a Material Adverse Effect.

- (s) *All Necessary Permits.* Each of the Company and the Subsidiaries possess all licenses, permits, certificates, consents, orders, approvals and other authorizations from, and has made all declarations and filings with, all Governmental Authorities, presently required or necessary to own or lease, as the case may be, and to operate its properties and to carry on its businesses as now or proposed to be conducted as described in the Time of Sale Document and the Final Offering Memorandum (“Permits”), except where the failure to possess such Permits would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. Each of the Company and the Subsidiaries has fulfilled and performed all of its obligations with respect to such Permits, except where the failure to perform such obligations would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. No event has occurred which allows, or after notice or lapse of time would allow, revocation or termination of any such Permit or has resulted, or after notice or lapse of time would result, in any other material impairment of the rights of the holder of any such Permit, except where such revocation or termination would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. None of the Company or the Subsidiaries has received or has any reason to believe it will receive any notice of any proceeding relating to revocation or modification of any such Permit, except as described in the Time of Sale Document and the Final Offering Memorandum or except where such revocation or modification would not, individually or in the aggregate, have a Material Adverse Effect.
- (t) *Title to Properties.* Each of the Company and the Subsidiaries has good and marketable title to all real property owned by it and good title to all material personal property owned by it and good and valid title to all leasehold estates in real and material personal property being leased by it and, as of the Closing Date, will be free and clear of all Liens other than Permitted Liens. The real property, improvements, equipment and personal property held under lease by the Company or any of the Subsidiaries are held under valid and enforceable leases, with such exceptions as are not material and do not materially interfere with the use made or proposed to be made of such real property, improvements, equipment or personal property by the Company or such Subsidiary.
- (u) *Tax Law Compliance.* All material tax returns required by applicable federal, state or local law to be filed with any taxing authority by or on behalf of the Company or any of its Subsidiaries have been duly filed when due (including any applicable extensions) and all such tax returns are, or shall be at the time of filing, true, complete and correct in all material respects. All material taxes that are due from the Company and the Subsidiaries have been paid other than those (i) currently payable without penalty or interest or (ii) being contested in good faith and by appropriate proceedings and for which adequate accruals have been established in accordance with GAAP, applied on a consistent basis throughout the periods involved. To the knowledge of the Company, there are no actual or proposed tax assessments against the Company or any of the Subsidiaries that would, individually or in the aggregate, have a Material Adverse Effect. The accruals on the

books and records of the Company and the Subsidiaries in respect of any material tax liability for any period not finally determined are adequate to meet any assessments of tax for any such period.

- (v) *Intellectual Property Rights.* To the knowledge of the Company, each of the Company and the Subsidiaries owns, or is licensed under, and has the right to use, all patents, patent rights, licenses, inventions, copyrights, know-how (including trade secrets and other unpatented and/or unpatentable proprietary or confidential information, systems or procedures), trademarks, service marks, domain names and trade names (collectively, "Intellectual Property") necessary for the conduct of its businesses and, as of the Closing Date, the Intellectual Property will be free and clear of all Liens, other than Permitted Liens. The Company is not a party to, or bound by, any options, licenses or agreements with respect to the intellectual property rights of any other person or entity that are necessary to be described in the Time of Sale Document or the Final Offering Memorandum to avoid a material misstatement or omission and are not described therein. No claims or notices of any potential claim have been asserted by any person against the Company or any of its Subsidiaries challenging the use of any such Intellectual Property by the Company or any of the Subsidiaries or questioning the validity or effectiveness of any Intellectual Property or any license or agreement related thereto, other than any claims that, if successful, would not, individually or in the aggregate, have a Material Adverse Effect. Except as described in the Time of Sale Document and the Final Offering Memorandum, none of the Intellectual Property used by the Company or any of the Subsidiaries has been obtained or is being used by the Company or any of the Subsidiaries in violation of any contractual obligation binding on the Company or any of the Subsidiaries or, to the Company or any of the Subsidiaries' knowledge, its officers, directors or employees or otherwise in violation of the rights of any person, other than any violations that would not, individually or in the aggregate, have a Material Adverse Effect.
- (w) *ERISA Matters.* Except as would not result in a Lien on any assets of the Company or any of its Subsidiaries: (i) each of the Company, the Subsidiaries and each ERISA Affiliate (as hereinafter defined) has fulfilled its obligations, if any, under the minimum funding standards of Section 302 of the United States Employee Retirement Income Security Act of 1974, as amended ("ERISA") with respect to each "pension plan" (as defined in Section 3(2) of ERISA), subject to Section 302 of ERISA, which the Company, the Subsidiaries or any ERISA Affiliate sponsors or maintains, or with respect to which it has (or within the last three years had) any obligation to make contributions, and (ii) each such plan is in compliance in all material respects with the presently applicable provisions of ERISA and the Internal Revenue Code of 1986, as amended (the "Code"). None of the Company, the Subsidiaries or any ERISA Affiliate has incurred any unpaid material liability to the Pension Benefit Guaranty Corporation (other than for the payment of premiums in the ordinary course) or to any such plan under Title IV of ERISA. "ERISA Affiliate" means a corporation, trade or business that is, along with the Company or any Subsidiary, a member of a controlled group of corporations or a controlled group of trades or businesses, as described in Section 414 of the Code or Section 4001 of ERISA.

- (x) *Labor Matters.* Other than as described in the Time of Sale Document and the Final Offering Memorandum, and except as could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, (i) neither the Company nor any of the Guarantors is party to or bound by any collective bargaining agreement with any labor organization; (ii) there is no union representation question existing with respect to the employees of the Company or the Guarantors, and, to the knowledge of the Company, after due inquiry, no union organizing activities are taking place that, could, individually or in the aggregate, have a Material Adverse Effect; (iii) to the knowledge of the Company, after due inquiry, no union organizing or decertification efforts are underway or threatened against the Company or the Guarantors; (iv) no labor strike, work stoppage, slowdown or other material labor dispute is pending against the Company or the Guarantors, or, to the Company's knowledge, after due inquiry, threatened against the Company or the Guarantors; (v) there is no worker's compensation liability, experience or matter that could be reasonably expected to have a Material Adverse Effect; (vi) to the knowledge of the Company, after due inquiry, there is no threatened or pending liability against the Company or the Guarantors pursuant to the Worker Adjustment Retraining and Notification Act of 1988, as amended ("WARN"), or any similar state or local law; (vii) there is no employment-related charge, complaint, grievance, investigation, unfair labor practice claim or inquiry of any kind, pending against the Company or the Guarantors that could, individually or in the aggregate, have a Material Adverse Effect; and (viii) to the knowledge of the Company and the Guarantors, no employee or agent of the Company or the Guarantors has committed any act or omission giving rise to liability for any violation identified in subsection (vi) and (vii) above, other than such acts or omissions that would not, individually or in the aggregate, have a Material Adverse Effect.
- (y) *Compliance with Environmental Laws.* Each of the Company and the Subsidiaries (i) is in compliance with all applicable U.S. and non-U.S. federal, state and local laws and regulations relating to occupational health and safety (with respect to hazardous or toxic substances or wastes), the pollution or protection of the environment, hazardous or toxic substances or wastes, pollutants or contaminants ("Environmental Laws"), (ii) has received and is in compliance with all permits, licenses or other approvals required of it under applicable Environmental Laws and (iii) has not received notice of, and is not aware of, any actual or potential liability under Environmental Laws, including for damages to natural resources or the investigation or remediation of any disposal, release or existence of hazardous or toxic substances or wastes, pollutants or contaminants, in each case except where such non-compliance with Environmental Laws, failure to receive and comply with required permits, licenses or other approvals, or liability would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. Neither the Company nor any of the Subsidiaries has been named as a potentially responsible party under the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended, or any similar U.S. or non-U.S. state or local Environmental Laws or is otherwise required by any Environmental Law to investigate or remediate any pollutants or contaminants, except where such requirements would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, whether or not arising from transactions in the ordinary course of business.

- (z) *Insurance.* Each of the Company and the Subsidiaries have insurance covering their respective properties, operations, personnel and businesses, including business interruption insurance, which insurance is in amounts and insures against such losses and risks as are prudent and customary in the businesses in which they are engaged. All material policies of insurance insuring the Company or any of the Subsidiaries or their respective businesses, assets, employees, officers and directors are in full force and effect. Except with respect to the shareholder litigation described in the Time of Sale Document and the Final Offering Memorandum, there are no material claims by the Company or any of the Subsidiaries under any such policy or instrument as to which any insurance company is denying liability or defending under a reservation of rights clause. Neither the Company nor any such Subsidiary has any reason to believe that it will not be able to renew its existing insurance coverage as and when such coverage expires or to obtain similar coverage from similar insurers as may be necessary to continue its business as now conducted and at a cost that would not, individually or in the aggregate, result in a Material Adverse Effect.
- (aa) *Accounting System.* The Company and each of the Subsidiaries make and keep accurate books and records and maintain a system of internal accounting controls and procedures sufficient to provide reasonable assurance that (i) transactions are executed in accordance with management's general or specific authorization, (ii) transactions are recorded as necessary to permit preparation of financial statements in conformity with GAAP, and to maintain asset accountability, (iii) access to assets is permitted only in accordance with management's general or specific authorization and (iv) the recorded accountability for assets is compared with the existing assets at reasonable intervals and appropriate action is taken with respect to any material differences. The interactive data in XBRL incorporated by reference in the Time of Sale Document and the Final Offering Memorandum fairly present the information called for in all material respects and are prepared in accordance with the SEC's rules and guidelines applicable thereto. Neither the Company nor the Guarantors has any "material weaknesses" or "significant deficiencies" (each, as defined in Rule 12b-2 of the Exchange Act), or is aware of any fraud, whether or not material, that involves management or other employees who have a role in the internal controls of the Company or the Guarantors (whether or not remediated) except as disclosed in the Time of Sale Document and the Final Offering Memorandum in all material respects. Since the date of the most recent evaluation of such disclosure controls and procedures and internal controls, there have been no material changes in internal controls or in other factors that could significantly affect internal controls, including any corrective actions with regard to significant deficiencies and material weaknesses.
- (bb) *Use of Proceeds; Solvency; Going Concern.* On the Closing Date, after giving pro forma effect to the Offering and the use of proceeds therefrom described under the caption "Use of Proceeds" in the Time of Sale Document and Final Offering Memorandum, the Company, on a consolidated basis, (i) will be Solvent (as hereinafter defined), (ii) will have sufficient capital for carrying on its business and (iii) will be able to pay its debts as they mature. As used in this paragraph, the term "Solvent" means, with respect to a particular date, that on such date (i) the present fair market value (or present fair saleable value) of the assets of the Company on a consolidated basis, is not less than the total

amount required to pay the liabilities of the Company, on a consolidated basis, on its total existing debts and liabilities (including contingent liabilities) as they become absolute and matured; (ii) the Company, on a consolidated basis, is able to pay its debts and other liabilities, contingent obligations and commitments as they mature and become due in the normal course of business; (iii) assuming consummation of the issuance of the Securities as contemplated by this Agreement and the Time of Sale Document and Final Offering Memorandum, the Company, on a consolidated basis, is not incurring debts or liabilities beyond its ability to pay as such debts and liabilities mature; (iv) the Company, on a consolidated basis, is not engaged in any business or transaction, and does not propose to engage in any business or transaction, for which its property would constitute unreasonably small capital after giving due consideration to the prevailing practice in the industry in which the Company, on a consolidated basis, is engaged; and (v) the Company, on a consolidated basis, is not otherwise insolvent under the standards set forth in Applicable Laws.

- (cc) *No Price Stabilization or Manipulation.* Neither the Company nor any of its affiliates (as defined in Rule 405 of the Securities Act) (“Affiliates”) has and, to the Company’s knowledge, no one acting on its behalf has, (i) taken, directly or indirectly, any action designed to cause or to result in, or that has constituted or which might reasonably be expected to constitute, the stabilization or manipulation of the price of the Securities, whether to facilitate the sale or resale of any of the Securities or otherwise, (ii) sold, bid for, purchased, or paid anyone any compensation for soliciting purchases of, any of the Securities, or (iii) except as disclosed in the Time of Sale Document and the Final Offering Memorandum, paid or agreed to pay to any person any compensation for soliciting another to purchase any of the Securities.
- (dd) *No Registration Required Under the Securities Act or Qualification Under the TIA.* Without limiting any provision herein, no registration under the Securities Act and no qualification of the Indenture under the TIA is required for the offer or sale of the Securities to the Initial Purchasers as contemplated hereby or for the Exempt Resales, assuming (i) that the purchasers in the Exempt Resales are QIBs or are not “U.S. persons” (as defined under Regulation S of the Securities Act), (ii) the accuracy of the Initial Purchasers’ representations contained herein regarding the absence of general solicitation in connection with the sale of the Securities to the Initial Purchasers and in the Exempt Resales and (iii) the Initial Purchasers’ compliance with the procedures set forth in Section 6.
- (ee) *No Integration.* The Securities will be, upon issuance, eligible for resale pursuant to Rule 144A under the Securities Act and no other securities of the Company are of the same class (within the meaning of Rule 144A under the Securities Act) as the Securities and listed on a national securities exchange registered under Section 6 of the Exchange Act, or quoted in a U.S. automated inter-dealer quotation system. No securities of the Company of the same class as the Securities have been offered, issued or sold by the Company or any of its Affiliates within the six-month period immediately prior to the date hereof; and the Company does not have any intention of making, and will not make, an offer or sale of such securities of the Company of the same class as the Securities, for a period of ninety days after the date of this Agreement, except for the offering of the

Securities as contemplated by this Agreement or the Registration Rights Agreement. As used in this paragraph, the terms “offer” and “sale” have the meanings specified in Section 2(a)(3) of the Securities Act.

- (ff) *No Directed Selling Efforts.* None of the Company, any of its Affiliates or other person acting on behalf of the Company has, with respect to Securities sold outside the United States, offered the Securities to buyers qualifying as “U.S. persons” (as defined in Rule 902 under the Securities Act) or engaged in any directed selling efforts within the meaning of Rule 902 under the Securities Act; the Company, any Affiliate of the Company and any person acting on behalf of the Company have complied with and will implement the “offering restrictions” within the meaning of such Rule 902; and neither the Company nor any of its Affiliates has entered or will enter into any arrangement or agreement with respect to the distribution of the Securities, except for this Agreement; provided that no representation is made in this paragraph with respect to the actions of the Initial Purchasers.
- (gg) *No Applicable Registration or Other Similar Rights.* Except as disclosed in the Time of Sale Document and the Final Offering Memorandum, there are no persons with registration or other similar rights to have any equity or debt securities of the Company or any Affiliate registered for sale under a registration statement, except for rights (i) contained in the Registration Rights Agreement or (ii) as have been duly waived.
- (hh) *Margin Requirements.* None of the Transactions or the application of the proceeds of the Securities will violate or result in a violation of Section 7 of the Exchange Act (including, without limitation, Regulation T (12 C.F.R. Part 220), Regulation U (12 C.F.R. Part 221) or Regulation X (12 C.F.R. Part 224) of the Board of Governors of the Federal Reserve System).
- (ii) *Investment Company Act.* The Company has been advised of the Investment Company Act of 1940, as amended, and the rules and regulations of the SEC thereunder (collectively, the “Investment Company Act”); as of the date hereof and, after giving effect to the Offering and the use of proceeds of the Offering, each of the Company and the Guarantors is not and will not be, individually or on a consolidated basis, an “investment company” that is required to be registered under the Investment Company Act; and following the Closing, the Company and the Guarantors will conduct their businesses in a manner so as not to be required to register under the Investment Company Act.
- (jj) *No Brokers.* Neither the Company nor any of its Affiliates has engaged any broker, finder, commission agent or other person (other than the Initial Purchasers) in connection with the Offering or any of the Transactions, and neither the Company nor any of its Affiliates is under any obligation to pay any broker’s fee or commission in connection with such Transactions (other than commissions or fees to the Initial Purchasers).
- (kk) *No Restrictions on Payments of Dividends.* As of the Closing Date, except as otherwise disclosed in the Time of Sale Document and the Final Offering Memorandum, and except as prohibited or restricted under Applicable Law, there will be no encumbrances or

restrictions on the ability of any Subsidiary of the Company (x) to pay dividends or make other distributions on such Subsidiary's capital stock or to pay any indebtedness to the Company or any other Subsidiary of the Company, (y) to make loans or advances or pay any indebtedness to, or investments in, the Company or any other Subsidiary or (z) to transfer any of its property or assets to the Company or any other Subsidiary of the Company.

- (ll) *Sarbanes-Oxley*. There is and has been no failure on the part of the Company and the Subsidiaries or any of the officers and directors of the Company or any of the Subsidiaries, in their capacities as such, to comply with any applicable provisions of the Sarbanes-Oxley Act of 2002 and the rules and regulations promulgated in connection therewith.
- (mm) *Foreign Corrupt Practices Act*. None of the Company or any Subsidiary, or to the Company's knowledge, any director, officer, employee, Affiliate or any agent or other person acting on behalf of the Company or any Subsidiary has, in the course of its actions for, or on behalf of, the Company or any Subsidiary, taken any action, directly or indirectly, that would result in a violation by such persons of the U.S. Foreign Corrupt Practices Act of 1977, as amended, and the rules and regulations thereunder (collectively, the "FCPA"), including, without limitation, (i) used any corporate funds for any unlawful contribution, gift, entertainment or other unlawful expenses relating to political activity; (ii) made any direct or indirect unlawful payment to any domestic government official, "foreign official" (as defined in the FCPA) or employee from corporate funds; (iii) violated or is in violation of any provision of the FCPA or any applicable non-U.S. anti-bribery statute or regulation; or (iv) made any unlawful bribe, rebate, payoff, influence payment, kickback or other unlawful payment to any domestic government official, such foreign official or employee. The Company, its Subsidiaries and, to the knowledge of the Company, its Affiliates, have conducted their business in compliance with the FCPA.
- (nn) *Money Laundering*. The operations of the Company and the Subsidiaries are and have been conducted at all times in compliance with applicable financial recordkeeping and reporting requirements of the Currency and Foreign Transactions Reporting Act of 1970, as amended, the money laundering statutes of all applicable jurisdictions, the rules and regulations thereunder and any related or similar rules, regulations or guidelines issued, administered or enforced by any governmental agency (collectively, the "Money Laundering Laws"), and no action, suit or proceeding by or before any court or governmental agency, authority or body or any arbitrator involving the Company or any of the Subsidiaries with respect to the Money Laundering Laws is pending or, to the Company's knowledge, threatened.
- (oo) *OFAC*. Neither the Company nor the Subsidiaries nor, to the Company's knowledge, any director, officer, agent, employee or Affiliate of the Company or any of the Subsidiaries or other person acting on their behalf is currently subject to any U.S. sanctions administered by the Office of Foreign Assets Control of the U.S. Treasury Department ("OFAC") nor is the Company or any of its Subsidiaries located in a country or territory that is subject to U.S. sanctions administered by OFAC; and the Company will not directly or indirectly use the proceeds of the Offering, or lend, contribute or otherwise

make available such proceeds to any subsidiary, joint venture partner or other person or entity (i) for the purpose of financing the activities of any person currently subject to any U.S. sanctions administered by OFAC or that is in Burma/Myanmar, Cuba, Iran, Libya, North Korea or in any other country that is at the time subject to U.S. sanctions administered by OFAC or (ii) in any other manner that will result in a violation by any person (including any person participating in the Offering, whether as initial purchaser, advisor, investor or otherwise) of any U.S. sanctions administered by OFAC.

- (pp) *Financial Services and Market Act.* The Company has not taken or omitted to take any action and will not take any action or omit to take any action (such as issuing any press release or making any other public announcement referring to the Offering without an appropriate stabilization legend) which may result in the loss by the Initial Purchasers of the ability to rely on any stabilization safe harbour provided by the Financial Services Authority of the United Kingdom under the Financial Services and Markets Act 2000 (the “FSMA”); provided, however, that an appropriate stabilization legend was not in the Preliminary Offering Memorandum or the Pricing Supplement. The Company has been informed of the guidance relating to stabilization provided by the Financial Services Authority of the United Kingdom, in particular the guidance contained in Section MAR 2 of the Financial Services Handbook.
- (qq) *Disclosure Controls and Procedures; Deficiencies in or Changes to Internal Control Over Financial Reporting.* The Company has established and maintains disclosure controls and procedures (as defined in Rules 13a-15 and 15d-15 under the Exchange Act), which (i) are designed to ensure that material information relating to the Company, including its consolidated Subsidiaries, is made known to the Company’s principal executive officer and its principal financial officer by others within those entities, particularly during the periods in which the periodic reports required under the Exchange Act are being prepared; (ii) have been evaluated by management of the Company for effectiveness as of the end of the Company’s most recent fiscal year; and (iii) are effective in all material respects to perform the functions for which they were established. Since the end of the Company’s most recent audited fiscal year, there have been no significant deficiencies or material weakness in the Company’s internal control over financial reporting (whether or not remediated) and no change in the Company’s internal control over financial reporting that has materially affected, or is reasonably likely to materially affect, the Company’s internal control over financial reporting. The Company is not aware of any change in its internal control over financial reporting that has occurred during its most recent fiscal quarter that has materially affected, or is reasonably likely to materially affect, the Company’s internal control over financial reporting.
- (rr) *Medicare and Medicaid Programs.* To the extent required in connection with their respective businesses, each of the Company and its Subsidiaries has the requisite provider number or other authorization to bill the Medicare program and the respective Medicaid program in the state or states in which such entity operates unless failure to maintain such provider number or other authorization would not, individually or in the aggregate, have a Material Adverse Effect; neither the Company nor any of its Subsidiaries is subject to any pending or, to the Company’s knowledge, threatened or contemplated action which could reasonably be expected to result either in a revocation of any provider number or

authorization or in the Company's or any Subsidiary's exclusion from the Medicare or any state Medicaid programs; the Company's and each of its Subsidiaries' business practices have been structured in a manner reasonably designed to comply with the federal or state laws governing Medicare and state Medicaid programs, including, without limitation, Sections 1320a-7a and 1320a-7b of Title 42 of the United States Code, and the Company reasonably believes that it is in compliance with such laws; the Company and its Subsidiaries have taken reasonable actions designed to ensure that they do not: (i) violate the False Claims Act, 31 U.S.C. §§ 3729-3733 or (ii) allow any individual with an ownership or control interest (as defined in 42 U.S.C. § 1320a-3(a)(3)) in the Company or any of its Subsidiary or have any officer, director or managing employee (as defined in 42 U.S.C. § 1320a-5(b)) of the Company or any of its Subsidiaries who would be a person excluded from participation in any federal health care program (as defined in 42 U.S.C. § 1320a-7b(f)) as described in 42 U.S.C. § 1320a-7(b)(8); and the Company and its Subsidiaries have structured their respective businesses practices in a manner designed to comply with the federal and state laws regarding physician ownership of (or financial relationship with), and referral to, entities providing healthcare-related goods or services, and with laws requiring disclosure of financial interests held by physicians in entities to which they may refer patients for the provisions of healthcare-related goods or services, and the Company and its Subsidiaries are in compliance with such laws.

- (ss) *Certificates.* Each certificate signed by any officer of the Company or any of the Subsidiaries, delivered to the Initial Purchasers shall be deemed a representation and warranty by the Company or any such Subsidiary (and not individually by such officer) to the Initial Purchasers with respect to the matters covered thereby.

**5. Covenants of the Company and the Guarantors.** Each of the Company and the Guarantors, jointly and severally, covenants and agrees with the Initial Purchasers as follows:

- (a) *Securities Law Compliance.* To (i) advise the Initial Purchasers promptly after obtaining knowledge (and, if requested by the Representative, confirm such advice in writing) of (A) the issuance by any U.S. or non-U.S. federal or state securities commission of any stop order suspending the qualification or exemption from qualification of any of the Securities for offer or sale in any jurisdiction, or the initiation of any proceeding for such purpose by any U.S. or non-U.S. federal or state securities commission or other regulatory authority, or (B) the happening of any event that makes any statement of a material fact made in the Time of Sale Document, any Company Additional Written Communication or the Final Offering Memorandum, untrue or that requires the making of any additions to or changes in the Time of Sale Document, any Company Additional Written Communication, or the Final Offering Memorandum, to make the statements therein, in the light of the circumstances under which they were made, not misleading, (ii) use its reasonable best efforts to prevent the issuance of any stop order or order suspending the qualification or exemption from qualification of any of the Securities under any securities or "Blue Sky" laws of U.S. state or non-U.S. jurisdictions and (iii) if, at any time, any U.S. or non-U.S. federal or state securities commission or other regulatory authority shall issue an order suspending the qualification or exemption from qualification of any of the Securities under any such laws, use its reasonable best efforts to obtain the withdrawal or lifting of such order at the earliest possible time.

- (b) *Offering Documents.* To (i) furnish the Initial Purchasers, without charge, as many copies of the Time of Sale Document and the Final Offering Memorandum, and any amendments or supplements thereto, as the Initial Purchasers may reasonably request, and (ii) promptly prepare, upon the Initial Purchasers' reasonable request, any amendment or supplement to the Time of Sale Document or Final Offering Memorandum that the Initial Purchasers, upon advice of legal counsel, determine may be necessary in connection with Exempt Resales (and the Company and the Guarantors hereby consent to the use of the Time of Sale Document and the Final Offering Memorandum, and any amendments and supplements thereto prepared by, or approved in writing, by the Company, by the Initial Purchasers in connection with Exempt Resales).
- (c) *Consent to Amendments and Supplements.* Not to amend or supplement the Time of Sale Document or the Final Offering Memorandum prior to the Closing Date, or at any time prior to the completion of the resale by the Initial Purchasers of all the Securities purchased by the Initial Purchasers, unless the Representative shall previously have been advised thereof and shall have provided its written consent thereto. Before making, preparing, using, authorizing, approving or referring to any Company Additional Written Communications, the Company will furnish to the Representative and counsel for the Representative a copy of such written communication for review and will not make, prepare, use, authorize, approve or refer to any such written communication to which the Representative reasonably objects within a reasonable amount of time. The Company and the Guarantors consent to the use by the Initial Purchasers of a Company Additional Written Communication that contains (A) information describing the preliminary terms of the Securities or their offering or (B) information that describes the final terms of the Securities or their offering and that is included in or is subsequently included in the Final Offering Memorandum, including by means of the Pricing Supplement.
- (d) *Preparation of Amendments and Supplements to Offering Documents.* So long as the Initial Purchasers shall hold any of the Securities, (i) if any event shall occur as a result of which, in the reasonable judgment of the Company or the Initial Purchasers, it becomes necessary or advisable to amend or supplement the Time of Sale Document or the Final Offering Memorandum to correct any untrue statement of a material fact or omission to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, or if it is necessary to amend or supplement the Time of Sale Document or the Final Offering Memorandum to comply with any Applicable Law, to prepare, at the expense of the Company, an appropriate amendment or supplement to the Time of Sale Document and the Final Offering Memorandum (in form and substance reasonably satisfactory to the Initial Purchasers) so that (A) as so amended or supplemented, the Time of Sale Document and the Final Offering Memorandum will not include an untrue statement of material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, and (B) the Time of Sale Document and the Final Offering Memorandum will comply with Applicable Law and (ii) if in the reasonable judgment of the Company it becomes necessary or advisable to

amend or supplement the Time of Sale Document or the Final Offering Memorandum so that the Time of Sale Document and the Final Offering Memorandum will contain all of the information specified in, and meet the requirements of, Rule 144A(d)(4) of the Securities Act, to prepare an appropriate amendment or supplement to the Time of Sale Document or the Final Offering Memorandum (in form and substance reasonably satisfactory to the Initial Purchasers) so that the Time of Sale Document or the Final Offering Memorandum, as so amended or supplemented, will contain the information specified in, and meet the requirements of, such Rule.

- (e) *“Blue Sky” Law Compliance.* To cooperate with the Initial Purchasers and the Initial Purchasers’ counsel in connection with the qualification of the Securities under the securities or “Blue Sky” laws of U.S. state or non-U.S. jurisdictions as the Initial Purchasers may request and continue such qualification in effect so long as reasonably required for Exempt Resales. The Company will advise the Initial Purchasers promptly of the suspension of any such exemption relating to the Securities for offering, sale or trading in any jurisdiction that the Company has been informed by the Initial Purchasers is a jurisdiction into which Securities were sold by the Initial Purchasers or any initiation or threat of any proceeding for any such purpose, in each case, of which it becomes aware, and in the event of the issuance of any order suspending such exemption, the Company shall use its best efforts to obtain the withdrawal thereof at the earliest possible moment.
- (f) *Payment of Expenses.* Whether or not any of the Offering or the Transactions are consummated or this Agreement is terminated, to pay (i) all costs, expenses, fees and taxes incident to and in connection with: (A) the preparation, printing and distribution of the Time of Sale Document and the Final Offering Memorandum and all amendments and supplements thereto (including, without limitation, financial statements and exhibits), and all other agreements, memoranda, correspondence and other documents prepared and delivered in connection herewith, (B) the negotiation, printing, processing and distribution (including, without limitation, word processing and duplication costs) and delivery of, each of the Transaction Documents, (C) the preparation, issuance and delivery of the Securities, (D) the qualification of the Securities for offer and sale under the securities or “Blue Sky” laws of U.S. state or non-U.S. jurisdictions (including reasonable fees and disbursements of the Initial Purchasers’ counsel relating thereto), (E) furnishing such copies of the Time of Sale Document and the Final Offering Memorandum, and all amendments and supplements thereto, as may reasonably be requested for use by the Initial Purchasers and (F) the performance of the obligations of the Company and the Guarantors obligations under the Registration Rights Agreement, including but not limited to the Exchange Offer, the Exchange Offer Registration Statement and any Shelf Registration Statement, (ii) all fees and expenses of the counsel, accountants and any other experts or advisors retained by the Company or the Guarantors, (iii) all fees and expenses (including fees and expenses of counsel) of the Company or the Guarantors in connection with approval of the Securities by DTC for “book-entry” transfer, (iv) all fees charged by rating agencies in connection with the rating of the Securities, (v) all fees and expenses (including reasonable fees and expenses of counsel) of the Trustee, (vi) any filing fees incident to, and any reasonable fees and disbursements of Initial Purchasers’ counsel in connection with the review, if any, by the

Financial Industry Regulatory Authority, Inc. of the terms of the sale of the Securities or the Exchange Notes and (vii) the Initial Purchasers' reasonable out-of-pocket expenses incurred in connection with the Offering, including 50% of the cost of any chartered aircraft; provided that the Initial Purchasers shall pay their own legal expenses, except as otherwise provided in clauses (i)(D) and (vi) above and Sections 8 and 9 of this Agreement.

- (g) *Use of Proceeds.* To use the proceeds of the Offering in the manner described in the Time of Sale Document and the Final Offering Memorandum under the caption "Use of Proceeds."
- (h) *Transaction Documents.* To do and perform all things required to be done and performed under the Transaction Documents prior to and after the Closing Date.
- (i) *Integration.* Not to, and to ensure that no Affiliate of the Company will, sell, offer for sale or solicit offers to buy or otherwise negotiate in respect of any "security" (as defined in the Securities Act) that would be integrated with the sale of the Securities in a manner that would require the registration under the Securities Act of the sale to the Initial Purchasers or to the Subsequent Purchasers of the Securities.
- (j) *Stabilization or Manipulation.* Not to take, directly or indirectly, any action designed to or that might be reasonably expected to cause or result in stabilization or manipulation of the price of the Securities or any other reference security, whether to facilitate the sale or resale of the Securities or otherwise.
- (k) *DTC.* To comply with the representation letter of the Company to DTC relating to the approval of the Securities by DTC for "book-entry" transfer.
- (l) *Additional Filings; Rule 144A Information.* Prior to the completion of the placement of the Securities by the Initial Purchasers with the Subsequent Purchasers, the Company shall file, on a timely basis, with the SEC and the NASDAQ National Market all reports and documents required to be filed under Section 13 or 15 of the Exchange Act. Additionally, for so long as any of the Securities remain outstanding, during any period in which the Company is not subject to Section 13 or 15(d) of the Exchange Act, to make available, upon request, to any owner of the Securities in connection with any sale thereof and any prospective Subsequent Purchasers of such Securities from such owner, the information required by Rule 144A(d)(4) under the Securities Act.
- (m) *Furnish Trustee and Noteholder Reports.* For so long as any of the Securities remain outstanding, to furnish to the Initial Purchasers, upon request, copies of all reports and other communications (financial or otherwise) furnished by the Company to the Trustee or to the holders of the Securities and, as soon as available, copies of any reports or financial statements furnished to or filed by the Company with the SEC or any national securities exchange on which the Securities may be listed.
- (n) *Additional Offering Materials.* Except in connection with the Exchange Offer or the filing of the Shelf Registration Statement, not to, and not to authorize or permit any person acting on its behalf to, (i) distribute any offering material in connection with the

offer and sale of the Securities other than the Time of Sale Document and the Final Offering Memorandum and any Company Additional Written Communications (used in accordance with this Agreement) and any amendments and supplements to the Preliminary Offering Memorandum or the Final Offering Memorandum or any Company Additional Written Communication prepared in compliance with this Agreement, (ii) solicit any offer to buy or offer to sell the Securities by means of any form of general solicitation or general advertising (including, without limitation, as such terms are used in Regulation D under the Securities Act) or in any manner involving a public offering within the meaning of Section 4(2) of the Securities Act, or (iii) engage in any directed selling efforts with respect to the Securities within the meaning of Regulation S, and all such persons will comply with the offering restrictions requirement of Regulation S.

- (e) *No Material Adverse Change*. Subsequent to the date of this Agreement, there shall not have been any Material Adverse Change that could, in the sole judgment of the Initial Purchasers, be expected to (i) make it impracticable or inadvisable to proceed with the offering, sale or delivery of the Securities on the terms and in the manner contemplated by this Agreement, the Time of Sale Document and the Final Offering Memorandum, or (ii) materially impair the investment quality of any of the Securities.
- (f) *No Ratings Agency Change*. - (h) *No Suspension in Trading; Banking Moratorium.* (i) Trading in the Company's common stock shall have been suspended by the SEC or the NASDAQ National Market or a suspension or limitation of trading generally in securities on the New York Stock Exchange, the American Stock Exchange or the NASDAQ National Market or any setting of limitations on prices for securities generally occurs on any such exchange or market or (ii) the declaration of a banking moratorium by any Governmental Authority has occurred or the taking of any action by any Governmental Authority after the date hereof in respect of its monetary or fiscal affairs that, in the case of clause (i) or (ii) of this paragraph, in the Initial Purchasers' sole judgment could reasonably be expected to have a material adverse effect on the financial markets in the United States or elsewhere.

#### **8. Indemnification and Contribution.**

- (a) *Indemnification by the Company and the Guarantors.* The Company and each of the Guarantors, jointly and severally, agree to indemnify and hold harmless each Initial Purchaser, its affiliates, directors, officers and employees, and each person, if any, who controls such Initial Purchaser within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, against any losses, claims, damages, liabilities or

expenses of any kind to which such Initial Purchaser, affiliate, director, officer, employee or such controlling person may become subject under the Securities Act, the Exchange Act or other federal or state statutory law or regulation, or at common law or otherwise (including in settlement of any litigation, if such settlement is effected with the written consent of the Company), insofar as any such losses, claims, damages, liabilities or expenses (or actions in respect thereof) arise out of or are based upon:

(i) any untrue statement or alleged untrue statement of a material fact contained in the Preliminary Offering Memorandum, the Time of Sale Document, any Company Additional Written Communication or the Final Offering Memorandum, or any amendment or supplement thereto;

(ii) the omission or alleged omission to state, in the Preliminary Offering Memorandum, the Time of Sale Document, any Company Additional Written Communication or the Final Offering Memorandum, or any amendment or supplement thereto, a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading; or

(iii) the violation of any laws or regulations of foreign jurisdictions where Securities have been offered or sold;

and, subject to the provisions hereof, will reimburse, as incurred, such Initial Purchaser and its affiliates, directors, officers, employees and each such controlling persons for any reasonable legal or other expenses (including the reasonable fees and disbursements of counsel chosen by the Representative and incurred in accordance with the provisions of Section 8(c)) incurred by such person in connection with investigating, defending against, settling, compromising, paying or appearing as a third-party witness in connection with any such loss, claim, damage, liability, expense or action in respect thereof; provided, however, the Company and the Guarantors will not be liable in any such case to the extent (but only to the extent) that a court of competent jurisdiction shall have determined by a final, unappealable judgment that such loss, claim, damage, liability or expense resulted solely from any untrue statement or alleged untrue statement or omission or alleged omission made in the Preliminary Offering Memorandum, the Time of Sale Document, any Company Additional Written Communication or the Final Offering Memorandum, or any amendment or supplement thereto, in reliance upon and in conformity with written information concerning the Initial Purchasers furnished to the Company by the Representative specifically for use therein, it being understood and agreed that the only such information furnished by the Representative to the Company consists of the information set forth in Section 13 hereof. The indemnity agreement set forth in this Section 8 shall be in addition to any liability that the Company and the Guarantors may otherwise have.

(b) *Indemnification by the Initial Purchasers.* Each Initial Purchaser agrees, severally and not jointly, to indemnify and hold harmless each of the Company, each of the Guarantors and their respective affiliates, directors, officers, employees and each person, if any, who controls the Company within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act against any losses, claims, damages, liabilities or expenses to

which the Company, such Guarantors or any such affiliate, director, officer, employee or controlling person may become subject under the Securities Act, the Exchange Act or otherwise, insofar as a court of competent jurisdiction shall have determined by a final, unappealable judgment that such losses, claims, damages, liabilities or expenses (or actions in respect thereof) have resulted solely from (i) any untrue statement or alleged untrue statement of any material fact contained in the Preliminary Offering Memorandum, the Time of Sale Document or the Final Offering Memorandum or any amendment or supplement thereto or (ii) the omission or the alleged omission to state therein a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, in each case to the extent (but only to the extent) that such untrue statement or alleged untrue statement or omission or alleged omission was made in reliance upon and in conformity with written information concerning the Initial Purchasers furnished to the Company by the Representative specifically for use therein as set forth in Section 13; and, subject to the limitation set forth immediately preceding this clause, will reimburse, as incurred, any reasonable legal or other expenses (including the fees and disbursements of counsel incurred in accordance with the provisions of Section 8(c)) incurred by the Company, each of the Guarantors or any such affiliate, director, officer, employee or controlling person in connection with any such loss, claim, damage, liability, expense or action in respect thereof. The indemnity agreement set forth in this Section shall be in addition to any liability that the Initial Purchasers may otherwise have.

- (c) *Notifications and Other Indemnification Procedures.* As promptly as reasonably practicable after receipt by an indemnified party under this Section 8 of notice of the commencement of any action for which such indemnified party is entitled to indemnification under this Section 8, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Section 8, notify the indemnifying party of the commencement thereof in writing; but the omission to so notify the indemnifying party (i) will not relieve such indemnifying party from any liability under Section 8(a) or (b) above unless and only to the extent it is materially prejudiced by such failure (through the forfeiture of substantive rights and defenses) and (ii) will not, in any event, relieve the indemnifying party from any obligations to any indemnified party other than the indemnification obligation provided in Section 8(a) and (b) above. In case any such action is brought against any indemnified party, and it notifies the indemnifying party of the commencement thereof, the indemnifying party will be entitled to participate therein and, to the extent that it may elect, jointly with any other indemnifying party similarly notified by written notice delivered to the indemnified party promptly after receiving the aforesaid notice from such indemnified party, to assume the defense thereof, with counsel reasonably satisfactory to such indemnified party; provided, however, that if (i) the use of counsel chosen by the indemnifying party to represent the indemnified party would present such counsel with a conflict of interest, (ii) the defendants in any such action include both the indemnified party and the indemnifying party, and the indemnified party shall have been advised by counsel that a conflict may arise between the positions of the indemnifying party and the indemnified party in conducting the defense of any such action or that there may be one or more legal defenses available to it and/or other indemnified parties that are different from or additional to those available to the indemnifying party, or (iii) the indemnifying party

shall not have employed counsel reasonably satisfactory to the indemnified party to represent the indemnified party within a reasonable time after receipt by the indemnifying party of notice of the institution of such action, then, in each such case, the indemnifying party shall not have the right to direct the defense of such action on behalf of such indemnified party or parties and such indemnified party or parties shall have the right to select separate counsel to defend such action on behalf of such indemnified party or parties at the expense of the indemnifying party. After notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof and approval by such indemnified party of counsel appointed to defend such action, the indemnifying party will not be liable to such indemnified party under this Section 8 for any legal or other expenses, other than reasonable costs of investigation, subsequently incurred by such indemnified party in connection with the defense thereof, unless (i) the indemnified party shall have employed separate counsel in accordance with the proviso to the immediately preceding sentence (it being understood, however, that in connection with such action the indemnifying party shall not be liable for the fees and expenses of more than one separate counsel (in addition to local counsel) in any one action or separate but substantially similar actions in the same jurisdiction arising out of the same general allegations or circumstances, designated by the Representative in the case of Section 8(a) or the Company in the case of Section 8(b), representing the indemnified parties under such Section 8(a) or (b), as the case may be, who are parties to such action or actions), (ii) the indemnifying party has authorized in writing the employment of counsel for the indemnified party at the expense of the indemnifying party or (iii) the indemnifying party shall not have employed counsel reasonably satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of commencement of the action, in each of which cases the fees and expenses of counsel shall be at the expense of the indemnifying party and shall be paid as they are incurred. After such notice from the indemnifying party to such indemnified party, the indemnifying party will not be liable for the costs and expenses of any settlement of such action effected by such indemnified party without the prior written consent of the indemnifying party (which consent shall not be unreasonably withheld), unless such indemnified party waived in writing its rights under this Section 8, in which case the indemnified party may effect such a settlement without such consent.

- (d) *Settlements.* No indemnifying party shall be liable under this Section 8 for any settlement of any claim or action (or threatened claim or action) effected without its written consent, which shall not be unreasonably withheld, but if a claim or action settled with its written consent, or if there be a final judgment for the plaintiff with respect to any such claim or action, each indemnifying party jointly and severally agrees, subject to the exceptions and limitations set forth above, to indemnify and hold harmless each indemnified party from and against any and all losses, claims, damages or liabilities (and legal and other expenses as set forth above) incurred by reason of such settlement or judgment. Notwithstanding the foregoing sentence, if at any time an indemnified party shall have requested an indemnifying party to reimburse the indemnified party for fees and expenses of counsel as contemplated by this Section 8, the indemnifying party agrees that it shall be liable for any settlement of any proceeding effected without its written consent if (i) such settlement is entered into more than 30 days after receipt by such indemnifying party of the aforesaid request and (ii) such indemnifying party shall not have reimbursed

the indemnified party in accordance with such request or disputed in good faith the indemnified party's entitlement to such reimbursement prior to the date of such settlement. No indemnifying party shall, without the prior written consent of the indemnified party (which consent shall not be unreasonably withheld), effect any settlement or compromise of any pending or threatened proceeding in respect of which the indemnified party is or could have been a party, or indemnity could have been sought hereunder by the indemnified party, unless such settlement (A) includes an unconditional written release of the indemnified party, in form and substance satisfactory to the indemnified party, from all liability on claims that are the subject matter of such proceeding and (B) does not include any statement as to an admission of fault, culpability or failure to act by or on behalf of the indemnified party.

- (e) *Contribution.* In circumstances in which the indemnity agreements provided for in this Section are unavailable to, or insufficient to hold harmless, an indemnified party in respect of any losses, claims, damages, liabilities or expenses (or actions in respect thereof), each indemnifying party, in order to provide for just and equitable contributions, shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages, liabilities or expenses (or actions in respect thereof) in such proportion as is appropriate to reflect (i) the relative benefits received by the indemnifying party or parties, on the one hand, and the indemnified party, on the other hand, from the Offering or (ii) if the allocation provided by the foregoing clause (i) is not permitted by applicable law, not only such relative benefits but also the relative fault of the indemnifying party or parties, on the one hand, and the indemnified party, on the other hand, in connection with the statements or omissions or alleged statements or omissions that resulted in such losses, claims, damages, liabilities or expenses (or actions in respect thereof), as well as any other relevant equitable considerations. The relative benefits received by the Company and the Guarantors, on the one hand, and the Initial Purchasers, on the other hand, shall be deemed to be in the same proportion as the total proceeds from the Offering (before deducting expenses) received by the Company bear to the total discounts and commissions received by the Initial Purchasers. The relative fault of the parties shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company, on the one hand, or the Initial Purchasers pursuant to Section 8(b) above, on the other hand, the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission or alleged statement or omissions, and any other equitable considerations appropriate in the circumstances.
- (f) *Equitable Consideration.* The Company, the Guarantors and the Initial Purchasers agree that it would not be equitable if the amount of such contribution determined pursuant to Section 8(e) were determined by pro rata or per capita allocation (even if the Initial Purchasers were treated as one entity for such purpose) or by any other method of allocation that does not take into account the equitable considerations referred to in Section 8(e). Notwithstanding any other provision of this Section 8, no Initial Purchaser shall be obligated to make contributions hereunder that in the aggregate exceed the total discounts, commissions and other compensation received by such Initial Purchaser under this Agreement, less the aggregate amount of any damages that such Initial Purchaser has

otherwise been required to pay by reason of the untrue or alleged untrue statements or the omissions or alleged omissions to state a material fact. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Initial Purchasers' obligations to contribute pursuant to this Section 8 are several, and not joint, in proportion to their respective commitments as set forth opposite their names in Schedule I. For purposes of Section 8(e), each director, officer and employee of an Initial Purchaser, and each person, if any, who controls such Initial Purchaser within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, shall have the same rights to contribution as such Initial Purchaser, and each director, officer and employee of the Company and the Guarantors, and each person, if any, who controls the Company or any of the Guarantors within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, shall have the same rights to contribution as the Company and the Guarantors.

**9. Termination.** The Representative may terminate this Agreement at any time prior to the Closing Date by written notice to the Company if any of the events described in Sections 7(e) (No Material Adverse Change), 7(g) (No Hostilities) or 7(h) (No Suspension in Trading; Banking Moratorium) shall have occurred or if the conditions set forth in Section 7 hereof are not satisfied or waived at or prior to the Closing Date. Any termination pursuant to this Section 9 shall be without liability on the part of (a) the Company or the Guarantors to the Initial Purchasers, except that the Company and the Guarantors shall be obligated to reimburse the expenses of the Initial Purchasers pursuant to Section 5(f) hereof, together with any other reasonable legal fees and expenses incurred by the Initial Purchasers in connection with the Offering, or (b) the Initial Purchasers to the Company or the Guarantors, except, in the case of each of clauses (a) and (b), that the provisions of Sections 8 and 10 hereof shall at all times be effective and shall survive such termination.

**10. Survival.** The representations and warranties, covenants, indemnities and contribution and expense reimbursement provisions and other agreements of the parties hereto set forth in or made pursuant to this Agreement shall remain operative and in full force and effect, and will survive, regardless of (i) any investigation, or statement as to the results thereof, made by or on behalf of such party, (ii) the acceptance of the Securities, and payment for them hereunder, and (iii) any termination of this Agreement.

**11. Default of One or More of the Several Initial Purchasers.** If any one or more of the several Initial Purchasers shall fail or refuse to purchase Securities that it or they have agreed to purchase hereunder on the Closing Date, and the aggregate amount of Securities which such defaulting Initial Purchaser or Initial Purchasers agreed but failed or refused to purchase does not exceed 10% of the aggregate amount of the Securities to be purchased on such date, the other Initial Purchasers shall be obligated, severally, in the proportions that the amount of Securities set forth opposite their respective names on Schedule I bears to the aggregate amount of Securities set forth opposite the names of all such non-defaulting Initial Purchasers, or in such other proportions as may be specified by the Initial Purchasers with the consent of the non-defaulting Initial Purchasers, to purchase the Securities which such defaulting Initial Purchaser or Initial Purchasers agreed but failed or refused to purchase on the Closing Date. If any one or more of the Initial Purchasers shall fail or refuse to purchase Securities and the aggregate amount

of Securities with respect to which such default occurs exceeds 10% of the aggregate amount of Securities to be purchased on the Closing Date, and arrangements satisfactory to the Initial Purchasers and the Company for the purchase of such Securities are not made within 48 hours after such default, this Agreement shall terminate without liability of any party to any other party except that the provisions of Sections 5(f), 8 and 9 hereof shall at all times be effective and shall survive such termination. In any such case either the Initial Purchasers or the Company shall have the right to postpone the Closing Date, but in no event for longer than seven days in order that the required changes, if any, to the Final Offering Memorandum or any other documents or arrangements may be effected.

As used in this Agreement, the term “Initial Purchaser” shall be deemed to include any person substituted for a defaulting Initial Purchaser under this Section 11. Any action taken under this Section 11 shall not relieve any defaulting Initial Purchaser from liability in respect of any default of such Initial Purchaser under this Agreement.

**12. No Advisory or Fiduciary Relationship.** The Company and the Guarantors acknowledge and agree that: (i) the purchase and sale of the Securities pursuant to this Agreement, including the determination of the offering price of the Securities and any related discounts and commissions, is an arm’s-length commercial transaction between the Company and the Guarantors, on the one hand, and the Initial Purchasers, on the other hand, and the Company is capable of evaluating and understanding and understands and accepts the terms, risks and conditions of the transactions contemplated by this Agreement; (ii) in connection with each transaction contemplated hereby and the process leading to such transaction each Initial Purchaser is and has been acting solely as a principal and is not the agent or fiduciary of the Company and the Guarantors, or their respective affiliates, stockholders, creditors or employees or any other party; (iii) no Initial Purchaser has assumed nor will assume an advisory or fiduciary responsibility in favor of the Company or any Guarantor with respect to any of the transactions contemplated hereby or the process leading thereto (irrespective of whether such Initial Purchaser has advised or is currently advising the Company or any Guarantor on other matters) or any other obligation to the Company or any Guarantor except the obligations expressly set forth in this Agreement; (iv) the several Initial Purchasers and their respective affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Company and the Guarantors, and the several Initial Purchasers have no obligation to disclose any of such interests by virtue of any fiduciary or advisory relationship; and (v) no Initial Purchaser has provided any legal, accounting, regulatory or tax advice with respect to the Offering, and the Company and the Guarantors have consulted their own legal, accounting, regulatory and tax advisors to the extent they deemed appropriate.

**13. Information Supplied by Initial Purchasers.** Each of the Company and the Guarantors acknowledge that, for purposes of Section 4(d) and Section 8, the only information that the Initial Purchasers have furnished to the Company specifically for use in the Preliminary Offering Memorandum or the Final Offering Memorandum are the statements set forth in the first sentence of the fifth paragraph, the second and third sentences of the sixth paragraph, the ninth paragraph and the nineteenth paragraph under the caption “Plan of Distribution” in the Preliminary Offering Memorandum and the Final Offering Memorandum.

- (e) *Entire Agreement; Counterparts.* This Agreement constitutes the entire agreement of the parties to this Agreement and supersedes all prior written or oral and all contemporaneous oral agreements, understandings and negotiations with respect to the subject matter hereof. - (f) *Headings.* The headings in this Agreement are for convenience of reference only and shall not limit or otherwise affect the meaning hereof.
- (g) *Separability.* If any term, provision, covenant or restriction of this Agreement is held by a court of competent jurisdiction to be invalid, illegal, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions set forth herein shall remain in full force and effect and shall in no way be affected, impaired or invalidated, and the parties hereto shall use their reasonable best efforts to find and employ an alternative means to achieve the same or substantially the same result as that contemplated by such term, provision, covenant or restriction. It is hereby stipulated and declared to be the intention of the parties that they would have executed the remaining terms, provisions, covenants and restrictions without including any of such that may be hereafter declared invalid, illegal, void or unenforceable.
- (h) *Amendment.* This Agreement may be amended, modified or supplemented, and waivers or consents to departures from the provisions hereof may be given, provided that the same are in writing and signed by all of the signatories hereto.

Please confirm that the foregoing correctly sets forth the agreement between the Company, the Guarantors and the Initial Purchasers.

Re: Acadia Healthcare Company, Inc. % Senior Notes due 2021

Ladies and Gentlemen:

We have acted as special counsel to Acadia Healthcare Company, Inc., a Delaware corporation, (the "Company"), and all of the entities set forth on Schedule A hereto, each of which is a direct or indirect wholly-owned domestic subsidiary of the Company (the "Guarantors"), in connection with the execution and delivery of the Purchase Agreement, dated as of March , 2013 (the "Purchase Agreement"), among the Company, the Guarantors and Merrill Lynch, Pierce, Fenner & Smith Incorporated, acting on behalf of itself and as the representative of the several Initial Purchasers, in connection with the sale and delivery to the Initial Purchasers under the terms of the Purchase Agreement of an aggregate principal amount of \$150,000,000 of the Company's [ ]% Senior Notes due 2021 (the "Notes") and certain other agreements, instruments and documents related to the Purchase Agreement. We have also acted as special Delaware counsel to the parties listed as Covered Guarantors on Schedule A hereto (the "Covered Guarantors"). This opinion is being delivered to you at the request of the Company pursuant to Section 7(b)(v) of the Purchase Agreement. Capitalized terms used herein and not otherwise defined herein shall have the same meanings herein as defined in the Purchase Agreement.

The notes contemplated by the Registration Rights Agreement (as defined below) to be offered to holders of Notes in exchange for the Notes are referred to herein as the "Exchange Notes" and the guarantee to be offered to holders in respect of the Exchange Notes is referred to herein as the "Exchange Guarantee." The offer to exchange the Notes and the Guarantee for the Exchange Notes and the Exchange Guarantee as contemplated by the Registration Rights Agreement is referred to herein as the "Exchange Offer."

In rendering the opinions set forth herein, we have examined and relied on originals or copies, certified or otherwise identified to our satisfaction, of the following:

(a) the Preliminary Offering Memorandum, dated as of March 4, 2013, covering the offer and sale of the Notes, as supplemented or amended by the Pricing Supplement, dated [ ], containing the terms of the Notes (collectively, the "Time of Sale Document");

(b) the Final Offering Memorandum, dated as of [ ], covering the offer and sale of the Notes (the “Final Offering Memorandum”);

(c) executed counterparts of the Purchase Agreement;

(d) executed counterparts of the Indenture, dated as of [ ], among the Company, the Guarantors and U.S. Bank, National Association, as trustee, with respect to the Notes (the “Indenture”);

(e) an executed copy of the Registration Rights Agreement, dated as of [ ], by and among the Company, the Guarantors and the Initial Purchasers (the “Registration Rights Agreement”);

(f) an executed copy of the 144A Global Note;

(g) an executed copy of the Regulation S Temporary Global Note;

(i) an executed copy of the Guarantee of the Guarantors delivered pursuant to the Indenture;

(j) a certified copy of the Certificate of Incorporation of the Company as filed with the Delaware Secretary of State on October 24, 2005, and a certified copy of the current bylaws of the Company (collectively the “Company Governing Documents”);

(k) a certified copy of the Articles of Incorporation, Certificate of Incorporation, or Articles of Organization, as applicable, of each Covered Guarantor, as filed with the applicable Secretary of State, and a certified copy of the current bylaws, operating agreement or limited liability company agreement, as applicable, of each Covered Guarantor (collectively the “Guarantor Governing Documents”);

(l) a certified copy of the resolutions adopted by the Board of Directors of the Company effective as of February 28, 2013;

(m) a certified copy of the resolutions adopted by the Pricing Committee of the Board of Directors of the Company, effective as of March [ ], 2013;

(n) certified copies of the consent actions of the respective Board of Directors, the sole member or the managing member, as applicable, of each of the Covered Guarantors, effective as of February 28, 2013; and

(o) certificates of existence or good standing, as applicable, for the Company and each Covered Guarantor issued by the Secretary of State of the State of Delaware.

In addition, we have examined such other documents, agreements, and certificates as we have deemed necessary or appropriate as a basis for the opinion set forth below.

The documents described in clauses (c) through (i) above are collectively referred to as the “Transaction Documents.” References to “DGCL” shall mean the General Corporation Law of the State of Delaware as in effect on the date hereof. In addition, references to (i) “Applicable Laws” shall mean the DGCL, the Delaware Limited Liability Company Act, and the statutes, rules, regulations and judicial decisions of the State of New York or of the United States of America that, in our experience, are normally applicable to transactions of the type contemplated by the Purchase Agreement without considering the participation by the Company in any regulated industry; (ii) the term “Applicable Orders” means any order, ruling, decree, judgment or similar action of any executive, legislative, judicial, administrative or regulatory body having jurisdiction over the Company or the Covered Guarantors, or mediator or arbitrator known to us or identified by the Company or any Covered Guarantor as being applicable to them and identified on Schedule B hereto; and (iii) the term “Applicable Contracts” means any agreement or instrument to which the Company or any Covered Guarantor is subject and which has been specifically identified to us by the Company or such Covered Guarantor in Schedule C hereto, which are the contracts listed as “material agreements.”

For purposes of this opinion, the term “Health Care Laws” shall mean those statutes, rules and regulations, judgments, decrees or orders which are generally applicable to hospitals, behavioral healthcare facilities and health care providers as a group described in those sections of the Time of Sale Document and the Final Offering Memorandum (collectively, the “OM”) described in our opinion below, including, without limitation, (i) healthcare licensure, permit, certificate of need and medical waste requirements, (ii) Titles XVIII, XIX and XXI of the Social Security Act, (iii) the “anti-kickback statute” (§1128B(b) of the Social Security Act) as amended by the Health Insurance Portability and Accountability Act of 1996 and the regulations promulgated thereunder, (iv) the Stark laws (§1877 of the Social Security Act) and the regulations promulgated thereunder, (v) the False Claims Act, (vi) the Health Insurance Portability and Accountability Act of 1996, (vii) the Patient Protection and Affordable Care Act, (viii) the Health Care and Education Reconciliation Act of 2010, and (ix) certain published state statutes, rules and regulations available to us concerning matters similar to those covered by clauses (ii) through (viii) above.

**Assumptions**

In rendering the opinions set forth herein, we have assumed, with your consent:

(i) The genuineness of all signatures, the legal capacity of natural persons, the authenticity of all documents submitted to us as originals, the conformity to original documents of all documents submitted to us as certified or photostatic copies and the authenticity of the originals of such copies. As to any facts material to this opinion which we did not independently establish or verify, we have relied upon statements and representations of the Company or the Guarantors and their officers and other representatives and of public officials and have assumed that such matters remain true and correct through the date hereof;

(ii) The execution, delivery and performance by the Company and each Guarantor of the Transaction Documents does not and will not conflict with, contravene, violate or constitute a default under (i) any lease, indenture, instrument or other agreement to which the Company, and Guarantor or their property is subject (other than the Applicable Contracts as to which we express our opinion in Opinion No. 11 herein), (ii) any rule, law or regulation to which the Company or any Guarantor is subject (other than Applicable Laws as to which we express our opinion in Opinion No. 11 herein) or (iii) any judicial or administrative order or decree of any governmental authority (other than Applicable Orders as to which we express our opinion in Opinion No. 11 herein);

(iii) Except as covered by our opinion in Opinion No. 12 herein, no authorization, consent or other approval of, notice to or filing with any court, governmental authority or regulatory body is required to authorize or is required in connection with the execution, delivery or performance by the Company or any Guarantor of any Transaction Document to which they are a party or the transactions contemplated thereby;

(iv) There is no action, suit or proceeding pending or threatened against or affecting the Company or any Guarantor before any court, governmental department or other authority (other than Applicable Orders as to which we express our opinion in Opinion No. 11 herein and other than as we express our opinion in Opinion No. 17 herein) which purports to affect the legality, validity or enforceability of any Transaction Document or the transactions contemplated thereby;

(v) Each Transaction Document is the legal, valid, and binding obligation of each party thereto (other than the Company or the Covered Guarantors), enforceable against such other parties in accordance with its terms;

(vi) All factual matters, including, without limitation, representations and warranties contained in the Transaction Documents, the Applicable Contracts or in certificates provided to us by or on behalf of the Company or others, are true and correct as set forth therein;

(vii) There are no other written or oral agreements among any or all of the parties that would alter or amend the agreements set forth in the Transaction Documents and the Applicable Contracts;

(viii) With respect to any guarantee of indebtedness by a Guarantor on a joint and several basis, the benefit of which is in the Company or another Guarantor, we have assumed that such Guarantor will benefit from the extension of credit to the extent necessary to make such guarantee a valid corporate act of the Guarantor; and

(ix) The Initial Purchasers have given value pursuant to the Purchase Agreement.

We are admitted to practice in the State of Tennessee and certain members of our firm are admitted to the bar in the State of New York. The opinions herein relating to the laws of the State of New York are given by such members on behalf of the firm. We express no opinion as to the laws of any jurisdiction other than: (i) the laws of the State of New York, (ii) the DGCL and the Delaware Limited Liability Company Act, (iii) the federal laws of the United States of America to the extent specifically referred to herein, without considering the participation by the Company or any Guarantors in any regulated industry. We call your attention to the fact that there may be laws, regulations or judicial decisions not included in the sources reviewed by us but nonetheless relevant to the opinions rendered with respect to the DGCL and the Delaware Limited Liability Company Act; our opinions do not address the effect of such other materials.

For purposes of any opinion referencing the “good standing” of any entity, we have relied solely on certificates of existence, active status and/or good standing, as applicable, from the jurisdictions as set forth on Schedule A. We have assumed that there has been no relevant change or development between the dates of the certificates of existence, active status and/or good standing referenced above and the date of this letter. We have assumed that all transactions contemplated by the Purchase Agreement have occurred simultaneously.

#### **Opinions Rendered**

Based upon the foregoing, and in reliance thereon, and subject to the limitations, qualifications, exceptions and assumptions set forth herein, we are of the opinion that as of the date hereof:

(1) The Company is existing as a corporation in good standing under the laws of the State of Delaware.

(2) The Company has corporate power and authority to own and lease its properties and to conduct its business as described in the OM and to enter into and perform its obligations under the Transaction Documents to which it is a party.

(3) Each Covered Guarantor is existing as a corporation or limited liability company, as applicable, in good standing under the laws of Delaware, has corporate or limited liability company, as applicable, power and authority to own and lease its properties and to conduct its business as described in the OM and to enter into and perform its obligations under the Transaction Documents to which it is a party.

(4) The Purchase Agreement has been duly authorized, executed and delivered by the Company and each of the Covered Guarantors.

(5) The Indenture has been duly authorized, executed and delivered by the Company and each of the Covered Guarantors. Assuming the due authorization, execution and delivery of the Indenture by the Trustee and each of the Non-Covered Guarantors, the Indenture constitutes a valid and binding agreement of the Company and each Guarantor in accordance with the terms thereof, enforceable against the Company and each Guarantor in accordance with its terms.

(6) The Registration Rights Agreement has been duly authorized, executed and delivered by the Company and each of the Covered Guarantors. Assuming due authorization, execution and delivery of the Registration Rights Agreement by the Initial Purchasers and each of the Non-Covered Guarantors, the Registration Rights Agreement is a valid and binding obligation of the Company and each of the Guarantors and is enforceable against the Company and each of the Guarantors in accordance with its terms.

(7) The Notes have been duly authorized, executed and delivered by the Company for issuance and sale pursuant to the Purchase Agreement and the Indenture and, when authenticated by the Trustee in the manner provided in the Indenture (assuming the due authorization, execution and delivery of the Indenture by the Trustee and each of the Non-Covered Guarantors) and delivered against payment of the purchase price therefor, will constitute “**Notes**” under the terms of the Indenture, will be the valid and binding obligations of the Company, and will be enforceable against the Company in accordance with their terms.

(8) The Guarantee has been duly authorized, executed and delivered by each of the Covered Guarantors and, when the Notes have been paid for by the Initial Purchasers in accordance with the terms of the Purchase Agreement (assuming the due authorization, execution and delivery of the Indenture by the Trustee and each of the Non-Covered Guarantors, the due authorization, execution and delivery of the Guarantee by each of the Non-Covered Guarantors and the due authentication and delivery of the Notes by the Trustee in accordance with the Indenture), will constitute a “**Guarantee**” under the terms of the Indenture, will be the valid and binding obligation of each of the Guarantors, and will be enforceable against each of the Guarantors in accordance with its terms.

(9) The Exchange Notes (having identical terms in all material respects to the Notes and evidencing the same continuing indebtedness of the Company (except with respect to transfer restrictions described in the Final Offering Memorandum)) have been duly authorized by

the Company and, when duly executed and delivered by the Company and issued in accordance with the terms of the Indenture, the Registration Rights Agreement and the Exchange Offer (assuming the due authorization, execution and delivery of the Indenture by the Trustee and each of the Non-Covered Guarantors, the due authentication and delivery of the Exchange Notes by the Trustee and the due authorization, execution and delivery of the Registration Rights Agreement by the Initial Purchasers and each of the Non-Covered Guarantors), the Exchange Notes will be the valid and binding obligation of the Company, and will be enforceable against the Company in accordance with their terms.

(10) The Exchange Guarantee (which shall be consistent with the Guarantee) has been duly authorized by each of the Covered Guarantors and, when the Exchange Notes have been duly executed, authenticated, issued and delivered and the Exchange Guarantee has been executed and delivered, each in the manner provided for in the Registration Rights Agreement and the Indenture (assuming the due authorization, execution and delivery of the Indenture by the Trustee and each of the Non-Covered Guarantors, the due authorization, execution and delivery of the Exchange Guarantee by each of the Non-Covered Guarantors, the due authentication and delivery of the Exchange Notes by the Trustee and the due authorization, execution and delivery of the Registration Rights Agreement by the Initial Purchasers and each of the Non-Covered Guarantors), the Exchange Guarantee will be the valid and binding obligation of each of the Guarantors, and will be enforceable against each of the Guarantors in accordance with its terms.

(11) The execution and delivery of the Transaction Documents by the Company and the Guarantors and the performance by the Company and the Guarantors to the extent a party thereto of their respective obligations thereunder (other than performance under the indemnification section of the Purchase Agreement, as to which we render no opinion): (i) will not constitute a breach of, or Default or a Debt Repayment Triggering Event under, or result in the creation or imposition of any lien, charge or encumbrance upon any property or assets of the Company or any of its subsidiaries pursuant to any Applicable Contract, except for such breaches, defaults, liens, charges or encumbrances as would not, individually or in the aggregate, result in a Material Adverse Effect, (ii) will not result in any violation of the provisions of the certificate of incorporation or bylaws of the Company or the applicable Guarantor Governing Documents of any Covered Guarantor, (iii) will not result in any violation of any Applicable Law or Applicable Order, except for such breaches, defaults, liens, charges or encumbrances as would not, individually or in the aggregate, result in a Material Adverse Effect. If an Applicable Contract is governed by the laws of a jurisdiction other than New York, we have assumed such Applicable Contract is governed by the laws of the State of New York.

(12) No consent, approval, authorization or other order of, any court or other governmental authority, is required for the issuance and sale by the Company of the Notes to the Initial Purchasers, or the consummation by each of the Company and the Covered Guarantors of the transactions contemplated thereby and by the OM, except such as may be required under the Securities Act, the Securities Exchange Act of 1934, as amended (the "Exchange Act"), the Trust

Indenture Act and the security or “blue sky” laws of the various states (and the rules and regulations thereunder), as to which we express no opinion in this paragraph, or which have been obtained or made by the Company or the Covered Guarantors, as applicable, and are in full force and effect under the Securities Act.

(13) Assuming (i) the accuracy and completeness of the representations, warranties and covenants of the Company, the Guarantors, and the Initial Purchasers contained in the Purchase Agreement, (ii) the compliance with the procedures set forth in the Trust Indenture Act in the manner contemplated by the Purchase Agreement and the OM, and (iii) that the Initial Purchasers have a reasonable belief that the purchasers who buy such Notes in the initial resale thereof are “qualified institutional buyers” as defined in Rule 144A promulgated under the Securities Act, or persons other than “U.S. persons” in connection with offers and sales made in reliance upon Regulation S under the Securities Act, no registration under the Securities Act of the Notes is required in connection with the purchase of the Notes by the Initial Purchasers or in connection with the initial resale of the Notes by the Initial Purchasers in the manner contemplated by the Purchase Agreement and the OM. We express no opinion, however, as to when or under what circumstances any Notes initially sold by the Initial Purchasers may be reoffered or resold.

(14)(a) The statements in the OM under the headings “Description of the Notes”, “Exchange Offer”, and “Description of Other Indebtedness”, insofar as such statements constitute matters of law, summaries of legal matters, the Company’s certificate of incorporation or bylaw provisions, documents, or legal proceedings have been reviewed by us and fairly present and summarize, in all material respects, the matters referred to therein.

(b) The statements in the OM under the heading “Certain U.S. Federal Income Tax Considerations”, insofar as such statements constitute matters of law, summaries of legal matters, or legal conclusions, have been reviewed by us and fairly present and summarize, in all material respects, the matters referred to therein.

(15) The legal statements in the materials relating to Health Care Laws encompassed under the captions set forth in Schedule D hereto, insofar as such statements constitute overviews or summaries of the laws and regulations referred to therein, including the qualifications set forth therein, fairly present and summarize, in all material respects, such laws and regulations referred to therein.

(16) Neither the Company nor any Guarantor is, or, after giving effect to the offering and sale of the Notes to the Initial Purchasers and the application of the proceeds thereof as described in the OM under the caption “Use of Proceeds”, will be required to register as an “investment company” within the meaning of the Investment Company Act of 1940, as amended.

(17) To our knowledge, there is no legal or governmental proceeding pending to which the Company or any Guarantor is a party that has caused us to conclude that such proceeding would be required to be described by Item 103 of Regulation S-K under the Securities Act if the issuance of the Notes and the Guarantee was being registered under the Securities Act, but is not so described in the OM.

(18) The documents incorporated by reference in the OM (other than the financial statements, any notes thereto, schedules, and other financial or statistical information derived therefrom and included therein or omitted therefrom, including without limitation such financial or statistical information provided in an interactive data format using XBRL or any statements made in the exhibits thereto, as to which we express no opinion), when they were filed with the SEC, complied as to form in all material respects with the requirements of the Exchange Act.

We have not verified, are not passing upon and do not assume any responsibility for, the accuracy, completeness or fairness of the statements contained in the Time of Sale Document or the Final Offering Memorandum, except as stated in paragraphs 14, 15 and 17 above. We have participated, however, in the preparation of the OM during the course of which preparation we examined various documents and other papers and participated in conferences with officers and representatives of the Company, representatives of the Company's independent registered public accounting firm and the accountants for Behavioral Centers of America, LLC and AmiCare Behavioral Centers, LLC, and your representatives and counsel, at which conferences the contents of the OM, including all documents filed under the Exchange Act and deemed incorporated by reference therein, were discussed, reviewed and revised. On the basis of the information that was developed in the course of our participation, considered in light of our understanding of applicable law and the experience we have gained through our practice, no facts have come to our attention that lead us to believe that the Time of Sale Document (including any document filed under the Exchange Act and deemed incorporated by reference therein) at the Applicable Time or that the Final Offering Memorandum (including any document filed under the Exchange Act and deemed incorporated by reference therein) as of its date and the date hereof contained or contains any untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading (except that in each case we do not make any statement as to the financial statements, any notes thereto, schedules and other financial or statistical information derived therefrom and included in or incorporated by reference into or omitted from the Time of Sale Document and the Final Offering Memorandum, including, without limitation, such financial or statistical information provided in an interactive data format using XBRL or any statements made in the exhibits thereto).

Our opinion does not foreclose the possibility of a contrary determination by the IRS or a court of competent jurisdiction, or of a contrary position taken by the IRS or the Treasury Department in regulations or rulings issued in the future. No ruling has been or is expected to be sought from the IRS with respect to the statements made and the conclusions reached in the opinion. There can be no assurance that the conclusions of U.S. federal tax law presented therein will not be successfully challenged by the IRS or significantly altered by new legislation, changes in IRS positions or
