## ACADIA HEALTHCARE REPORTS FIRST QUARTER 2024 RESULTS, AFFIRMS FULL YEAR 2024 GUIDANCE

FRANKLIN, Tenn. (May 1, 2024) – Acadia Healthcare Company, Inc. (NASDAQ: ACHC) today announced financial results for the first quarter ended March 31, 2024.

#### **First Quarter Highlights**

- Revenue totaled \$768.1 million, an increase of 9.1% over the first quarter of 2023
- Same facility revenue increased 9.2% compared with the first quarter of 2023, including an increase in revenue per patient day of 6.9% and an increase in patient days of 2.2%
- Net income attributable to Acadia totaled \$76.4 million, or \$0.83 per diluted share
- Adjusted income attributable to Acadia totaled \$77.3 million, or \$0.84 per diluted share
- Adjusted EBITDA totaled \$173.9 million, an increase of 14.9% over the first quarter of 2023
- Adjusted EBITDA margin of 22.6%, an increase of 110 basis points over the first quarter of 2023
- Continued progress on the execution of the Company's growth strategy, including the addition of 27 beds to the Company's existing facilities and through opening one new specialty de novo facility and acquiring one specialty provider and three comprehensive treatment centers ("CTCs")
- Opened a 100-bed acute care hospital in Mesa, Arizona, in April 2024.

Adjusted income attributable to Acadia and Adjusted EBITDA are non-GAAP financial measures. A reconciliation of all non-GAAP financial measures in this press release begins on page 9.

#### **First Quarter Results**

Chris Hunter, Chief Executive Officer of Acadia Healthcare Company, remarked, "We are pleased with our solid financial and operating performance for the first quarter of 2024, with year-over-year top line growth of 9.1%. Strong operating leverage, including continued improvement in our labor trends, helped drive year-over-year EBITDA growth of 14.9%. Overall, we continue to see a robust need for our behavioral health services and remain confident in our ability to meet our strategic growth objectives in 2024, including the addition of approximately 1,200 new beds this year. With a proven operating model, a patient-centric approach across the continuum of care, and a strong focus on clinical quality, we are well positioned to meet expected demand and continue to provide safe, quality patient care for those seeking treatment for mental health and substance use issues."

#### Strategic Investments for Long-Term Growth

During the first quarter of 2024, the Company continued to advance its growth strategy with the following accomplishments through its five distinct growth pathways.

- Facility Expansions Added 27 beds to existing facilities in the first quarter. The Company expects to add more than 400 beds to existing facilities in 2024.
- De Novo Facilities Opened a new 20-bed specialty facility, Sabal Palms Recovery Center, located near Tampa, Florida, that will provide residential addiction treatment services. Following the end of the quarter, Acadia opened a new 100-bed acute care hospital, Agave Ridge Behavioral Hospital, in Mesa, Arizona.
- Joint Ventures In January, Acadia announced a new joint venture partnership with Ascension Seton, one of the nation's leading integrated healthcare systems, for a behavioral health hospital in Austin, Texas. This hospital, expected to open later in 2024, marks the Company's second joint venture partnership with Ascension. During the quarter, the Company also commenced construction on two new hospitals, holding ground-breaking ceremonies in Apopka, Florida, in partnership with Orlando Health, and in Malden, Massachusetts, in partnership with Tufts Medicine. Acadia has 21 joint venture partnerships for 22 hospitals, with 11 hospitals already in operation and 11 additional hospitals expected to open over the next few years.
- Acquisitions In February, the Company closed the previously announced acquisition of Turning Point Centers, a 76-bed specialty provider of substance use disorder and primary mental health treatment services that supports the Salt Lake City, Utah, metropolitan market. In March, the Company completed the acquisition of three CTCs in North Carolina, serving patients in Raleigh, Greenville, Hillsborough, and their respective surrounding communities. With these additions, Acadia now operates 10 CTC locations in North Carolina and 160 locations in 32 states across the country.
- Extend Continuum of Care Expanded treatment options by adding 15 outpatient programs during the first quarter. These programs include Partial Hospitalization Programs (PHP), Intensive Outpatient Programs (IOP) or virtual services.

#### **Cash and Liquidity**

Acadia has continued to maintain a strong financial position with sufficient capital to make strategic investments in its business. As of March 31, 2024, the Company had \$77.3 million in cash and cash equivalents and \$371.5 million available under its \$600 million revolving credit facility with a net leverage ratio of approximately 2.6x.

Net leverage ratio is a non-GAAP financial measure. A reconciliation of all non-GAAP financial measures in this press release begins on page 9.

#### **Conference Call**

Acadia will hold a conference call to discuss its first quarter financial results at 8:00 a.m. Central/9:00 a.m. Eastern Time on Thursday, May 2, 2024. A live webcast of the conference call will be available at www.acadiahealthcare.com in the "Investors" section of the website. The webcast of the conference call will be available for 30 days.

#### **About Acadia**

Acadia is a leading provider of behavioral healthcare services across the United States. As of March 31, 2024, Acadia operated a network of 258 behavioral healthcare facilities with approximately 11,300 beds in 38 states and Puerto Rico. With approximately 23,500 employees serving more than 75,000 patients daily, Acadia is the largest stand-alone behavioral healthcare company in the U.S. Acadia provides behavioral healthcare services to its patients in a variety of settings, including inpatient psychiatric hospitals, specialty treatment facilities, residential treatment centers and outpatient clinics.

#### **Forward-Looking Information**

This press release contains forward-looking statements. Generally, words such as "may," "will," "should," "could," "anticipate," "expect," "intend," "estimate," "plan," "continue," and "believe" or the negative of or other variation on these and other similar expressions identify forward-looking statements. These forward-looking statements are made only as of the date of this press release. We do not undertake to update or revise the forward-looking statements, whether as a result of new information, future events or otherwise. Forward-looking statements are based on current expectations and involve risks and uncertainties and our future results could differ significantly from those expressed or implied by our forward-looking statements. Factors that may cause actual results to differ materially include, without limitation, (i) potential difficulties in successfully integrating the operations of acquired facilities or realizing the expected benefits and synergies of our facility expansions, acquisitions, joint ventures and de novo transactions; (ii) Acadia's ability to add beds, expand services, enhance marketing programs and improve efficiencies at its facilities; (iii) potential reductions in payments received by Acadia from government and commercial payors; (iv) the occurrence of patient incidents, governmental investigations, litigation and adverse regulatory actions, which could adversely affect the price of our common stock and result in substantial payments and incremental regulatory burdens; (v) potential disruptions to our information technology systems or a cybersecurity incident; and (vii) potential operating difficulties, including, without limitation, disruption to the U.S. economy and financial markets; reduced admissions and patient volumes; increased costs relating to labor, supply chain and other expenditures; changes in competition and client preferences; and general economic or industry conditions that may prevent Acadia from realizing the expected benefits of its business strategies. The non-GAAP financial measures presented herein are supplemental measures of our performance and are not required by, or presented in accordance with, generally accepted accounting principles in the United States ("GAAP"). The non-GAAP financial measures presented herein are not measures of our financial performance under GAAP and should not be considered as alternatives to net income or any other performance measures derived in accordance with GAAP or as an alternative to cash flow from operating activities as measures of our liquidity. Our measurements of these non-GAAP financial measures may not be comparable to similarly titled measures of other companies. We have included information concerning the non-GAAP financial measures in this press release because we believe that such information is used by certain investors as measures of a company's historical performance. We believe these measures are frequently used by securities analysts, investors and other interested parties in the evaluation of issuers of equity securities, many of which present similar non-GAAP financial measures when reporting their results. Because the non-GAAP financial measures are not measures determined in accordance with GAAP and are thus susceptible to varying calculations, the non-GAAP financial measures, as presented, may not be comparable to other similarly titled measures of other companies. Our presentation of these non-GAAP financial measures, as presented, may not be comparable to other similarly titled measures of other companies. Our presentation of these non-GAAP financial measures, as presented, may not be comparable to other similarly titled measures of other companies. Our presentation of these non-GAAP financial measures, as presented, may not be comparable to other similarly titled measures of other companies. Our presentation of these non-GAAP financial measures should not be construed as an inference that our future results will be unaffected by unusual or nonrecurring items.

The Company is not able to provide a reconciliation of projected Adjusted EBITDA and adjusted earnings per diluted share, where provided, to expected results due to the unknown effect, timing and potential significance of transaction-related expenses and the tax effect of such expenses.

(a) Represents the equity-based compensation expense of Acadia.

(b) Represents transaction, legal and other costs incurred by Acadia primarily related to legal, management transition, termination, restructuring, acquisition and other similar costs.

(c) Represents the income tax effect of adjustments to income based on tax rates of 22.2% and 25.0% for the three months ended March 31, 2024 and 2023, respectively.
